

Dear Members, Players, and Supporters,

Another exciting season is ahead, and I welcome everyone new and returning to the Brothers Kangaroos AFC family. I'm thrilled to be entering my eighth season as President.

The club continues to thrive on the dedication of volunteers. Everyone can make a difference – in the canteen, assisting a team or helping at events. Which will you choose this season? We'd love to have you on board!

Exciting Updates

New Change Room Facility Proposal

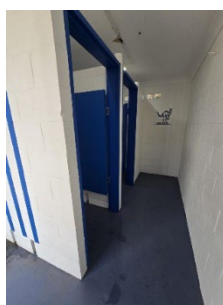

Kele Park hosts a range of sports in addition to AFL. Our facilities need urgent upgrade to accommodate the volume of users and the increasing number of female athletes. Our new proposal includes new change rooms, dedicated umpire and first aid spaces, improved disability access and upgraded spectator and recreational areas. Positive discussions with all levels of government have occurred.

Amenities and Equipment Upgrades

Successful grants from AAMI, Stanwell Corporation and CleanCo in the offseason have facilitated works in the old softball amenities, located between the two AFL fields at Kele Park. It has been transformed into two sets of unisex toilets, storage and a meeting/changing space for the Under 13.5s and Youth Girls teams.

Our main clubhouse changerooms have received a new ceiling, courtesy of Rockhampton Regional Council. The scoreboard has also received a fresh coat of paint and new electronics.

New Canteen Coordinator

Dave McHugh, an experienced local businessman (McHugh's Pies) joins us for Season 2025. He is no stranger to keeping hungry players and supporters well-fed. Welcome, Dave!

Sponsorship Opportunities

Thank you to the continued support of our generous sponsors. If you or your business would like to get involved, there are still opportunities for sponsorship – please reach out.
