PRESIDENT'S MESSAGE

Today, we celebrate the Tony Clifford Memorial Day (TC Day), the bringing together of family and friends to honour past and present Roos.

Today brings everyone together to celebrate a great club. It is the most important day for the club, giving everybody the opportunity to recognise and celebrate the past while cheering on the present. We honour everyone who has been part of the club and reflect on the efforts of those who are no longer with us. What makes a club is the people involved and great people make a great club. I am personally honoured to be involved with the club, where throughout its history, it has had a great culture whereby everyone is welcomed and everyone enjoys sharing our common love—playing and supporting local Aussie Rules Football.

I would like to take the opportunity to thank everyone who has been a part of the club for Season 2021. The 2021 Executive and Management Committees have worked tirelessly throughout the year and personally, I am very proud of everyone's efforts.

Thank you again to all our great sponsors and supporters who make running a club possible. Without your support it would be difficult to support players and their families, continually improve our facilities and grow the game of footy locally.

Enjoy TC Day and thank you for supporting Roos BAFC Inc.

Cheers,

Cam Wyatt

A Word from the Coach: Reserve Grade

Hello again to everyone in Roo Land,

Well, it's that time of year again and I'm always looking forward to today's game.

We are coming off a good win against Panthers last week where we had one of our strongest teams of the year. Our midfield was solid all day which set us up to go forward, often with our forwards finishing off on the back of the mids' hard work. Piggy in the backline and Foo in the forward line has really helped settle the team.

Today, we take on BITS who are second on the ladder on our special day. We will have another strong team today and will definitely give it our all. Hopefully we can come away with the win for those who have made the trip for the big day.

Good luck to all grades today and go the mighty Roos!

Cheers,

JD

It's our last home game for the season and I'd like to thank all our Junior Coaches, Merv, Wizzy, Hutchy for doing a fantastic effort with developing our Junior players. A huge thank you to JD for his support on game days and even better my vision is progressing towards all our Coaches having an impact coaching individuals and teams within our team in the A Grade side on game days.

To our players, we've got 4 games until finals and it would be a great day to show your support to our sponsors, families and supporters with a successful day on the field and helping out where you can off the field.

A Word from the Coach: Under 13.5s

Hello Team Brothers,

Our U/13's headed home to Kele Park to play The Panthers. We had 9 players out but wouldn't think so after wonderful display of football that we witnessed on Saturday.

We reached the milestone of 100 points which we haven't done for the past 2 years. The team kicked 4 goals in the opening term, another 4 in the second, 3 in the third and 4 in the last. Eden, Ryan and Tristan all kicked 4 goals each with Kristen kicking 1. This is only the third game Eden has played at full forward and each week his confident grows. Lili played a great game at centre half forward as did Emily on the wing, Billy, Tristan, James and Ryan in the centre with Addison kept things in check. Each week I see Arlen just get better and better. All our backline did a wonderful job in keeping them scoreless. All our smaller brigade kept running all day which is a credit to them.

A big thank you to the 4 players that played for Panthers. Toby played well for the Panthers and he trained the house down on Tuesday so I'm looking forward to see his enthusiasm grow. It goes to show that we have the potential to really get the ball flowing from the centre to the forward line.

We welcome back a number of players have been away during school holidays and from injury. I am really looking forward to the end of the year to really see our potential when we have all players available. Everyone did a great job. I am very proud.

This week with BITS will be no easy feat. I am looking forward to the game. Thank you to all those assist with running and carrying water.

Merv and Menche

A Word from the Coach: Under 17.5s

Can you believe it is our last home game in 2021? TC Medal Day! A great day for everyone at Brothers, reflecting on the past, whilst also looking forward, building a strong club and friendships (in and out of footy). It is my last chance to publicly thank a few people who have greatly contributed to the team. What is amazing is that these 3 men, none have no son in the actual U17.5 team (perhaps in U15.5s, however!).

1st: Cameron Penrose (Manager). One of the most humble yet efficient and genuine men I have ever met. Nothing is a problem, and always willing to help out – when Cam asked if I would like him to be our Manager in 2021 – I could not believe my luck !! Thanks, Cam.

2nd : Geoff Joyce. Joycey has been a rock at training and game days, bringing his huge experience as a coach to the lads (and me), always coming up with fresh ways to do things.

3rd: Russell Jacques. Another man giving up his afternoons and Saturdays to provide ongoing footy advice and skills development to the lads. Thanks to you 3 from myself and the lads !!

Also a big shout out to Kirsty and David O'Regan, who are our go to parents for loads of things, and always willing to help out when needed - which is every week! Also - Adonna Ruff - from the whole club - thank you so much for being there every Saturday !! And to Shaun Baxter, thank you for taking the time to share your experience with us (and me).

To the lads of the U17.5 Team. I think we have experienced a very high quality competition this year; however, it has been a grinding year for us with injuries especially and stability of the playing group each week - BUT - every week, we have fought hard and I personally feel - Brothers U17.5 for 2021 are the big improvers of the competition, and our results (outlined in last weeks Roos News) is evidence of that. I look forward to our last 4 games, and I expect our best is yet to come!!

Cheers, Ian Hutchieson

Thanks to a grant from the Australian Sports Foundation, the club purchased some special training singlets.

Available to each Youth and Senior team, each week a player is nominated by his or her team mates as the person who most strongly represents our club values of respect, discipline and Brotherhood or Sisterhood. The recipient can wear the singlet with pride over their kit for the following week. The colour helps them stand out and reminds everyone of the great example they have been.

Hi fellow Roos,

This week is the biggest day on the Roos home and away calendar and the boys are in for another big game this week taking on BITS who are currently undefeated at the top of the ladder.

After a disappointing start to the game last week, the boys stood up and started working as a team in the second half and started a come back but unfortunately it was too late. The second half proved that we could match it with the second-placed Panthers and gives the team a bit of confidence going into finals preparation.

The Boyne Island team will be another step up and the team knows we cannot afford another slow start. I am hoping with the hype and buzz around TC Day will be able to inspire the team to lift right from the first siren and give it their all.

Best of luck to all teams and hope to see you all on the day, Up The Roos!

Cheers

Sam

What I love most about the Roos is: Just a great club and have made lifelong mates

I'm happiest when: I have a beer in hand while watching the footy

In 10 years' time, I hope the club is: winning premierships and still going strong

Once COVID restrictions are lifted, I'd love to go: on a White Christmas with the family

If I could have a lifetime supply of anything, it would be: Beer

If I could choose one song to play every time I walked into a room for the rest of my life, it would be...: Red Solo Cup

Worst Dad joke I've heard: You can't trust atoms, they make up everything.
