Ressies Weekender

Issue No. 002

Exclusive

Dino - how a four day festival pretty much undid an entire pre-season leading into round one.

Wade: 32 minutes on the ground over 3 games. What my short time in football taught me about life, leadership and culture.

Questionable flashbacks -

The time Griffio kicked that torp from 50 to win the game.

Shredder - The real reason I can't make training

Troy Burnett Exclusive: The overwhelming guilt that resides within when a team mate asks you to leave their establishment.

Irish and Sammy P.
Drinking the club back into profit since 2015

Senior - The wife whisperer how to explain to the wife that you are good for another season

Garry Gillespie - The internal torment of a dual seniors player. "Yeah, nah, it's hard being in your seventh consecutive quarter of football and watching your teammates sinking a few tinnies in the stands."

Mysterious illness #32

Having the "flu" the morning of an away game in Yeppoon.

Training Tips with Schofield

How to have the highest attendance rate and lowest meters covered simultaneously: "The trick is to walk in early holding your shoes, and always let the coach know you've got some special stretches the physio gave you while holding the fence for a few basic leg swing while the boys cut a lap."

Sammy P: "I thought what happened on the island stayed on the island". An official apology for pre-season behaviour

Next week's edition. Editors comment - how can I produce a magazine when the team keeps changing from week to week.

Committee 2018 and looking towards 2019

The committee is likely to see some changes, moving into the 2019 season. If you are interested in nominating for one of the committee positions, please let members of the current committee know.

Volunteering is rewarding and you are making a real difference in helping the club achieve its goals. This includes ensuring that the club is financially sound, that teams are on the field each week, that the canteen is open and operational, ground and facilities are maintained, the list goes on.....

Very little experience is required to undertake a lot of roles and there are always people to offer advice and assistance. It also looks good on one's resume to undertake work that supports a community club.

Without a committee and volunteers, our kids and seniors sides cannot take the field. If you think that this is something you may be able to assist with, please let a current committee member know. There is the great satisfaction of seeing kids enjoy their footy, families proud of being part of a great club and the mighty Roos continuing to be proudly promoted through our community.

President's message – Pouch 2018

Welcome, all current and past players, coaches, volunteers and supporters to the 10th Anniversary – Tony Clifford Memorial Day.

This year marks a milestone with the 10th year of the Tony Clifford (TC) Memorial Day. This is the one day in the year where we all gather at Kele Park, united by a club that has brought us together in one way or another. This day is named after the man who was instrumental in the formation of the club in the early years. While the day is named in honour of Tony Clifford, everyone appreciates the efforts of the entire Clifford family and all the volunteers, players, coaches and supporters over the 37-year history of the club.

TC Day is about bringing everyone together to reflect and remember all of those who have been with the club. Great family names like White, Broomhall, Uebergang, Matheson, Trinca, Smithwick, Anwyl, Scully, Dunne, Laycock, Carroll, Clifford, Donovan, West, Jeffery, Davey, Shackleton, Lynam, Pollock and Hopkins, just to name a few!

Personally, I've been with this great club for 16 years and very honoured to take the president's role. There has been a great foundation left by previous presidents and committee members, and I would like to thank everyone who has been involved. We have achieved so much: a coach's box, internal clubhouse upgrades and a new electronic scoreboard. In addition, we have had some great sponsors come on board such as the Giddy Goat, Sun Palms, Optus and the continuation of sponsorship from Hopkins Brothers, McHugh's pies and Jolt Café. The club would not exist without the support of our sponsors.

Last home game was Ladies' Day, and the setup was fantastic and very creative. Thank you to Greta and Michael for putting together such a magnificent event. The standard has been set very high for next year!

Congratulations to the girls who recently were chosen for representative teams. Zeckeisha Oakley, Holly Clarke, Alexis Williams and Sara Jane O'Grady will represent Northern Queensland at the State Championships. This is the most from any club in our region. Zeckeisha was also selected for the under 18's QLD women's team which defeated the Vic Metro team and will attend the Suns Academy youth squad (Coffs Harbour training camp). She will be joined by team-mate Katelyn Lynch.

The club is hosting the first semi-final on 11 August 2018. Even if you're not playing on the day, please come down and support the club. We will need lots of volunteers.

This is a great family club, whereby great mates have been made, and great times have been shared.

Enjoy Tony Clifford Memorial Day 2018,

Cheers,

Quick hands

with the volunteers
The Registrar

Name: Sue Uebergang

Hometown:: Evergreen - a country district - an hour from Toowoomba

Occupation: Scrapbooking Consultant / Volunteer for various organisations

Position in club: Registrar

Years involved: 4 years as Registrar, socially when Scottie played a long time ago, and then general helping out for the last 10 years while my boys have played junior footy

Reason for joining Brothers:

Scottie was playing for Brothers when I met him, so there was only one place to go when the kids started playing

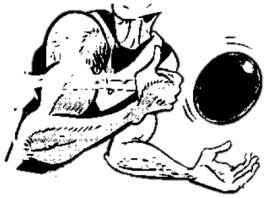

How did you get involved with the

committee: I usually end up on the committee wherever the kids are involved; I can't help myself!

