President's message

Welcome back to Kele Park for Round 2 against the Yeppoon Swans.

Last week, with footy finally back, we had some great games against the much-improved Gladstone Suns. A large crowd attended last week with Kele Park buzzing again. This week will present a challenge to many teams against the Yeppoon Swans, but I am sure that we will be up for it.

Congratulations to Wayne "Shimma" Clifford who is our 2020 Club Patron. Shimma is a great clubman and well respected amongst the Kangaroos Brothers Australian Rules Football Club and the wider community. Shimma as the Patron of the Club will be a great promoter and supporter of the Club's activities to ensure ongoing success. Thank you Shimma for taking on the role.

Please remember the COVID-19 restrictions today; it is everyone's responsibility to ensure the requirements are complied with. The club has taken the time and effort to ensure that Kele Park is a safe place to visit. It is important that everybody is respectful and conducts themselves in a careful manner.

Unfortunately, last week, the Council removed three stands from Kele Park, due to safety concerns. The club is working hard at replacing these stands. It would be greatly appreciated if everyone could support our online raffle. Thank you to Belzy for setting up the raffle and we are hoping to raise enough money to replace the grandstands.

In relation to off-field activities, we are in the process of finalising our social calendar, so and please keep an eye out for some great upcoming events.

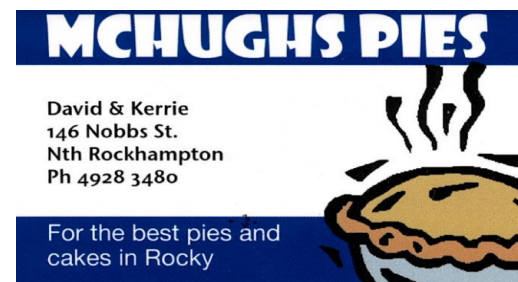

Wear the blue and white with pride today and best of luck to all the teams.

A star mid-fielder, Shimma credits much of his football career success to mentors Gerald Hickey and Mark Davis and names fellow Roos life member Russell Jaques as the best teammate; Mr. Dependable. During his career, Shimma has been honoured to play with so many classy

Roos players naming Scott 'Foo' Smithwick, Plucker Walker and Rick Floyd as some of the best.

Winning the 1995 premiership flag is a standout memory amongst many for Shimma. He recalls that it had been a while since the club had experienced on-field success, and having just moved back to Rockhampton, it made the victory that little bit sweeter.

Shimma's most notable achievements:

- Played AFL for Under 18s at just 14 years of age
- 5-time premiership player

- 5-time Club Best & Fairest (Roos)
- 1 x Runner-up Club Best & Fairest (North Mackay Saints)
- 1 x AFL Capricornia League Best & Fairest
- 1x Tony Clifford Memorial Medallist

- Selected in QLD representative AFL squad

There are few Roos players who represent the club's core values of Brotherhood, respect, and discipline as emphatically as Shimma, making him an excellent advocate for the Club.

Shimma also revealed the secret to become a great footballer:

"Just work hard," he affirmed.

INTRODUCING THE ROOS' CLUB PATRON

Wayne 'Shimma' Clifford has witnessed Kangaroos Brothers

AFC grown in size and success over many years since its inception in 1981. A foundation member of the club, Shimma has been appointed Club Patron of 'The Roos', a club which he describes in two words: 'always family'.

The role of the Club Patron is special; reserved for someone who has a long history of supporting the club and a high profile within the wider community, the Club Patron lends their name and endorses club activities.

The Roos have chosen a man of high calibre, monumental experience and exceptional charisma and generosity. Shimma, who owns the Degani franchises in Glenmore and City Centre Plaza, has filled every role at the club at some point during his nearly 40-year membership. Currently, he is assisting Under 13.5s coach Geoff Joyce. Shimma is

passionate about providing a solid platform for transitioning confident junior footballers.

"Archie [Shimma's son] is playing, and my niece Kassie and nephews Luke and Kirk all play, so that's why I'm still around the Club. Although work keeps me busy, I try and make time to pop down to watch a part of the game and take an interest in what's happening, helping where I can," he said.

