Roos vs BITS

Ladies Day 2019

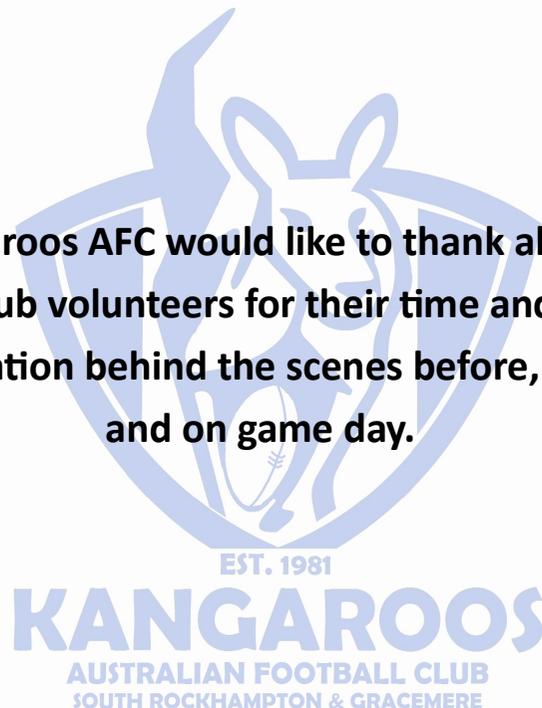

SPONSORED AND PRINTED BY

Kangaroos Australian Football Club recognises and acknowledges the Darumbal people, the traditional owners and custodians of the ground upon which we play today.

We pay our respects to the elders, and all elders, past, present and emerging.

Kangaroos AFC would like to thank all our club volunteers for their time and dedication behind the scenes before, after and on game day.

## Presidents message

Welcome everyone to Ladies Day 2019

Last year's ladies day was a great event. This year we are supporting the McGrath Foundation, by wearing pink socks for our senior games.

Special thank you to TKO Pest Control and Fix Factory for sponsoring the pink socks. Two great companies that are supporting a very worthwhile cause. In addition, Optus is also supporting the day, along with the Optus Family Day to be held on 25 June.

Ladies Day is a very special day for the club and recognises the importance of our women players, volunteers and supporters. Without their tireless hard work and effort, the club would struggle to exist.

Today presents a tough test for many of our sides against BITS. All the best to everyone.

Enjoy the day and evening.

Cheers,  
Cameron Wyatt  
Kangaroos Brothers AFC President

## Women's Coach

Our girls go into today's match on the back of a solid effort against the leaders in the comp last Saturday. We were a bit slow out of the blocks and are looking to improve on our start today. Our skills continue to improve and our communication around the ground is really coming along well. Our playing positions are starting to settle into a routine as we look to stabilise our game plans after a healthy influx of new players this year. Tackling pressure will be pretty even today which should create a close contest. It was a tough game when we last met BITS resulting in a close win for the opposition which we'll be looking to reverse today. Good use of the footy and second efforts should see us get a win today. Go Sisters!

Tim (Christmas) Carroll  
Sisters' Coach

### Under 13s

Round 8 – vs Panthers (Kele Park). Our earlier encounter in the year resulted in an exciting draw, so we knew that this match was going to be tough. We started out of the block magnificently, however Panthers fought back well in the 2<sup>nd</sup> Quarter, to ensure a tough second half. However the u13 Roos knuckled down in grinding out a well fought win. Ryan stood out with 3 goals, and Caden's pressure consistently around the ball was again excellent. Sam, Logan, Addison, Will, Harry, Amelia & Jack also had strong games, in a good team effort.

Looking forward to BITS this week, we know that this will be our biggest challenge in 2019. After an earlier very narrow victory, we know that BITS will come back with a full strength team, no doubt not leaving anything in the tank this week, wanting to prove that they should be on top of the ladder (their for and against record is outstanding). We know that the u13 BITS team is a gun team .. however now over 8 rounds, we have shown also that collectively the Brothers Team play for each other & their determination is first class. Regardless of the outcome, we know that this will be an important moment in our season, and we'll learn from this encounter.

Shout-out to Zac Joyce who last week was in Brisbane for the schoolboys u12 carnival ... with Capricornia being the Qld Country Champions and Zac having a great tournament. Looking forward for Zac bringing back his experiences to Kele Park.

**GO THE ROOS !!!**

Cheers Ian Hutchieson u13 Coach

## Seniors

I'll take this opportunity to thank all the wives, girlfriends, mums, grandmothers and volunteers that support our club. I know the late training nights and early Saturday morning starts aren't easy, but I'm glad that you can all be a part of or understand the importance of the club members second family, the Brothers Football Club. I'd like to especially thank my wife Greta for all of her help and advice throughout the season, her support is second to none and I'm very lucky to have her by my side at the end of each day.

At this point in the season we are sitting a comfortable 4th position on the ladder and look settled to make the finals for just the second time in the last 8 years. From here, everything has a purpose, the way we play will be fine tuned each week as we make a case to push through the first round of finals. That is the goal of the year and a win against BITS while they are on the road will go a long way towards building the belief that we are capable of more than we have been for a very long while.

The new game style and ball movement plan was well executed last week, bar a few botched goals and dubious decisions we would have completely turned around our 90 point deficit against Panthers and won the game instead of going down by just 13 points in a 4 goals to 2 final term by us.

