2019

OPTUS

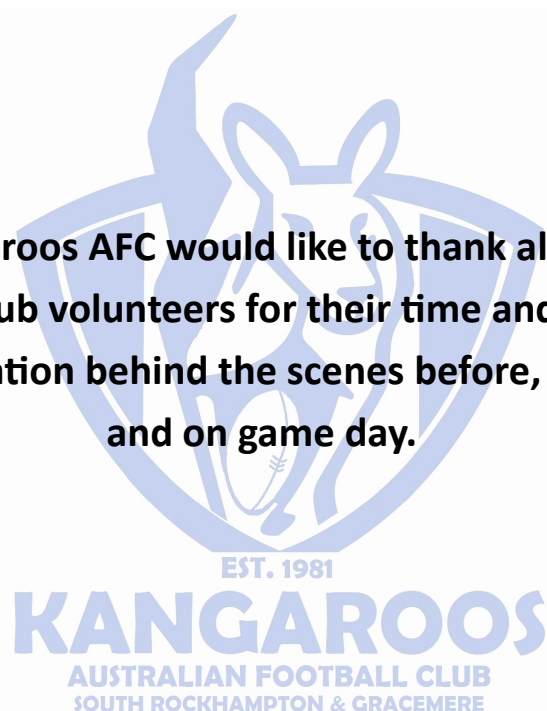

SPONSORED AND PRINTED BY

Kangaroos Australian Football Club  
recognises and acknowledges the  
Darumbal people, the traditional owners  
and custodians of the ground upon which  
we play today.

We pay our respects to the elders, and all  
elders, past, present and emerging.

Kangaroos AFC would like to thank all our  
club volunteers for their time and  
dedication behind the scenes before, after  
and on game day.

## Presidents message

Welcome back to Kele Park after a short break.

Firstly, congratulations to Sara-Jane O'Grady who has earned a spot in the QLD Under 18's State Team. SJ has put in a lot of hard work, and this achievement is very well earned.

June is a big month for the club, with 3 home games. It would be really appreciated if all the volunteer roles could be fulfilled, particularly on field duties and the canteen. Many hands make light work.

Over the last couple of weeks, we have seen the introduction of Piggy in the Middle on our social media. Personally, I have never seen such a talented interviewer in all my time. Keep up the great work.

Just a reminder that ladies' day is next week and tickets are on sale now. It will be a great day out. The senior teams will be also wearing pink socks in support of the McGrath Foundation. Thanks also to Fix Factory, TKO Pest Control and Optus who have come on board to sponsor ladies day.

Many thanks to those who have been involved with raising money over the past couple of weeks (Rocky Beer and Beef Festival and Yellow Page's distribution). Great work by everyone.

All the best against Panthers.

Cheers,

Cam Wyatt  
President

## Women's Coach

Today will be a big test for the Sisters up against the ladder leaders. Panthers have shown that they are the team to beat and hold top spot in the competition for good reason. Having said that, our girls are learning more with each match, particularly those new to the game this year, and putting their ever-increasing skill level in to practice. Our last match-up against the Panthers' girls showed that we can be competitive and should be again today by playing to our strengths such as tackling pressure and sharing the ball around. Last weekend was a great result against a very physical Yeppoon side and has boosted our confidence coming into today's match. A four-quarter effort will be required today if we are to be successful. Best of luck ladies and as always, play hard and fair, to give ourselves every chance of being successful today.

Tim (Christmas) Carroll

Sisters Coach

## Under 13s

It has been a months since the last Pouch, so below is an update of our last 3 games.

**Round 5** – vs Glenmore (Kele Park). The team dominated this game, in a 95-0 win, which really was the culmination of the first 4 very hard found games to start the season. It is pleasing that after 1/3 of the season, the team remains undefeated. Strong games from our mid players, with Ryan having a brilliant game with a bag of goals. There is a wonderful positive energy in the team from the Manager (Nicole) through to the parents. Big shout out to Joycey (A/Coach) who I give full credit to our amazing victory. Being a cricket man he wanted a 100. Where we are right now, is so far ahead of my expectations ... we can't get greedy. Merv, Jacquesy & Johnny – thanks so much for your ongoing involvement and assistance at training with the players !

**Round 6** – vs Gladstone (Clinton Park). WHAT A CRACKING GAME ! A grind, wasn't the prettiest – but given the past history of u13 Kangaroos – a nail bitter to the end. Our round 1 game was a 1 point victory at home to Gladstone, so we knew this would be even tougher on their home track. We snuck to a 2 goal lead in the first quarter, and really ground out the 2<sup>nd</sup> Quarter with Gladstone throwing the kitchen sink at us. In the final quarter Gladstone (with wind at their back) continued the onslaught, and Tommy Tull saved us more than once stopping almost certainly goals with rushed behinds ! Then we got the ball forward and Ryan kicked a super goal from distance, to poke our noses in front for a hard found 20-16 win. Caden, Zac, Mason, Jack, Addison all played very well. Last year we would have lost that game, somehow, the desire to win kicked in when the tank was empty.

**Round 7** – vs Swans (Swan Park). Well they did it again – nearly gave me a heart attack !! Swans came out firing in the first half – a few of our players would say, 'firing at our heads Coach' – and there was no doubt that they were very physical and worked out a few of our players (Hi Caden) have been watched by rival clubs, and the days of not being tagged are probably gone. At half time, we came in behind, with our heads dropped and licking our wounds a little. But what I like about this team, is their desire to work for each other & never give up & doesn't take much to switch that determined attitude back on. In short – the 3<sup>rd</sup> Quarter was well and truly ours from the bounce and on the back of that, we marched to a 43-13 victory.