A Word from the Coach: Under 15.5s

Firstly big thanks to Steve Monish and lads from the Gladstone Suns for our first game of the season. They had the tough assignment being on the road and with a depleted team, but hey never stopped trying, and happily took a number of our players, so all the lads got a good run. In the middle of the game, one of the injured Suns players walked down to the Roos box (ice on shoulder) and thanked me and our team for the game ... very impressive young man and a highlight of the day for me; the Suns are in good hands.

For us – what a great way to start 2020! After a very long pre-season. I was quietly confident that the lads would make a good account of themselves, and they certainly did. I never expected a large winning margin, but the way they played is what was impressive.

Tom Hutch led from the front with a dominant first half performance, certainly lifting the intensity. We may have parked Tom in the 2nd half, but that provided some of the new lads time on the ball, and they did not disappoint. Jackson (Dingers) Dingle was very impressive on the ball, and Isaiah Dale was fearless in attack and defence. Tas Comolatti was dynamite on the ball and kept that intensity for all 4 quarters. TJ Jacobson for his first game was impressive with his efforts in the ruck and defence. Many new boys also played up in U17s and performed well. Denzyl Te Kahu did not stop all game, and Tyler (VC) was also strong. Xander and Jack bagged some goals (6 and 5 respectively), and were provided great support upfront by Michael, Sam, Caden & Will.

It was a great team effort all over the ground, and I couldn't have been prouder, because I know how hard they have been training. I know Yeppoon will be a tough assignment, well coached and always deter-

mined ... so we'll get a better indication of how we're tracking come lunchtime Saturday.

Cheers Ian Hutchieson

A Word from the Coach: Seniors

A top of the table clash today! Who would've ever thought we'd be saying that. I know it's only round two but we'll take it!

I am very proud of the way the boys went about their footy last week. Gladstone is a much improved side and they could've gotten over the top of us in the first quarter, but the players responded without the need for a break. The new recruits were very impressive, Aaron Teroi, Chalice Atoi, Ryan Jeffrey, Daniel Hall, Steven Donovan and Riley Reid all played a great standard of footy and improvement was noticeable from the beginning to the end of the game.

Unfortunately we suffered a few injuries last week too, Denver O'Grady amidst one of his best performances suffered a severe ankle injury, Steven Donovan after kicking a goal with his first kick in Aussie Rules was ruled out with hamstring issues and Chalice Atoi after bursting a few packs managed to pretty much bite through his tongue and required late night surgery!! Another reason why mouthguards are a necessity.

As always we have a new look side again today, with a turnover of about eight players due to work, injury and omissions. Jarrod Donovan most notably will be missing with a family birthday party up North. The side will be bolstered though with the return of gun midfielders Tommy Humphries and Connor West. It is not often you look forward to playing the Swans but after BITS showed they are human last week I am hoping we can cut our regular 300 point margin in half!

Cheers,

A Word from the Coach: Under 17.5s

After a disappointing loss to Gladstone last weekend we have turned our focus to running more game sense and defending drills this week at training. In saying that the team was missing a couple key players which include Toby Gale and his brother Hagen. Big thanks to the U15's that stepped up last week and absolutely killed it out on the field as well, this week we have cowboy strapping on the boots for the first time. Cowboy has been awesome at training both with commitment and skill considering this is his first time on the AFL field. We had a couple outstanding efforts on the weekend from the likes of Dylan May, Aiden Harrison and Damo, it really shows in the last half that these boys show up week in and week out at training and really push themselves.

Looking forward to this week's game against the swans, they have always been a strong and fit side so it will be very interesting to see how the boys stack up against them this year. Hopefully all our training will pay off and we can get a somewhat good result from the weekend. Looking forward to the rest of the season and as usual seeing the boys grow and progress through into senior footy. Thanks again to all the supporters that make game days worthwhile.

Cheers,

Conor Chellingsworth
