"The most affordable sport in Capricornia"

Dear Sir/Madam,

My name is Cameron Wyatt and I am the President of Brothers Australian Football Club, Rockhampton. With more than 220 registered players, the club has grown exponentially in its nearly 40 year history. Our youth team enrolments are growing rapidly and in 2018, several have been selected to play in regional and state representative AFL teams.

Brothers AFC has a large team of industrious volunteers whose time and efforts contribute much to our on-field success. We are proud of our family-friendly environment and the strong spirit of our club members.

There are, however, many expenses connected with running the club and we rely on funding from fundraising events and the support of local businesses. While any amount of assistance is greatly appreciated, included with this letter is a brochure outlining a range of sponsorship options, all of which are vital to the longevity of our club.

We appreciate the support of all local business and can work with you to tailor a package. In accordance with your contribution, your business can be acknowledged through off-field signage, on player attire, recognition in our publications, social media or electronic scoreboard, or entry to game days and special events.

I welcome the opportunity to discuss sponsorship with you further.

Thank you for your consideration,

Cameron Wyatt
