Presidents message

Hi everyone and welcome to Round 11

Well two-thirds of the season is over and many teams at the club are either sitting in finals contention or finals contention is within reach. The next five games are important to ensure that teams are running into form, leading into the finals.

Thanks to Greta and Michael for organising a great ladies day event. With sponsorship from TKO Pest Control and Fix Factory, the club raised over \$1,200 for the McGrath Foundation. A fantastic effort by everyone who was involved.

The Optus Family Day was held on Tuesday this week, a great turn out by everyone and thank you to Optus and Gelatissimo for supporting this event.

Personally, I cannot wait to see the next instalment of Piggy in the Middle. The interview with Greg, our NT recruit, pretty much went global, reaching over 6,000.

Today will be a challenge for many of our sides. Best of luck to everyone today.

Cheers,

Cameron Wyatt

Women's Coach

The sisters are looking to return to the winners' circle today after putting up a good show against Glenmore last week. Prior to that, we were able to overcome BITS for the first time in quite a while. Both matches were good for us and solid performances were displayed by our girls around the ground. Today's match will be spirited as usual against the Yeppoon girls. Last time we met at Swan Park it was a very physical encounter and I'm sure this afternoon won't be any different! We are getting closer to stringing 4 full quarters together which is our goal as we approach the serious part of the season. If we stick to the team plan and maintain our attack on the footy and apply our normal tackling pressure, the club song will re-sound loud and proud at Kele Park this afternoon.

Go Sisters!

Round 9 – vs BITS (Kele Park). In the last Pouch I said - “Looking forward to BITS this week, we know that this will be our biggest challenge in 2019.” I was a bit nervous I must say, but the players weren't at all. As expected the first half was a very tough struggle for possession in slippery conditions, and we skipped ahead with a lead, but certainly not one we could relax on. However Q3 was our best footy of the year ! Extremely gutsy, with loads of energy, some goals from skilful teamwork and after that we ran away with it 46-2. I was most pleased with holding the team that has scored the most points in the season thus far, to 2 solitary points for the game – that is an amazing effort, and you won't lose games with that defence. Our half back line (Taylan, Jack & Mason) stood up strongly and on the back of that, a dominate performance by Sam in the middle, with Caden, Ryan, Zac & Logan standing out. No matter what happens this season, that was an amazing game & a win I thought we could achieve, but probably not that score.

Round 10 – vs BULLS (Stenlake Park). Coming off the high of last weeks game, this was always a danger game for us. BULLS results will show that they are the big improver of the comp, and certainly not the team that we convincingly beat in R.5. And that is pretty much how it played up. Glenmore were up for the battle, and we were a bit flat. Glenmore have recruited some big strong skilful girls who played excellent all game, and we had trouble with that. The final quarter was a good effort, a clear lift in energy and we ended up sneaking home 40-31. Glenmore should be very proud of the way they have turned their season around, and if they sneak into the top 4 – they are certainly a team to not take lightly. As a coach I am pretty happy that at R.10 – this was the first game we were a little flat, and the players found a way to get over the line. Some good defensive tackles by Bradley, Kristin, Logan, Jack and some good team goals by Ryan, Zac and a cracker by Sam at the death, certainly a lot of positives there also.

GO THE ROOS !!! cheers

Michael Rose—A Grade Coach

What a season it has been so far. The boys have certainly taken themselves to another level this year. However, the mid year slump has crept in and with a mounting injury toll, now is the time the depth and character of the whole senior squad is really tested. Last week we went into a game against a hungry Glenmore side 10 A grade players down! Thankfully we had one big in that day in Kwabena Boakye, visiting town with friends. The game against Glenmore tested our resilience more than most games we'd had this year. They were hungry for a win on their ladies day and were fiercely competing for the ball at every stoppage. Noble and courageous work in defence by Matthew Jones, Jay Humphries and John Lowry stood the onslaught, aided by young guns Jack Uebergang and Jeffrey Johnson who played with 100% effort.

Today's game is about respect. Round 2 this year when we played the swans we fought hard and came off the field happy and content with our effort. Last time we played them though at Swan park it felt like we'd dropped back 10 steps as a club and we were not happy about it! Morale was low and so we reflected this week how we would get our mojo back. A tough effort and courage without the ball is what we're looking for today to find that spark we need heading into finals. I'm very proud of these boys, but a week in football is a long time and unfortunately it feels as though our win at home against BITS is history, we need to get back onto that wave and find a way to ride it as far as it will take us! Make each other proud today boys, and gain the respect you deserve from the best in the competition.

Reserve Grade

Hello again to all the Roos family. Well it's been a good couple of weeks since our last edition with a great win over BITS to put us in outright 2nd spot on the ladder. That game was Luke (Hooker) Johnstone's first game of the year and he had plenty of touches on our half forward line. Whippet, Moorey and Budgie got their hands on the footy a lot and controlled the middle while Bendy led our backline around really well. Overall it was a great team effort with lots of positive signs.

Last week we played against Glenmore and after a close first half we managed to kick away a bit in the second half. That game was Steve (Stiffy) Smithwick's first game for the season and it was like he never stopped playing. Directing the forward line around and bagging a few handy goals. Once again our midfield and backline were solid.

Today we take on the bench mark of the comp who are undefeated so far this year. I'm hoping for as close to a full strength team as possible to see where we are at against them. Hopefully this will happen and we can be very competitive.

Good luck to all grades today and go the Mighty Roos.

Cheers JD

A word from the coach: Under 17s

A fantastic win from the team last Saturday. A full four quarter performance saw the under 17's defeat Glenmore. Last time we played Glenmore they beat us comfortably so it was very satisfying to come away with such a great win! I couldn't fault any one of the players with everyone playing their role without hesitation.

The improvement of all my new players has been crucial to giving us the strength all over the park. The style of football the team is playing is fantastic to watch and it is great to see the crowd being entertained and responding when the team does something special.

With a few players out this week it will be hard to test Yeppoon but as long as we are competitive, fulfil our roles and continue entertaining the crowd, I'll be happy.