Favourite footy memory: Social nights at the Rowing Club with T.C. behind the bar.....after games at Vicky Park

Most proud Brothers moment: The honour of being voted "Top Roo" last year.

Quick hands with the volunteers The Secretary

Name: Kate Pollock

Hometown:: Middlemount

Occupation: Quality Assurance

Position: Secretary

Years involved: 2

Reasons for joining: My family have been involved with the club for a long time. My dad coached and my brother Matt played here.

How did you get involved with the committee: Frex asked me if I would give them a hand. I wanted to help the club in any way I could.

Favourite footy memory: 2010 grand final is definitely one of my best memories. The atmosphere was electric!

Most proud Brothers moment: That's a hard one! However it would have to be running on with my team in the finals last year. Also seeing both my little girls playing Friday night footy for the first time.

THANK YOU

It's difficult to just single out a special few because there are so many people who help out around the club. The following names are those who deserve a special mention.

Uebergang Family: what legends! Sue with registration, expert photography and organising around the canteen. Scotty who never stops running on game day, acts as the club handyman and loves a good fire. Their sons, Jack and Adam are always willing to put up their hand to do a job. Jack's fire drums will certainly get a workout tonight!

Pam Waine: the work Pam has done around the club has been fantastic once again, particularly with coordinating the Friday night Joeys and game day preparation. This is a huge task and once again she has shown the way. The future is very bright for our club due to the hard work of Pam.

Mandy Fay as the first-year coordinator of the canteen she has done an excellent job. Thank you to all her team, not only in running the canteen but in cleaning and preparing the toilets etc. for game day. These are vital jobs for our success as hosts.

Nora Fay: once again as the game day coordinator has ensured each home game runs smoothly and preparation for the day is complete. Starting very early in the morning, after working at the Brunny, Nora has shown commitment and dedication to this thankless task, despite the lack of sleep!

Jimmy Frenken's friendly face at the gate and around the ground always adds to the friendly atmosphere of game day. His demeanor demonstrates this is a great club and everyone is invited. His generosity in helping out with various jobs has earned him a spot as one of many of the club's valued volunteers.

Adonna Ruff and the physios: Adonna has come on board this year with first aid and physio treatment. Working throughout the day to ensure the safety of players is incredibly important, and Adonna has been exceptional. Also, thanks to Fiona Stoddart and Col May and med students Jordan and Alice, also filling in throughout the year. All the players appreciate their tireless work.

The Timekeepers: a special thanks to Benny W, Andrew Scully, Russell White and Russell Jacques for keeping games on track this year. Also, special mention to Benny who has undertaken line marking duties. I have never seen such great lines at Kele Park.

Social Media: through the work of Greta and Michael, everybody has been kept up to date throughout the year on Facebook, Instagram and of course The Pouch. I've received lots of positive feedback from people following the club, who appreciate being informed.

All players who undertook roles – boundary umpiring, goal umpiring, scoring, water carrying and runners - great work. Thank you to the junior central umpires being Jason Donovan, Mickey J, Gerald Hickey, Daniel Trinca and Peter Slee.

Special mention to Timmy Carroll who would often double up umpiring, and then go onto coaching the Women's team.

Thank you for everyone's efforts throughout the year. Without your commitment, the games wouldn't be possible!

Many thanks!

Cam.

Women's

Today should be a great hit out for the Sisters against the ladder leaders. Panthers have been displaying the form that deservingly places them at the head of the pack. This means that we need to match them across the park and play with the same intensity we have done in the last couple of weeks. Big wins against the Muddies and Swannies in the past fortnight have boosted our ladies' confidence and I think it's fair to say the other senior teams in the club. Our tackling effort has been great and will again need to be top notch this afternoon. With only 2 home and away matches before finals footy, we will be focused on building on our strengths including sharing the ball around and marking up tightly in defense. We need to maintain possession and minimise the turn-overs if we are going to be successful today. I am certain the emotion of our special occasion today on which we all bring to mind those club members who have passed will lift the girls. Whatever the result, I am sure they will give their best. Here's to a closely fought match which hopefully has the Sisters finishing on top at the final siren. Go Sisters!

Game 12 – Muddies v Roos.

This was a very important game for us, but unfortunately with 12 players away, this proved to be an extremely tough day at the office. The 11 players played their hearts out and in the circumstances was a really good performance, and I was very proud of their efforts, but just not enough for the win. It was just bad timing for Roos that this game fell on the last weekend of the school holidays, as our 2 prior games with Muddies has been very hard fought battles, and that top 4 spot was at stake. Any other game at that time would not have made much difference to our season, but that's the way the cards fall sometimes, and this time it didn't go our way.

