Under 11's

In respectful memory of the great Lou Richards ... below are some of the famous names coined by Lou in the 70s & 80s. (see at end for the answers)

- Lethal
- The Flying Doormat
- The Macedonian Marvel
- Superboot
- Hungry

Now the under 11s. The kids had a super game against Glenmore last Friday night. Zac JOYCE played his heart out, with great marks, super goals, knocked down, magic water, up, more tackles, bumps and goals. Super game, and a Roos star of the future for sure. Also having a great game was Caden Ruff, who in his first year of aussie rules is killing it. He is fast, has great hands and a natural footballer.

With each game this group is getting better and better, and they play with a super team spirit and love of the game. The great attendance at training is certainly paying off.

The photo is the under 11s last Friday night, smashing out the 'We're from Brothersland'. Whats lacking in harmony is made up with great gusto and volume. These kids will know our Club Song word perfect by the end of the year, I assure you !

Brothers Guess Who?

On Saturday I spoke with both Peter YOUNG and Scott SMITHWICK. Scott routinely gives me ideas on how to best engage the kids at training, and so far so good. After the school holidays I look forward to having Peter take a Tuesday training session, particularly to use his massive experience in demonstrating and coaching in correct kicking. Scott also is very keen to help out, so I am keen to utilize both men to ensure our Roos under 11s get the footy skills that no doubt will stay with them for life.

A big shout and thanks to all the people who turn up and 6.30am on game day, and spend most the day making sure that we all have a great day at the footy. There are too many to name, and for sure I would accidentally leave a few people out. THANK-YOU !

A FEW MORE GREAT QUOTES:

Under 13's

Last week saw a fantastic improvement on our round 3 performance against the Swans at the start of the season. After a few nerves in the first quarter our effort lifted and our second half was fantastic. The final quarter saw us really begin to gain some momentum with the ball consistently in our forward half.

Michael McC looked really dangerous in front of goals and finally got a couple between the big sticks. A couple were a bit wayward and we were all left a little disappointed he didn't add to his tally. Practice, Practice, Practice. Zac S also started to look like he was finding the ball in front of goals, just couldn't kick the long bomb...yet. The rest of the forwards were a little quite on the scoreboard but despite that we got the highest score against Yeppoon by any team so far this year.

There was no great standout performances just a team working really hard to do their best. We saw some great defensive effort by the likes of Mitchell O and Reggi. Tyler was given the job of limiting one of Yeppoon's best and tried hard. Tom, Jock and Ernie did well in the midfield against pretty solid opposition. Psalmoi got really involved when switched into defence and played well. Our U11's Jack, Will and Logan also put in a big effort.

Women's

A great finish to last week's game with three goals in the last quarter against Yeppoon. An outstanding effort for the whole team with a few stand-outs of Chelsea Carroll, Katelyn Lynch, Alexis Williams, Leilani Bryan, Allira Spencer and Victoria Fay.

At the beginning of the season, a list of goals made by the team were set. One of these was to win 3 out of 5 games in the first round. Although we didn't quite get there in the first round, it has already been accomplished going into Game 4 of Round 2 as the girls have had a consecutive three wins this round.

This week the women play against Panthers, we know this will be a tough game but I have hope that the ladies can play their best and come out on top showing our level of ability and skill against one of the harder teams in the competition.

A few of our newer players found the going a bit tough against really strong experienced opposition But they can hold their head high, I asked our team to do better than last time and they did. Not only did we achieve the highest score against Yeppoon U13's this year but we also limited them to one of their lowest scores. We are closing the gap, half a season to go!

We had another new addition to the team, Daniel. His parents came from Clermont to watch and he did them proud. I have some work to bring the skills of our new players to a higher level but the effort our new kids like Tylor, Amelia, Ainsley, Zack and Daniel was fantastic.

There was off-field success also as we had new parent helpers both behind the scenes and on the coaching team. This is truly appreciated. It is a long day for some families who start with the U13's and are still there at the end of the day for the Women's game. Any little bit helps.

