## Cluster Day

**Thank you to all our Joey's families who helped make the cluster day such a great success. We showcased to all the clubs that Brothers AFC is a great club to be a part of. The numbers we have in our junior teams is a promising sign for the future.**

**Thank you to the coaches and managers of our Under 7's, 9's and 11's who volunteer their time every week to support the development of our Joey's skills.**

**A big thankyou to everyone who came down and supported the children and volunteered their time on the day. We had over 250 kids playing our great game!**

# PRESIDENT'S REPORT

Wow What a month we have had at the Club.

Will all teams doing well it looks like we will have 5 out of 6 teams playing in the first round of finals. This is great for the club. Please get out to the games and support out players through these final three rounds.

Last weekend Brothers played host to Cluster Day. Cluster Day is a Gala day for all the Sub Juniors in the region to come together and play each other. We had 6 clubs, 18 teams and over 250 kids playing the game that we love. The day was perfect, and went off without a hitch.

Thanks to our many volunteers on the day, also a big thanks to Crescent Lagoon State School for the use of their Marquees, it was great to have shade for our young and aspiring Joeys to stay cool.

We had 16 under 7's with Coach Pam, 18 Under 9's with Shimma and his great support team and Ian had 20 Under 11's on the day. All teams played well and it is great to see the strong numbers. the kids had fun playing against Yeppoon, Gladstone, Boyne Island, Glenmore and Panthers. It was a great day with loads of talent on show.

10 points - 20 minute recovery walk with partner/dog

30 points - Yoga session

10 points - 1k a day

We have had some great things happening to some of our players. Brandon Waine in the Under 15's is part of the Gold Coast Suns Academy. Brandon spent last weekend in Cairns training and working on his skills. Brandon was lucky enough to stand on the field as part of the run through for the Suns v Bulldogs game.

Hatcher Cook in the Under 7's won a trip of a lifetime. He got flown to Gold Coast and got to play Auskick on the field at the Metricon Stadium.

On another note the club has been successful in a Grant application for new Coaches boxes, Thanks to Michael Rose for his hard work on this.

Thanks to Jimmy our wonderful Gate Keeper who came in during the week and replaced the floor in the timekeeper's box, this has been need to be replaced for some time.

Pam Waine—Club President

## Under 7's

Hi Guys

We are almost at the end of our Under 7's season. It has been a fabulous journey I have had coaching these young boys and girls. I have been great to see the improvements these children have made over the past 12 weeks.

Last Sunday we had cluster day and it was great to the strong sea of Blue and White for our Under 7's, we had the largest numbers of all the clubs with 16 young kids turning upon the day playing 4 games against all the other team in the area.

I cannot stress how proud I am of these kids, it was a hot and day not one child complained to me and they all kept playing their hardest and all the children played in the spirit of the game taking turns playing for others teams who did not have many on the day.

Date Claimer for the 1<sup>st</sup> September for the Joeys Presentations. It will be held the at Ten Pin Bowling centre on Musgrave street at 5:30pm. More information to come

Coach Pam.

### Under 13's

What a difference a few weeks makes! I am very proud to see our collection of individuals become a team over the past few weeks and especially to see the development of some of the newer kids. We always knew we had a few skilful kids that have played for a number of years, and they have been talked about plenty and continued to deliver consistent effort and improvement every week. The likes of Ernie, Psalmoi, Jock, Tom, Zac, Rhys, and Tyler. I mentioned Michael McC last week, and he kicked another bag of 4 goals against Gladstone to move into 5<sup>th</sup> on the goal kicking list.

But what I believe has made the main difference to our team is the rapid improvement of the newer kids. Their performance over the past few weeks is a credit to the effort they have put in.

Zack Jones was fantastic as the key forward grabbing a number of contested marks and he had four set shots. We have a little work to go on his accuracy! Seven weeks ago Tylor had never played and didn't know the rules and has learn the hard way giving away 50m penalties, centre square infringements etc but he is excited to be here, gets in and has a go. What more can you ask. Lincoln is another that brings a level of professionalism learn from another code that not only influences our game day but also improves our training, he is the quiet achiever putting in one good game after the next.

Last year Xander was an U11 playing up in the U13's. He showed some glimpses of brilliance as a "goal sneak". He was unlucky to miss out playing for the U13's in last year's finals, this year after a few positional moves to try to find the right spot he again showed some of last year's brilliance in front of goals last week and looks to have locked down a forward pocket role.

Mitchell O is proving to be very solid as the full back and will definitely get a work out this weekend. Our newest recruits, Ainsley, Amelia, Ellyssa, Dan and Jimmy are learning very fast. Only a couple of weeks ago we had dancing hands and squeals if the ball came their way, and I'm not just talking about the girls!

