Presidents message

Welcome everyone to Roo land and Round 2 against Yeppoon

Last week we saw some great results at home against Gladstone. All teams were very competitive, as the club continues to build upon our results from 2018. I would like to thank all the volunteers from the day, particularly volunteers and team managers new to our club. What was most pleasuring to see was some familiar faces back at the club supporting the teams. A strong crowd at Kele Park last weekend was great to see.

Today presents a challenge for many of our teams. Yeppoon is a strong club, who have worked really hard on and off the ground. To continue to improve and lift your own personal best, you must play against the best in the league. Everyone should welcome the challenge!

In relation to the club committee, we need your input to ensure we meet your expectations through responsible management and responsive processes and procedures. There are feedback mechanisms available so, if the need arises, please provide feedback directly to a committee member or via the contact option within our messenger / Facebook pages.

Please refer to our Facebook pages, particularly the Kangaroos – South Rockhampton & Gracemere Page (over 1,200 likes now) and the pouch which will provide you with an insight into our club. Every effort will be made to keep you current with news and information.

**All players and
supports are
invited to the Sun
Palms after the
women's game to-
night for dinner
and a drink.
See you there!**

Need new boots?

If you have any sporting good needs, head over to Rebel sports and make sure you put your purchase towards Brothers Football Club! Every dollar you spend helps the club supply great equipment!

Women's Coach

A magnificent win last weekend against the Suns was the perfect start to the Season for the Sisters. Contributions came from right across the ground and it was a wonderful blend of the experienced players in the side being ably supported by the new-comers, which made us successful. Jemma Abbot was great on the ball and she really showed her class booting 4 majors. Chelsea was her reliable self and held the centre in her usual style. Leilani used her bursts of speed to great advantage and closed down the Suns attack on numerous occasions and was also rewarded with a goal. Sarah-Jane continues to play above her age and is developing into a real stand-out player who can ruck all day if needed to. A few of our new girls in Allison, Ash and Tam didn't take long to adapt to what is a new sport for them and improved as last week's match grew longer. In fact, all of our new girls showed that they have the ability to mix it and didn't shirk any of the contests, which is great to see! Our back-line was rock solid with another new player to our Team, Tay, assisted by Katelyn Lynch and the others keeping the Suns girls scoreless.

A special thanks to our Team Manager, Leanne, for taking on the role at short notice. I also want to thank our water-carriers and last week's runner, Jarl – great job everyone!

Today's game will be unpredictable just as it was last week as it seems recruiting throughout the league has been really good over the off-season. We won't be taking anything for granted and must continue with our ferocious tackling and pressuring the opposition whenever they have the footy. Now that we have a game under our belt, our new players have caught on to the pace of the game and know the urgency that's required. Their knowledge of the rules has increased which will hold us in good stead today. As always, we play because we love the game and enjoy the company of our team-mates. Good luck today girls and here's hoping it's a tough match, but that the Sisters are successful.

Tim (Christmas) Carroll

Under 13s

We could not have imaged a closer or more exciting game for R.1 against the new look Gladstone Suns. In very wet slippery conditions, The Mighty Roos u13 prevailed in a 1 point cliff-hanger that could have gone anyway with seconds to go. The ball was on the ground 5m out and Gladstone soccered through, for a point, that easily could have been a goal. Then siren !! That's how close it was ! That siren could not have come fast enough. There was a field full of exhausted plays (and coaching bench). Whilst a win is brilliant for the playing group, the game ensured our first day at Kele Park for 2019 got off to a hyper start for the crowd. It was hard to single out individual efforts in such a tense and scrappy battle in the wet, however I would like to point out that we had 6 players playing their first game of aussie rules on a big field, and 4 players playing their first actual proper game of footy. Taking that all into account, a very good start to the season. Another very pleasing aspect of the game, with the way Gladstone and Roos battled it out, with some very physical tackling, but not one 50m penalty nor one act of anything resembling poor sportsmanship.

A key aspect to the progression of this junior team, is the involvement of the senior playing group, past and present. So far numerous people have come down to assist at training. There is no need to ask, if you have some spare time between 5-6pm on a Tuesday or Thursday, come down. As I have outlined, many of the players are very new to the game, so any guidance on basic skills (one on one) would be brilliant.

Cheers

Ian Hutchieson

Seniors

What fantastic way to start the year. The Suns tested us early and again in patches throughout the game but we stuck to our plan and won in style. It was great to see a turn around in goals and behinds from 2 goals 8 behinds to a string of 8 goals straight in the 3rd and 4th. This match against the swannies though is what we're all here for. The benchmark of the competition and the benchmark arguably in QLD. How we play against the swans today will show whether we have truly changed as a club and a team. We all know what the outcome is going to be but its how we play on the day that matters. We have our Key performance indicators we'll be assessing throughout the game and I know the boys will be doing everything in their power to reach them. The previous cases of yeppoonitis have subsided with only 4 or 5 players unavailable this week opposed to the 10-15 we usually would have out on a day like this! The mood in the group has swung, they are finally looking forward to testing themselves against the swannies and seeing what we are really made of.

Special mentions last week go to Connor West with 5 effective tackles and our debutants in Tommy Humphries who's tackling pressure was fantastic along with Ryley Schofield who kicked two on debut! Reece Groves showed us all how to win a hard ball and will be winning plenty more of them today while it was also fantastic to see Jacob Carroll strutting his stuff in A grade. Lachlan Libke had a solid first hit out and will have a hard job today despite going down during the week with an injury. Today we welcome into the side for 2019 Jedda who will replace VC Xavier Frost who is away with work commitments, Joel Harris who returns from duty and Damon Dessent (under 17's) playing his first A Grade game for the year.

brothers?** It's a good
team

**Why did you start play-
ing footy?** I wanted to
be better at AFL and
play with my friends.

Reserve Grade

What a great start to the season for the boys coming away with the win against Gladstone last week. Luke Davey playing his first game in the ruck was solid all day and our midfield got plenty of the footy. Newcomers Belly, Harley and Jeff were amongst our best players along with the usual work horses Whippet and Pete Slee. Our backline did what was asked of them with limited footy at their end and our forwards did a great job. Well done to Joel Harris who kicked a personal best of 9 goals for the day.

Today will be a much harder challenge though as we go up against the benchmark of the comp. We will be better for the run last week and I believe we can match it with Yeppoon if we play our best footy. We will unfortunately lose Belly, Moorey and Margie to work commitments and injury but we welcome back a great player and life member Roy (Westy) West along with Bendy and Irish for their first games in 2019.

Good luck to all grades today. Go the mighty Roos

Manager:

Benny Wynhoven

A word from the coach: Under 17s

It was a great performance by our boys in wet conditions; I was really happy with how they played. Max Thornton, Brandon Waine and Hezekiah Fletcher dominate in the middle which gave us first ball use. In full forward, Sam Guerin capitalised on his possessions, kicking 5 goals.

Final score:

Brothers 12.12.84

Gladstone 5.0.30

Today's game will be a good test to see where we are heading and we aim to back up Round 1's stellar performance. Keep an eye out for number 13 – Damon Dessent. Damon has been training the house down! The big marking centre half-forward is a star of the competition and I admire his dedication at each session to challenge himself and get the most out of his footy. Good luck to all teams playing today.

Daniel "Budgie" Trinca