Players that have settled well into their roles and deserve special mention at this point are Luke Rumpf who's work on the wing has been phenomenal, he has shown it will take a lot to take him out of the game. Nathan and Tommy Humphries have both been exceptional in their respective positions, and Reece Groves and Connor West are continuing to give their opponents a few headaches. Notable ins today are Garry Gillespie, returning from a long term work commitment and Daniel Fletcher who has provided me with some great insight into how to develop myself as a coach. Fletch has played a huge hand in the way we now play our football!

Thanks and let's get the job done today boys!

McGrath Breast Care Nurses in communities across Australia	families have been supported since 2005	hours of McGrath Breast Care nursing for individuals and their families in the last year

# What does the McGrath Foundation do?

We fund McGrath Breast Care Nurses who support individuals and their families experiencing breast cancer. Our nurses provide physical, psychological and emotional support from the time of diagnosis, throughout treatment.

Support is available for anyone with breast cancer, whether you're in public or private care. Our McGrath Breast Care Nurses provide care and support for early or metastatic breast cancer.

No referral is required. Simply use our Find A Nurse Map and give your nearest nurse a call.

Support is absolutely free. Thanks to our generous donations from the community, corporate partners and the government there is nothing to pay and nothing to claim back.

We couldn't do it without you!

The Roos are proud to continue their partnerships with:

**Hometown:** Greenvale

**Occupation:** Childcare

**Current position with the Roos:** Res Grade

Team Manager

**How I got involved:** My  
Husband

**Hobby:** family time

**Favourite Holiday and**

**Why:** Port Macquarie.

We've been several times and have made some great memories there.

**What I'm looking forward to:**

The arrival of our next child.

We spent the mid-season break honing our fitness, skills and some new back line ball movement drills to get our selves as ready as we could for the undefeated Panthers. The boys kicked the game off with a thrilling goal on the run to Hagan Gale that stunned Panthers and had them on the back foot from the start. The surprise on their faces were clear and confusion reigned in the Panther's forward line for a while as Jack Brazier's kick outs and our as-drilled leads for him into an empty 50 had them struggling to cover us as we were able to mark and move the ball out of the 50 with relative ease. Panther's scored the next five goals in the first quarter and our boys went in only 4 goals down. Their determination and fight showed in the second quarter where Panthers were restricted to only three goals but we were unable to convert our defensive dominance and pressure into forward and score board pressure. Another 5 goals in a hard fought third quarter set the stage for a blowout of eight 8 goals in the 4th quarter that I can best put down to tiredness and Panther's fresh legs (they had a full bench).

There was plenty to like about the way the boys played this game.. The effectiveness of their pressure on the opposition is increasing. The way they all took to the new back line ball movement was exactly what was needed and provided plenty of excitement when it worked well and caused Panthers no end of stress.

The entire team gave everything they had yet again but special mentions this week go to Jack Brazier and Tyler Matheson, who were asked to fill new key roles, take on new responsibilities and did it with distinction. Jack especially, played a true vice-captain's role in leading the attack from our defence. Pat and Hagan had a run on the ball in the fourth quarter and showed some promise that will probably see them played there again. Unfortunately Xander injured his shoulder in the game and will be sorely missed for the 6 weeks he's expected to be out. Get well soon!

It's also representative season and I want to give credit to the following boys. Caden Ruff. Jack Hutchieson. Logan Stoddart, Mitch O'Regan, Rhys Matthews, Taylan Nolan, Tyler Matheson, Will Hutchieson, and Xander Stoddart

I was fortunate to attend some of the training sessions and the trial game. You all did your club, your team and yourselves credit with the efforts you put in, making the selectors jobs difficult. Special congratulations go to Caden Ruff and Tyler Matheson who were selected in the 2019 Under 14 Boys Cobras squad.

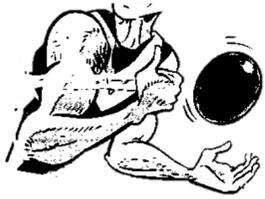

We're looking forward to taking on BITS this week.

This team never gives up!  
What do we do?  
We fight and fight and win!

Hello to everyone in the Land of the Roo again,

It was a short game last week after losing most of the first half due to an unfortunate injury in the under 17's. I had to really push the point to the boys that we couldn't afford to start slow or the game could be over by three quarter time. I was really happy the way they responded kicking 2 goals in the 5 minutes we got to play on the second quarter then kicked 6 goals in the third giving us an 8 goal lead at three quarter time. The win put us in second spot on the ladder by percentage.

Today we have the chance to go clear second with a win over Boyne Island. We battled really well down there last time with an under-manned team. Today we have a full bench and I'm looking forward to seeing how we go with a few extra numbers.

Good luck to all grades today and go the mighty Roos.

Cheers JD

Donovan

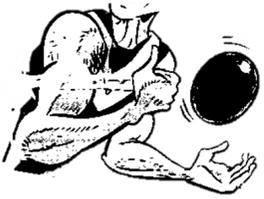

### A word from the coach: Under 17s

It was a great performance by the Under 17's, last Saturday, only loosing to Panthers by 3 points! The team played very well and with a large turn around from last round when we played them. It was the strongest team we've been able to field this season with 20 players available. Special mention to Dylan May having one of the greatest Performances I've seen by a halfback flanker in a very long time. His intercept marking and run out of the back line was Crucial and almost got us the win.

Today will be a tougher challenge, coming up against a very strong Competitor in B.I.T.S. I believe that the under 17s are really starting to gel and play better as a collective.

Whatever happens on the field today, I am really enjoying coaching this side and it's because of you, the fantastic playing group.