Game 13 – Swans v Roos.

Another tough day, but was as expected when going to Swan Park. Defence was the order of the day, and the team was lead strongly by Mitch at centre half back, with strong games from Caden, Ainsley, Jack H, Jack B, Tommy, Bryden, Harry and many others. Sadly near the end of the game, Amelia copped a very strong bump and suffered a season ending broken collar bone. You wouldn't have known as she sat on the sideline - no tears, no noise, just focused, clearly in a lot of pain. Hoppy breeds them tough !

I've been looking forward to the T.C. Memorial Day for some time, and talk about it at training with the players and what it means for them and the club, and why it is important. I am very proud of the way this group have conducted themselves over the season. With only occasional victories, they have always played the game with respectful determination and spirit, been very coachable, good supportive team members, and their commitment to training is excellent. I am most certain that they have represented this club commendably, and added value to our reputation and brand. When young players are thinking about playing Aussie Rules, I hope that Brothers Kangaroo AFC is the inclusive and supportive club they want to join. To that end, our season has been a huge success!

A big thank-you to all the members past and present who have supported and represented the club, have a great day at the footy !!

TC Day. It's days like these you play football for. The history and the feeling around the club today will surely provide the spur the boys need to get their fourth win for the season. It hasn't been our most consistent year so let's hope we can at least finish strongly leading into the 2019 season. I'd like to take this opportunity to thank Benny Wynhoven (Salga) for his work as manager this season. He has done a phenomenal job making my life as coach much easier. Hopefully he can put the boots back on next year and provide as much help on the field as he has off it. Thanks also to Dan Trinca as captain this year. He shouldered the load on his own and has been a great advocate for his team during tough conversations. To all the old boys here today, my only wish is that you see a spirit in the side that was there when you played. We have definitely improved as individuals these past two years but have not had the consistency in players week to week to be able to make a legitimate push for finals again this season. We can feel it building and there are definitely exciting times to come. I'll also take this opportunity to let you all know you are more than welcome to come down and help out at training; I'm looking to expand the coaching group next year so if you'd like to become involved come and see me or Margie! Thanks also to my new wife Greta for everything you've done this year, you've been a great advisor and your words of wisdom from the stands are welcome each week! Have a great day everyone!

Reserve Grade

Hello to everyone in Roo land. Well it's that special time of year again for our club as we welcome back past players and spectators for what should be another great Tony Clifford Memorial Day. It's been a couple of mixed weeks for our Ressies since our last home game against BITS. We had a great win with our back line standing tall and probably proving the difference, helped by another solid performance in our midfield and forward line. After that, we travelled to Gladstone with probably our best team of the year to notch up a convincing win with every single player contributing. Then last week, we travelled to Yeppoon and though we were down on numbers, we weren't lacking the will to fight on and give it our best. I was especially proud of the boys who put their hand up to double up for A grade. This week we are expecting a few players back for the big occasion and hope we are competitive all game. Panthers have given us a good run both times this season and I expect no different today. I hope everyone has a fantastic day and we can get the win. Good luck to all grades today. Go The Mighty Roos!

Cheers, JD.

Hometown: Rockhampton

Occupation: Regional Manager Playgroup Queensland

Position in club: Junior Vice President and Junior Developer Officer

Years involved: 5

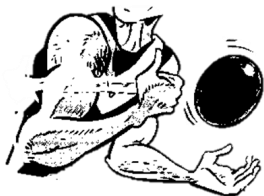

Reason for joining Brothers: Brandon wanted to play AFL and Mum and Dad are life members and I played at the club when I was little.

How did you get involved with the committee: I was asked and thought why not give back to the club that gave me life long friendships when I was a kid.

Favourite footy memory: When we were at the old Victoria Park and in the off season we had to dig up and cover the cricket pitch in the middle of the field.

Most proud Brothers moment: That's hard for me. Watching Brandon play his first A Grade game. Brandon winning the first TC medal for the Under 13's, seeing our Joey's grow and develop each year, and a few years ago Wayne asked me to step in and on his behalf present the TC medals.

The President

Name: Cameron Wyatt

Hometown: Dunorlan, Tasmania

Occupation: Manager Strategic Planning

Position in club: President

Years involved: 2003 - present

Reason for joining Brothers: Needed to join a club that served cheap alcohol, and it was close, being on Southside. Also playing AFL was an additional benefit.

How did you get involved with the committee: Put my hand up for a beer, and all of a sudden, I was nominated – thanks Michael Rose. These days, I'm almost part of the furniture.

Favourite footy memory: Collingwood losing grand finals – any of them is a favourite footy memory.

Most proud Brothers moment: 2010 Grand Final. More special playing with great mates, particularly Scotty G and Robbie A. Every TC day is special time, seeing all the old boys back at the ground.
