Round 4, 2026 (Volume 1)

THIS ROUND, WE CELEBRATE OUR *Roo Girls*

Our club has grown on and off the field thanks to female participation in Junior, Youth and Senior competitions. The spirit of Sisterhood - looking out for one another and lifting each other up is strong in each team.

Let's not forget our footy mums, grandmas, partners and female friends who bring energy, love and support to the sidelines week in, week out!

Thank you to every Roo Girl who adds to club culture, making the Kangaroos the best club it can be. Your commitment to AFL helps us move forward with confidence - there's heaps in store for our club because of all of you!

Sisterhood UNITES US TODAY

1 in 7 women and 1 in 600 men are diagnosed with breast cancer in their lifetime. Our Ladies' Day event and raffle will raise funds to support the incredible work of the McGrath Foundation. We value your support <3

Roo Girls

AROUND THE GROUNDS

"I got told... footy wasn't for girls.
That only made me want to prove them wrong."

Roo Girls

AROUND THE GROUNDS

Q: What do you
about female
footy?

"Raised in the clubrooms but never allowed on the field, I was the daughter of an A grade Coach in the 70s; female footy was a no go! That's why I'm so passionate about girls getting their chance today."

Jas Kirwin

(Social & General Committee member)

"I love footy and being a part of the club because it encourages me to expand my social connections, it helps me stay active and fit and inspires me to get out of comfort zone to volunteer and help out the community."

Emily Easey

(U16 Girls' coach & 2026 Women's Captain)

"I grew up loving a game in a time when I couldn't play it, so helping young girls (and boys) find their passion for footy is very special. Brothers welcomed my family from the moment we arrived in Rocky and I'm proud to be a Roo (and Joey)."

Cass Kirk

(Junior Coordinator)

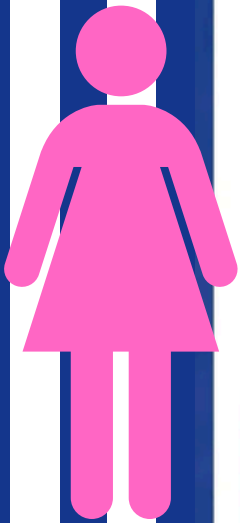

Here's to strong women. May we know them,
may we be them, may we raise them.

The Roos were the **first club in Queensland** to sign AFLQ's Women & Girls Charter.

We are **committed** to ensuring increased participation for local girls and women, and equal access to a quality training, playing and social experience.

Kangaroos Brothers AFC

Women & Girls Charter

Brothers AFC acknowledges the importance of promoting gender equality and fostering an inclusivity through participation in AFL as players and supporters.

Article I: Vision and Mission

Our vision is to create a vibrant and inclusive AFL community where females of all ages thrive, excel, and contribute to the growth and success of the sport.

Our mission is to promote female participation in AFL for all ages through accessible programs and equitable resourcing to develop skills and foster Sisterhood.

Article II: Commitment to Equity and Inclusion

We are committed to creating a safe and respectful environment that prioritises holistic well-being of all participants so they can participate fully in AFL.

We will actively challenge stereotypes and discriminatory practices, and champion diversity and inclusion within our Club and broader AFL community.

Article III: Development and Support Programs

In partnership with relevant stakeholders, we will establish and maintain development pathways tailored to the needs of female participants, for skill acquisition, leadership development, and career progression within AFL.

Article IV: Review and Amendment

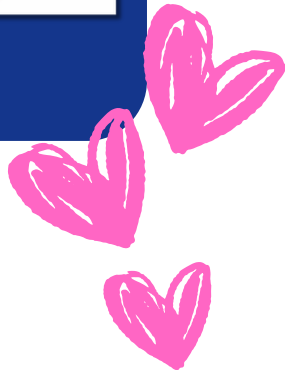

This charter will be reviewed periodically to ensure its continued relevance and effectiveness in achieving our goals and objectives. Feedback will be sought from members and other relevant stakeholders.

Amendments to this charter may be proposed by any member of the organisation and shall be subject to approval by the appropriate committee or organisation.

In adopting this charter, Brothers AFC reaffirms our commitment to promoting female participation in AFL across all age groups and pledge to work towards collectively building a more inclusive and equitable AFL community that celebrates the diversity and talent of all its members.

Change room project

Planning is well underway for our new changerooms!

This project was successful due to our **thriving female participation** and support of other community sports and schools who value diversity!

Works are scheduled to commence in 2027.
