President's message

Well finally footy is back! Welcome to season 2019.

Over the off-season a lot has been happening at Kele Park. The players shelters have been replaced, new visitors stands, new deck area and two murals have been added to the clubhouse. The "Fear the Roo" mural will provide some added motivation. Thank you to the committee for all your hard work over the off season.

A number of new sponsors have come on board for season 2019. In particular, I would like to mention the new major sponsor for the women's team—Chauvel Industrial Services. Along with SPP Accountants and InsureRight Risk Management, great to see the women's team is well supported. I would also like to thank, Freight Solutions Australia who are sponsoring our u15's team, as well as the first aid, water carriers, and runner shirts and vests.

This year a number of new recruits have join the club. I would like to welcome you all to our great club. We have had great numbers at training ready for the season ahead. All the best to all teams today and for the year ahead.

2019—Fear the Roo.

Under 13s

Is it just me, or is there a bigger buzz around Kele Park for the beginning of the 2019 season? Perhaps it the great murals on the club house that greets us, or the deck on the time keepers building, or the refurbished coaches boxes and grandstands.

For Under 13s, our year has started great with a practice match on our opening day. The help from many members of the club to quickly get ready, and a number of the senior players runner water & assisting (Frosty, Conor and others) and then a quick chat at the end surrounded by the senior players and Cam our president was brilliant! I know the kids will soak this up, a little unusual (and maybe a bit daunting for them) as usually we play very early in the morning in front of mainly parents.

ALL of THE ABOVE – gives me a great VIBE for 2019!!

As we have in previous seasons, Under 13 are getting good numbers to early season training with a few new faces coming up from Under 11 and some others are new to the club. Our first training session was going well till a monsoon storm quickly swung in; the cones were picked up in record time! And players bolted for cover. Our 2nd session was assisted by Belzy and the players worked hard (sucking them in after an hour), but for our first real hit out, they were pretty happy.

There are a number of senior past and current players who have agreed to help us out this year, and this is an very important ingredient to our future success. There is so much shared wisdom on footy and much more at this club, and these Under 13s will be the future senior players (before we know it) and I can assure you, we have great kids and families, so our club is looking good!

GO THE ROOS !!!

Women's

Welcome everyone to the new season.

The sisters are coming off a fourth-place at the end of the home and away season last year and a closely contested loss to BITS in the first semi-final in 2017. It was a hard-fought contest and could have gone either way. The girls were disappointed to end their year a bit sooner than they had planned and are looking to go one or two steps further this year.

Congratulations to our leadership group this year – Chelsea continues as Captain and will be ably supported by her Vice-Captains in Kate and Kassie. Kassie is new to our team along with about a dozen others who you will see in action and read about in future editions of the Pouch. It is very exciting to see so many new recruits and it will be a pretty different experience for our girls to have a bench! Although we have lost some players from last season for various reasons, our recruiting over the last few months has been outstanding. We not only have brand-new players to the game, but also seasoned players of a very high caliber.

Today's game will be a physical encounter against the Gladstone girls who always make you earn your kicks. We will take nothing for granted as we're unsure of how well the other side have recruited in the off-season.

Our strategy will be simple this match and every match this season – stick to the plan, do your best and have fun! All of the girls are committed to being honest with each other and the atmosphere of anticipation and excitement is rich in the air!

Here's to an entertaining and fair hit-out in round 1 of Season 2019 and best of luck to all the new players on both sides. I'm certain you will quickly become passionate about our great game and hopefully will be able to continue playing for years to come.

A quick mention to Leanne O'Grady and Greta who have volunteered to be our team manager this year and a shout-out also to our water carriers and Jack our runner.

Go Sisters – let's dig in and get off to a good start and I hope we will be singing our victory song later on this afternoon.

Cheers,

Tim (Christmas) Carroll – Sisters' Coach

Seniors

A new season is upon us. Big plans and preparations have been laid out for the 2019 season. A full reset of the standards expected both on and off the field will serve us well for 2019. It is needed as we have lost many great players from our team last year, most notably, Brayden Anwyl who has moved to Geelong to further his footy career after a stellar season with the roos, winning the club B&F and more impressively the Capricornia league Coach's MVP! Though, those that have left us have made room for more to come in, and luckily we have had an influx of quality personnel come into the club this year. Notably, Lachlan Libke who has never played but has not missed a single available session since pre season started last year! Also we welcome Reece Groves from the Box Hill Hawks, Matty Cook (Mayne Tigers), Warren Jankiwskyj as my manager and runner and many others who will make their debuts in the reserves today!

We have had a change of the guard in our leadership with Daniel Trinca handing over the baton after leading the group to the positive team environment they now find themselves in. Thank you Budgie for your leadership these past few years, I look forward to seeing you as the king without a crown on the field this year. Leading our team today will be our new leadership group of Jarrod Donovan (Captain), Matthew Jones and Xavier Frost (Vice Captains).

I'm looking forward to playing the new look Gladstone Suns and hope that they can begin to feel some success whether on the field or off in the years to come.

Good luck to my boys today, they have worked extremely hard over the pre-season with Ryley Schofield managing to lose 14kgs earning himself an A grade spot this week! Keep an eye out for the long awaited return of Matthew Piggy Jones through the backline and Jay Humphries who will try his hand at a new role today.

Reserve Grade

Hi everyone,

It's been a long offseason and a great preseason but now it's finally time to get back into some footy. With some new players arriving at the club and some old ones returning things are looking good across the board in all senior teams.

I'd like to congratulate Sammy "Whizza" Phillips on the captaincy of our reserve grade side. He has matured really well over the last 12 months and I have no doubt he will take it with both hands. Also congratulations to Jarrod Donovan and Chelsea Carroll on being awarded the A grade and Women's captaincies.

Gladstone have made a huge change in the Offseason becoming the Gladstone Suns and with the New Jersey comes a new team. I am expecting them to be fairly competitive this season and think we will need to be on our game from the start if we are going to get the win.

Good luck today to all grades and Go The Roos.

Cheers JD

A word from the coach: Under 17s

After a long and productive pre-season, the Under 17s are super keen to take the field for Round 1. With numbers building at training, we are looking for a strong performance from the team today.

It really did surprise me to see the level of talent of this group and I'm very excited to what they can achieve this season.

Congratulations to Brandon Waine on his captaincy, and he will be well-supported by vice-captain Sam Guerin. Both of these young men have showed great leadership in these past few months and will be the support needed for the playing group to perform to their potential.
