ADDITIONAL AMENITIES

In the off-season, we transformed the old softball building into two sets of toilets (unisex) for players and supporters and a changing space for our Under 13.5s and Under 16 girls, who will use the second field. This will save the walk to the clubhouse and enhance the experience that Kele Park offers!

This project was made possible by grant funding from:

“

There has been excellent turnout at training and **the boys' commitment is second-to-none**. They are learning a new way of playing football and they have adapted so well, improving week-on-week, running the handball and sticking with the cause.

- Shimma (U15.5s coach)

Exciting times for our **Roo Girls**. They have so much **belief in their abilities** and are working hard in great numbers at training to hone their skills. Our progress shows in the few goals scored against us. Depth of players will contribute to further success this season.

- Rosey (U16 Girls & Women's coach)