**The season is almost half over, and the Brothers u13 Team of 2019 remains UNDEFEATED !! Something that the club should be very proud of and get behind.** We are here because we regularly have the whole squad at every training (25) – 'thanks parents', great determined attitude, very coachable & play as a team & support each other. I there is still a long way to go, but to be where we are right now, after our tough 2018 season, is a pleasant surprise to me (and definitely to a few other clubs), but we'll take it & look forward to each weekly challenge.

GO THE ROOS !!!

Cheers, Ian Hutchieson u13  
Coach

## Seniors

Its certainly been a roller coaster of a season. Already we have secured as many wins as we did last year so that is a massive step in the right direction. However, two wins followed by a colossal loss is not what this group is capable of. Two weeks ago, when we travelled to Swan park, we did not play our best football. Far from it. A few positives came from the game though, most notably, the ability that Jamie Searle has in the Ruck! Winning against D9 is no easy feat, and Jamie was able to win six clearances in a row! We will look to capitalise on the work of Jamie and Tezza through the middle today. Since that 250+ point loss, we've reviewed and know exactly where and how we can improve on that performance going forward. Today is a big day for our group. Last game against Panthers we were outplayed and outmatched. Panthers have shown great improvement without the need for new players, a testament to the work Michael Kreun has done since taking on the coaching role. Today though sees a changeover of 12 players from the side that last played the Panthers. Most notable outs are Captains Jarrod Donovan and Matthew Jones. I have full belief though that the group on the park today can get the job done. Notable ins today are young Sam Guerin who is playing his first game of senior footy today. I'm really looking forward to seeing how Sam steps up to the challenge. Secondly is young Jarryd May, Jarryd departed the club after 2017 to pursue his acreeer in the defense force, He has since gotten the fittest he's ever been and is playing high level football in NSW. I'm so excited to have Jarryd back in the team for today, he's a great young man and its fantastic to see him so fit and ready! As long as we're smart, play our roles and stick to the game plan, we will go a long way towards pegging back the 90-point deficit from ANZAC day.

Thanks

Michel Rose—A Grade Coach

Hello again to all in Roo Land.

Well it's been a few weeks since our last home game against Glenmore where we had a great win over the team that knocked us out of finals last year with a great team effort.

We then headed down to Gladstone where we managed to come away with a hard fought win. I missed the first half through work commitments and when I walked in at half time we were down by 2 points. I was extremely pleased that the boys dug deep when asked to in the second half.

We then travelled to Yeppoon with only 17 players and fought hard all day. I was again pleased with our last quarter where we played with 15 players and they only managed to kick 1 goal against us. In years gone by we would probably have been used to having 1 man on the bench for 3 quarters and being a man down in the last quarter as an excuse to throw in the towel and let Yeppoon kick multiple goals on us. I think that shows the pride and commitment we are showing in our jersey and our mates this season. Today we play Panthers and with a week off and a full side I am looking forward to another good hit out against a team that has pushed us to the end over the last few games.

Good Luck to all grades today and Go The Mighty Roos.

Cheers JD

After courageous efforts against Panthers and BITS, we let Glenmore get under our skin and very effectively put us off our game in Round 5.

The boys learned their lessons from this game and kept their focus on the game against Gladstone, despite the tactics of one particular Gladstone player (that resulted in him being red carded) and grafted out a thrilling one point win to notch up our first victory of the season.

The Gladstone game was important for the u15's as the boys showed a new high level of mental toughness to ignore the niggles and focus on consistency in applying the pressure for a full four quarters. The boys played as a team, ran hard all game and applied the pressure to Gladstone at every contest.

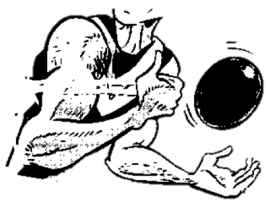

In the dying minutes, Tommy "Tiger" Tull, playing up from the u13's, won a 3 on 1 contested ground ball to stop what was a certain goal to seal the game. It was also the first game for Hagan - welcome Hagan!

The scoreboard the following week flattered Yeppoon. The boys continued their growth and applied the pressure to Yeppoon all day, never bowing their heads and fighting to the finish in an effort that was much improved upon the last encounter with Yeppoon and another incremental improvement upon previous games, despite the loss.

The primary difference between teams like Yeppoon, Panthers and us is ball movement and running in numbers. These are areas we've been working on hard over the last couple of weeks and I'm expecting to see the boys bring the pressure and the run against Panthers this week.

Every single player has improved their games each week and we need another improvement this week to beat the undefeated Panthers.

This team never gives up!  
What do we do?  
We fight and fight and win!

## **Quick hands with the undefeated U13'S Sam Penrose**

## **A word from the coach: Under 17s**

After a long spell on the sidelines from a serious leg injury, we welcome back our captain Brandon Waine.

The young midfielder will add much needed Structure through the middle of the ground. We are still yet to see of ourselves at full strength. Not having a full side on the paddock this year.

I'm looking forward to the game as we should be very competitive.

We are building and we should have a full side within the next few weeks. I really do think the under 17 are a better side than the latest Results Have Shown.

Budgie
