Dear Members, Players, and Supporters,

Welcome to Season 2026 – new and returning players and supporters of the Kangaroos BAFC family, there is sure to be plenty of great footy to play and watch. I’m excited to be entering my ninth season as President.

The club continues to thrive on the dedication of volunteers. Everyone can make a difference – in the canteen, assisting a team or helping at events. Consider one thing you could do this season to contribute to our on or off-field success.

Do you know someone who might like to play, watch or help in Season 2026? Let them know we’re keen to meet them!

- U9.5s & 11.5s (Friday Night Footy) - [Register here!](#)
- U13s and older - [Register here!](#)

Exciting Updates

New Change Room Facility Proposal

The club is working with Rockhampton Regional Council and the Federal Government to deliver the new change room project. A design, which prioritises our increasing number of female participants as players and umpires, has been drafted and planning continues. We hope to see construction begin toward the end of Season 2026. The facility will also include public amenities, a dedicated first aid space, storage and spectator areas.

Irrigation Upgrade

Stage 1 and 2 of Kele Park's irrigation upgrade is complete. A large rainwater tank and shed containing pumps and other equipment was installed beside the old softball building (now the amenities block between the fields). Irrigation on the main field was replaced to accommodate the new infrastructure and will help create a safer and higher quality playing surface. This project, completed by Think Water, was made possible by funding received from the State Government's Minor Infrastructure Fund and generous in-kind support from Rockhampton Regional Council.

The club is working on grant applications to complete Stage 3 – installing irrigation to service Field 2 (Hunter Street), which is used by our Under 13.5s and Under 16 girls for training and games.

Security lighting for car parks

The club has secured grant funding from Telstra Footy Grants, Stanwell and Rockhampton Regional Council to install security lights in the car parks. This project aims to support safer after-hours use of Kele Park. Installation by local contractor TBG is expected to occur in March.

Sponsorship Opportunities

Thank you to the continued support of our generous sponsors. If you or your business would like to get involved, there are still opportunities for sponsorship – please reach out.
