PRESIDENT'S MESSAGE

Welcome to Season 2021 with our first game at Kele Park vs Panthers.

The ANZAC Day clash is now a regular fixture on the AFL Capricornia league calendar and it is great to be able to host the game at Kele Park over Saturday and Sunday.

ANZAC Day is an important day, a national day of remembrance, where we reflect and commemorate all that have served and died in all wars. The club is proud to be a part of the day.

The club has been working hard over the off-season, with additional sponsors, infrastructure improvements and has been successful in obtaining grants.

We have had Little Green Truck, Schnitz Rockhampton, Queensland Country Bank, Harvey Norman, Hastings Deering, Pizza Guardians, Subway George Street, Goodlife Health Club, and Boost Juice come on board for 2021, along with our valued regular sponsors in Optus, Hopkins Brothers, Sun Palms, Chauvel Industrial Services, SPP, Insureright Risk Management, McHugh's Pies, Jolt, Two Professors, Alline, Triple A, TKO, Fix Factory, Priceline Glenmore and Gelatissimo. Without the support of all our club sponsors, it would be exceedingly difficult to run a community club.

Kangaroos Brothers AFC
recognises and acknowledges the Darumbal people,
the traditional owners and custodians of the ground
upon which we play today.
We pay our respects to all elders,
past, present and emerging.

*Note: Activities are subject to change pending availability and COVID restrictions

The club continues to improve the facilities at Kele Park. During the off-season, the ground was top-dressed and fertilised. In addition, a roof was constructed on the deck and two additional stands were added (one for the home area and one for the visitors). The club is working hard on improving the lighting situation at the ground, particularly for training. Further news on this will be coming later into the season.

The club has all new merchandise for 2021 with sponsorship covering off on most teams. The new kit has been provided by LRF and is of a high-quality providing both on-field and off-field (club polo, training t-shirt/singlet, caps etc).

Please refer to the club's website (brothersafc.com) and *The Pouch* in relation to this year's social calendar. We have some great events this year including Ladies Day, Optus Family Day, Cocktail Night and TC Memorial Day.

Lastly, thank you to everyone who has volunteered to undertake roles at the club. Without your help, the club would simply not function. We also welcome new people to the club and if you know someone who is interested, please let our committee or myself know.

Best wishes to everyone for the year and good luck to all our teams over the weekend.

Cheers,

Cam Wyatt

A Word from the Coach: Women

We're back ready for 2021 at the blue and white and the Sisters are looking stronger than ever. Coming off a loss in the big dance last year the girls are pumped and motivated to take it that one step further and go all the way in the 2021 season. We've recruited well over the off season whilst not losing too many players which are always good signs for a footy team.

Some fresh faces that are new to the game will benefit from getting stuck straight into Round 1 and pick up the game even more than what they have at training and practice matches with the help from our more experienced players guiding and directing them throughout the game.

Leilani Nelson being named solo captain again this year is a no brainer. The girls respect her and listen as she leads and guides the team perfectly. Always positive and always pushing the girls to go one step further and brings the intensity and voice to trainings. Helping Leilani out in the leadership group is Taivia Dunne who has great footy knowledge and skills and Lorryn Clarke who played her first season of AFL last year. As true leaders do, these girls push their teammates to always do more and always bring the positivity and feedback to the girls where it is needed. But the girls know they don't just rely on their leaders to lead. Players like Lynchy, Jemma, Chels, and Kate are our most experienced girls and are all leaders as well. That's what makes our Sisters such a close bunch. All for one and one for all.

Look forward to a cracking ANZAC Day game against a challenging Panthers side.

A Word from the Coach: Under 13.5s

Hello Team Brothers 2021,

As a new year starts on the 2021 season I'm sure that we are all looking forward to the coming year of football. The U 13.5s have been training well and I must admit I like the way we look. We have some wonderful new players from both the U11.5s that have come up from the ranks as well as some ex rugby players who are giving the game a try.

We have chosen our captains and vice captains for the coming season. Ryan Skuthorp and Lili Hollier are captains and James Cassidy and Emily Mann are vice captains. Congratulations on your appointments and good luck for the year. Thank you to all the players from last year that gave us a great 2020 season. To all of those players thankyou very much and if you are playing in the U15.5's or Women's. We all hope you have a great year.

Menche Hollier is the Manager again. Please give her your support. She keeps things moving and keeps everything in check. We are a very good position in terms of numbers. We have about 25 players which is great but also there will be players that will miss out unfortunately. Please don't feel disheartened if you don't get a game every week. You can always be apart of the game by volunteering to run water or even a runner if I am short.

To all of our supporters thankyou for attending the games, it really means a lot to the kids that are playing.

Thank you and have a great day.

A Word from the Coach: Under 17.5s

We started full training 8 weeks ago, and training numbers have been between 6-16, so how we go in game 1 will be exciting to see (kind of anxiously hopeful – as we always are game 1 I guess). . Big thanks to Jaquesy and Joycey who have been helping out at training, and their experience is vital in the development of these players. Cameron Penrose has kindly offered to manage the u17 ½ team, and we are very happy and grateful to have him on board.

I know that lads are pumped to get the season started, but a few things about our u17 ½ Kangaroos for 2021. **Tom Hutchieson (Captain)** and **Blake Iles (Vice Captain)**, were our 2 Club Representatives in the Suns Academy Squad for 2021, with Tom making it to the selection game in Airlie Beach. Both players dedication in the pre-season has not gone unnoticed and has provided them with a jump on the other players (re: fitness / footy preparation). That enthusiasm and professionalism at training has been evident, and definitely lifting the energy of the squad, and justly rewarded with the honour of leading the team in 2021.

To the players from 2020 (Tom Aboud, Hagan, Ernie, Ryan), hopefully we can improve on last year results, but of course that will depend on the squad and their determination to train. So far – so good !

We welcome a large group from the u15s from 2020 (of which I was their coach), and I enjoy working with them because they are a great group of young men. Shout out to Cody & Patterson for having crack at footy in 2021, and we look forward to Zac and Dingers returning from injury (I know injured before game 1). Also we welcome Harry Ludwick-Bowen all the way from Hopevale (boarder), and already he has brought some energy to training and I suspect may be a crowd pleaser!

Cheers,

Ian Hutchieson (u17.5 Coach)

A Word from the Coach: Under 15.5s

Hi All,

My name is Sam and I will be the Under 15's coach for the year. With only a hand full of players at the start of the preseason we are slowly growing into a full side. The whole way through preseason we have had a good group of players who have created a solid core group which is constantly expanding. I have chosen the captains based on a few different values, the two main values were commitment to the team, as well as communication both on and off the field. The captain for the Under 15s this year will be Caden Ruff, his dedication to the team, club and game as well as leadership skills is vital to the role he will play. The team will have two vice captains, these being Sam Penrose and Zac Joyce. These two also share the same commitment and leadership skills. It has been good to see other boys from the team also stand up and lead through the training drills.

With a couple of new recruits who are playing their first year I am expecting the first few games to just focus on the basics. Allowing the new players to get a grasp on the game, as well as learning how each of the boys play their footy. With 18 boys currently registered it is going to be important to continuing trying to find new players. With only a few Under 13s being available to play up it is going to be difficult to provide a bench without more 15s joining.

The team has been training very well and I am very excited to see how they go as a team. The numbers have been improving with each training session and the further into the preseason we go the better the skills and fitness has gotten. Thanks too Cam and the other boys that have been coming down and helping out at training. Also massive thanks to Nicole and Cam for doing the team manager role for the year. Any parents available to help on home game days please let Nicole know.

Cheers

Sam