Amelia's game against BITS was excellent, Ainsley is super tough and super competitive every game. There is a very competitive nature hidden just under Ellyssa's surface despite the pretty colours and "Unicorns who poop rainbows" paraphernalia. Dan and Jimmy are learning fast and just want to get their hands on the ball.

This week will set the scene for the rest of the year. We play the undefeated Swan's. We were beaten very badly both on the score board and in our heads when we played them in Round 3. In Round 8 we closed the gap and we started to plant the seed that with a bit of improvement we can challenge them. We held them to one of their lowest scores, but we only kicked 2 goals. This week I will ask for the same effort from our backs but give our forwards the task of doing much better.

Thanks again to all the parents who are helping out behind the scenes, a few wins has certainly brought a few more smiles to the team and club.

Scott Szulc

U13 Coach

## Women's

Last week the girls gained another win under their belt. Playing against one of the most aggressive teams in the competition, the women did well by keeping them completely scoreless while suffering heavy hits and blows by the Gladstone girls. The women have almost guaranteed their position in this year's finals with their win on the weekend, achieving another one of their goals that were made at the beginning of the year.

This weekend the girls play Yeppoon, hopefully the Sisters can solidify their position by getting another win. Unfortunately, 4 of our players

ers are away with the Capricornia Representative Team which means we have to work even harder with fewer numbers. Although, on the bright side, many of the Yeppoon girls are also travelling away for the representative team which means both teams have an equal chance at playing good footy.

## Seniors

As the season draws to a close we find ourselves in unfamiliar territory. The effort the men have put in this season has been rewarded with the possibility of playing finals football. A feat not performed by the A grade side for over 5 years. I cannot be prouder of how the boys have conducted themselves both on and off the field this year, the commitment shown by them has been outstanding. Today marks our third game against the competition bench mark and with a 130 point improvement made last game against the swans, the new look side has some big shoes to fill!

Key outs all over the ground today due to various commitments will give some of our younger boys a chance to play consecutive A grade games and push for their spot in the side during the final two home and away rounds. I unfortunately, am also away today at a friends wedding but I know the men in the blue and white will do you all proud with their commitment to the ball and their application to the game plan. Massive couple of weeks coming up and with finals footy on the verge, highly pressured selection through games and training will finally become a real process!

Thank you Michael Rose - Brothers Kangaroos A Grade Coach

## Reserve Grade

Yes folks I'm back on deck this week, and after last week's defeat at the hands of Gladstone it's time to face to the challenge of Yeppoon. There's little doubt that the task ahead will be tougher than what the Queensland Labor Party after the 2012 state election, but unlike a few other clubs this season at least we'll send out a team to face the challenge like a true team should. We're also not like Senators in that every player is registered to Brothers AFC and not another team!

From my perspective, the result today is like "Whose Line is it Anyway" points (they don't matter) so even though we'll have a few plans to try out I hope everyone who takes the field today in the blue and white jumper plays with some freedom and confidence no matter how tough this task is going to be. With the ladder as it is winning the last 2 games with some help from around the league may even see us sneak into the 4, so for us this week is the best training session testing ourselves against the premiership favourites.

With my final Pouch entry in a fortnight being dedicated to stories from the past, this week is a good opportunity to give appreciation to the efforts of those who have made contributions to Reserve Grade footy for season 2017.

Team Manager Chayla Cox, her 3rd year in the position and probably as organised if not more than the coach is!

Every person who has performed in the role of water carrier and runner. Most of these roles are filled by kids who aren't that far away from being eligible to play at this level themselves

Col May for strapping the many ankles, shoulders, knees and whatever else gets patched up

The committee for giving me a chance to take on the position

Brad "Frex" Matheson and Michael Griffin for deputising for me whilst I was halfway around Queensland or the World.

The many players who have pulled on the jumper including a couple of new faces this week, particularly in the early games where finding players let alone implementing plans was mission impossible. Special thanks to the parents of the Under 17 players for allowing them to be a part of the experience. I'm sure we'll all be back again for the remaining weeks of the season, and into 2018

The umpires (all disciplines) for putting up with us for a couple of hours every weekend so we can run around to try to discover our glory days

Senior coach Michael Rose for bringing something different that the club certainly needed

The Lord for making it all possible (I'm not that religious but I'm sure he warrants a mention)

Mick Jeffrey

Reserve Grade Coach

P.S: I was not in Cairns last week handing in CV's or resumes to the Gold Coast Suns or Western Bulldogs, so that rumour is nipped in the bud. I am also not the mediator or arbitrator between Cricket Australia and the Cricketer's Association. Finally, I have no intentions of applying for South African citizenship, as that is the only country other than Australia I have spent time in, for a period of 5 days.
