## Presidents message – Pouch 2018

Welcome back to Kele Park for Round 10 – Kangaroos v Bulls.

Over the past couple of weeks, we have seen mixed results. However, we continue to see improvement across all grades, which is great to see.

We have the next two games at home. As a result, the next couple of rounds are important to many of our teams, particularly if we want to play finals footy.

There will be plenty of events coming up, with the Optus family day on Thursday, the unveiling of the new electronic scoreboard and Ladies Day next weekend (30 June 2018). The club has started raffles at the Giddy Goat. Each Thursday night from 7:00pm come along and enjoy the food and beverages of our major sponsor.

Don't forget that TC Memorial Day is only a month away (28 July 2018). I'm looking forward to seeing present and past players, supporters and volunteers come along to make it a great day.

Good luck to all the grades today, the Glenmore Bulls always provide a good contest.

Go Roos,

Cam Wyatt  
President

**Hometown:** Rockhampton

**Occupation:** Teacher

**AFL Team you support:** Brothers

**Favourite food:** Doritos

**Favourite holiday destination:** Anywhere but here

**In your team, who reckons they can take a speccky?** Katelyn Lynch

**Who fancies themselves as the best dancer?** Whitney

**Best joke:** Looking in the mirror

**Best sporting moment:** Taking my first mark

**Why do you play for Brothers?** I was inspired by the leadership and passion of Rosey. Thought I would give it a crack!

## **Under 13's**

**Game 7 – Roos v Muddies.** Our round 2 clash with Muddies was a tough and competitive game in Gladstone, we went down by @20p. There were signs there we could match Muddies, so we went into this game confident of an improved performance. I asked for an increase in INTENSITY. Our first quarter was brilliant, the only issues was failure to convert to points to show this dominance. However quarters 2 & 3 were certainly Muddies, and they went into the final stanza with a strong lead. However, the team responded brilliantly in that final quarter. I little give from Allyssa to Caden (probably practicing at home in the loungeroom) and we were away & that INTENSITY I ask for bubbled to the surface. A number of enthusiastic goals followed and then we were in front – possibly a little shocked – but in front. Almost on the siren, Muddies were goal bound (to win) and a defender got fingertips to a ball about to float through for a goal – touch - BEHIND, siren, Roos win !! It was a game where a drawn would have been fair, but we'll take it (wink). The backline again was very strong and disciplined with their marking of players, Logan, Jack, Tommy, Mitch and Bryden. Amy played her first game for Roos & she showed that she is going to be force to be reckoned with. Good to sing that song again.

**Game 8 – Swans v Roos.** Ouch, this game hurt. Yeppoon way too strong, and seemed like everything went against us on this day. Just one of those days. Some good things can bubble through in such a defeat. For a Team with a several heavy losses, I saw, no head dropping, sniping, blaming, just giving it a good crack, and supporting each other. Hopefully with ongoing commitment to training things will turn around.

### **Good Quotes to keep in mind:**

- 1) better I practiced, the luckier I got.
- 2) train hard, win easy.

**All players and  
supports are  
invited to the Sun  
Palms after the A  
Grade game  
tonight for dinner  
and a drink.  
See you there!**

## **Quick hands** **with the forwards** **U13's Amelia Hopkins**

**Nickname:** Millie

**What team do you support?**

Brisbane Lions

**Favourite player?**

Jonathan Brown

**Favourite subject?**

P.E because you get to run around

**Favourite holiday?**

Gold Coast for the theme parks.

**Why do you play for Brothers?** To be with my mates and have a good time.

**Favourite football memory?** Last years game at Boyne Island, it was great, I kicked my first point and we won!

**Best and worst thing about being a forward?** You get to kick goals but it's boring when the ball is up the other end.

Jack Brazier has been training with us almost all season, but played his first u13 game and was a standout, taking the best for Roos award. Brandon also had a strong game. The forwards didn't see too much ball (0-0-0), hopefully we'll worry the scoreboard against Panthers (wink).

**Game 9 – Panthers v Roos.** With no bench, **the team toiled very hard in this game, and probably was the best effort of the season from a coach's point of view**, although the scoreboard didn't reflect that. Jack Hutch was super at fullback taking some great above the head marks, and Mitch and Tyler were also very strong. We will continue to train hard & who knows what might happen!

cheers

Ian Hutchieson

u13 Roos Coach

# FLIGHT CENTRE®

Flight Centre Rockhampton (Shopping Centre) has partnered with Brothers Australian Football club to provide great travel service to all of our members. Ask for Jaime, Ebby or Nic for a deal today and a percentage will go towards an account for our club. At the end of the year Flight Centre will provide us with a travel voucher to raffle off or use towards any applicable travel needs of our representative players. Thank you

## Women's

After a very intense game against Yeppoon in Round 8, which the sisters won, they played the benchmark team last weekend at the Cricket Grounds. The girls played a very well fought game against the panthers ladies, keeping them under 50 points. The previous match against panthers saw the girls go down by 70 so we are most certainly improving as a team and working well together. It is great to have Sara-Jane back from injury, she makes a big different out on the field which has been shown in the two games she has played.

This week, we hope to improve from our last result against Glenmore in Round 5, which the sisters lost in a nail biting game, only a four point loss!

Hopefully the girls can play like they have been playing recently and get the win!

Tim Carroll

### Reserve Grade

Hello again,  
We'll its been a couple of weeks since our last home game where we had a great win over Gladstone. Since then we have travelled to Yeppoon where we matched it with them for the first half before running out of legs. We proved once again we can match the intensity and stick with the top sides in patches. We just need a bit more fitness to do it for the whole game. We had another hard fought win over Panthers last week. Our back line stood up yet again while our midfield got heaps of the footy. The forwards also did a great job given we lost Luke and Jacob to injury. Andrew Sculley playing off the bench and Bendy roaming around the backline gave us a bit of experience at crucial times when the game was in the balance. Today we are expecting another tough game from Glenmore. Having lost by only 2 goals last time we met. I am hoping to turn it around today. We have a solid team who I think can get the job done if we play the way we played in the first half against Yeppoon. Good luck to all grades today.  
Go the Mighty Roos.  
Cheers JD

## Seniors

It's been a very disappointing few weeks on the field going down to Yeppoon by over 200 and then taking another big loss against the "within reach" Panthers. What we feel we have and what we are able to produce consistently have proven to be two very different things. A 6 goal third quarter against the panthers was meant to be the boost we needed to continue on and run away with the game but we were unable to continue that level of pressure and attack. What has been disappointing on field has not transferred to bitterness off it. I'm very proud of the way the boys have gone about their football these last two years. Getting around each other and learning to push through these hard times together is a valuable team building experience. We will be looking to try a few different approaches for the remaining games of the year in an effort to hit the ground running come 2019. Ian and Dianne Wolfenden have kindly offered to run breakfasts outside the Southside pool on a Sunday morning from 9:00am in an effort to promote recovery. Players can go through a recovery session in the pool while their families utilize the playground facilities outside. I'm hoping this is something we can stick to and continue into next season. Injuries and unavailability's have been the telling point of this season. An improvement in this area will be sure to see better results on field. I look forward to a good hard contest today, if we can play four quarters of football who knows what can happen! We welcome back Connor West from a 6 week absence today. His presence is sure to boost the boys today.

Michael Rose
