Presidents message – Pouch 2018

Presidents message.

Hello all,

Well it's great to be back home, after a few weeks on the road.

All teams have posted wins so far this year, which is great to see. A special mention to our under 13's team, who have really improved and notched up their first win against Glenmore.

From a club level, I am really pleased to see pride and respect shown on and off the field over the last weeks.

The club is keen to support all members, and over the coming months, we have a full calendar of events and activities. Refer to our social calendar within the pouch.

Optus have come on board to sponsor the Joeys. This is well deserved, and a credit to all the hard work from volunteers, coaches and organisers for the Joeys.

We have lots of players throughout our u7's, U9's and u11's grades and the future of the club is looking very bright.

Finally, congratulations to Ernie Tull, Tom Hutchison and Xander Stoddart who made the u14's Cobra's squad.

Enjoy the day.

Cheers,

Cameron Wyatt

Under 13's

It's been a few weeks since a home game, so below is our adventures over the past 3 weeks.

Game 4 – Roos v Panthers. We went in with hopes of our first win, however with 8 players unavailable, that became a too big a mountain for us. The score didn't really reflect the contest, and whilst Panthers deserved their win, we had patches of good play and again our backline stood up strong. Caden Ruff was B.O.G. and did one of the best dive smothers you'll ever see !

Game 5 – Glenmore v Roos. **And there is it !!** First win of the year, and smashed that song out !! (see below photo) Seriously **there was not one player on the park that did not contribute.** Some played the best game I've seen them play, Ellyssa, Mason, Bryden, and our team work was just brilliant. Handball, handball, goal ! more than once. The many many hours of commitment to training is starting to come through on game day ! The key to the win was clearly increased effort, desire to get the footy and TEAMWORK. There were patches of brilliant teamwork. We all enjoyed the win, but know our biggest challenge of season is next week. BITS at BITS. We were convincingly beaten by 100+ when we last played. The BITS game will no doubt be our yardstick on progress.

Game 6 – BITS v Roos. We knew this would be tough after our first encounter, and our goal was to restrict any possible loss to 50points. The players responded beautifully and the final winning margin was 51points – SO CLOSE, but we agreed that is a big tick. A massive improvement from game 1, and it was only the first quarter that got away from us. Jack was excellent at the back, with good assistance from Rhys and Tommy, and Ainsley, Brandon and Tyler in the middle. The players have all completed fitness testing, so now it is up to each player to see how much progress they can make. We'll find out at the end of the season - wink.

Women's

After a couple of tough road trips the Sisters are looking to bounce back into winning form against the Muddies today. Last weekend was a very tough hit out at BITS with the bare minimum available to field a side. Well done to those that made the effort and really dug deep for the 4 quarters! We are getting used to running out full matches with no subs which will hold us in good stead come the back end of the Season.

Our ladies were successful against Gladstone in the first round of home and away, however, we have seen most clubs field different sides from week to week with today probably being much of the same. This makes all matches hard to predict so a full effort from all of our players will be needed to be successful today.

With the season approaching the half-way mark, the Sisters are just out of the top four but expect to move back in after this weekend. Our run and carry game is improving week by week and is fast becoming a vital strategy in our game plan. This requires improved levels of fitness which is building at a steady pace.

If we stick to our team plan and play for each other I believe we should be back in the winners' circle today. I am hoping for a close, hard fought game against the Gladstone team but am quietly confident of a win.

Go Sisters!!!

Reserve Grade

Hello to everyone in Rooland again. It's been a couple of weeks since our last home game. After having a great come from behind win against Panthers we fell just short against Glenmore the following week. Last week we traveled to Boyne Island and showed some really positive signs. Unfortunately we were without a few key players through injury or work commitments but still showed enough to be excited. We started slowly in 3 of the 4 quarters but came home the stronger team at the end of each quarter. If we can keep that intensity for the whole game we are going to be competitive in most games. I was happy to see the 2 new blokes Boyd Duncan and Sword laying a few good hits. As usual Gaz and Whippet got plenty of the footy and Jacob Carroll did what he does best for us kicking 8 goals. It was also a great effort up forward by Kris Davies and Scott Smithwick. Thanks to Foo for doubling up for us. There's still a bit of run in those old legs yet. Today we should have a fairly strong team and I'm expecting a tougher contest against Gladstone than last time we played them. They've shown some improvement since then beating Glenmore and narrowly losing to Panthers. Good luck to all grades today and Go the Roos.

Cheers JD

Seniors

These last few weeks have been tough for the A Grade squad. Injuries and various other setbacks have seen us have to battle it out against very tough sides in what was (according to them) the strongest Glenmore and B.I.T.S sides they've had this year. The boys covered a lot of kms against Glenmore but couldn't compete in the end. A few tweaks to our game plan saw us keep B.I.T.S goalless for the first 15 minutes of the game, proving we can compete with the best. Unfortunately we were unable to run it out for the duration and fell apart moving the ball through the middle of the ground. On a positive note, the boys have kept belief and their heads high after these massive losses, a true testament to the character they are building.

*As a reward for their resilience, today finally sees our strongest side take the field. We welcome new recruit, the Adonis, **Luke Faulkner** to the roo boys, an old team mate of **Piggy's** and a retiree from the great Mayne Tigers. These guys together with our League leading **Brayden Anwyl** and all the boys taking the field are sure to put up a great contest against the Mudcrabs today. Unfortunately I am away today running for the state under 18's girls in Perth. I'll be sure to learn a few things from the head coach Craig Starceovich to bring back to the club!*