As mentioned last week, on any training or game day there is a long list of jobs needing to be done for each grade. For us we could do with runners, water people, goal umpires, trainers as well as help in the canteen on game day (and almost as importantly, sponsors). Let me or Sarah, our Team Manager know if you can give up some of your time.

Seniors

Continuing the upward trend. The goal of never taking a backwards step has continued with better margins between each team we've played so far in this second round of footy. Going down to Yeppoon last week by around 134 is a 136 point turn around from our round 2 efforts against them when we lost by 270 points! During the second quarter last week we managed to kick 3 goals in a row with myself missing a possible fourth! That quarter we only lost by 10 points against the top of the table!. Some great defensive efforts by Lachlan Bethune and Jarryd May caused Yeppoon to share around the goal kickers unable to rely on their sharpshooters. Today we welcome back Jacob Carroll from his stint playing Rugby League, great to have Jacob back for todays clash.

To

Continuing this upwards trend we will be aiming to get within 20 points of Panthers in todays clash. I know the boys are capable of this and we can all feel the belief building in the playing group.

Another great win last week by the under 15 boys against the swans.

Last time we played panthers we unfortunately went down by a similar margin to last weeks game against the swans. With the improvement the boys have shown so far this season let's hope they can cut that margin back and have a really good game of footy!

RESERVE GRADE POUCH ROUND 9

A full team.... wowzers! Haven't had one of those for a long time. Certainly, it's a far cry from this time a week ago when it was a case of begging, stealing and borrowing to ensure that we gave the top side a game of footy. Scoreboard wasn't exactly a sight to behold for the Blue and White, but at least the players who took the field didn't back away from the challenge even if in so many ways it was beyond our capabilities.

This week is a new week, with different challenges against an opponent who will be just as desperate to maintain their hold on a top 4 position. With so many answering the call this week, one would imagine that the task would be somewhat easier than normal but over the 24 seasons the family has been involved with the club (my old man started here in 1994, and none of those years have been spent next door to Alice) I've learned that expecting wins with a full squad doesn't often translate from the realm of fantasy into reality. Therefore, hard work and full concentration is a must for us to double our win tally for the season. Literally turning up expecting something to happen will result in failure as 17 men wearing sky blue rugby league jumpers will attest to.

On a personal note, this will be arguably the biggest test I've had to confront as a coach since I've taken on this role in March. Naturally the dream was to be able to worry about the coaching side of things without having to worry about pulling on a pair of boots and try to get enough kicks to bother the fantasy scorekeeper. This will only be the third time that I won't have to play this year when I've been present, and with the squad at my disposal I can actually make some moves without being selfish. The personal challenge will be to not only satisfy those who are playing in terms of time on the ground, but also not to confuse them in terms of what I want them to do, and it's something I'm looking forward to.

Unfortunately, I'll again be absent for our next home game in 4 weeks against Gladstone (rep game next week, then 2 away games) as I'll be in Cairns to see the defending premiers (yes it's still taking this long to come to terms with saying that) play the Suns and perhaps even congratulate past players on their matrimony should I see them (congratulations to Matthew and Krystal Pollock who are honeymooning in the US). Rest assured I'll again contribute to The Pouch a temporary replacement will be required and named in coming weeks. This is a commitment that I had made well before taking on the position of reserves coach and I'm thankful that I'm able to do this without feeling guilt. I'll also be on the Gold Coast next weekend to notch up marathon finish number 12, so no weekend off for me!

Under 17's

Always a hard match against swannies whether home or away and with many out or playing sore from the previous matches. Not a heap of positives to take out of the match other than best player performances with Owen Harrison playing well rotating through the middle getting 2nd best. Lewis Bartlem had his best game by far and was rewarded best on ground for his spectacular pressure on the opposition and crunching tackles having a few spectators asking "where he learnt to tackle like that!".
