PRESIDENT'S MESSAGE

Welcome to Ladies Day 2021.

Today, we celebrate all the great women and girls and everything they do for the club. Whether it's playing to the highest standard (our Women's team making the Grand Final in 2019 & 2020) or volunteering, including in the canteen, goal umpiring, strapping/first aid—without their support, the club would really cease to exist!

Special mention to our great club secretary, Belzy, who does so much more than the role description— writing grants, invoices, money deposits, organising and setting up raffles and selling tickets, maintaining the website and social media, washing, cleaning the clubhouse rooms, recycling cans and bottles, buying food and alcohol for the canteen, coordinating the canteen, purchasing first aid, organising events, gameday setup, gameday clean up, helping with administration and registration, preparing meeting agendas and taking minutes, organising quotes, undertaking projects etc.

Kangaroos Brothers AFC

recognises and acknowledges the Darumbal people, the traditional owners and custodians of the ground upon which we play today.

We pay our respects to all elders,
past, present and emerging.

Without the her hard work, the club would be a much poorer place! Thank you, Belzy!

Thank you to everyone who helps out!

Today, we also celebrate Peter “Bendy” O'Brien's 200th game for the club. Bendy has been a great player for the club for many years and a great clubman; well done on such an achievement!

It is really exciting to announce that the club has signed a new Senior A Grade coach, Shaun Baxter. Shaun is a great bloke who I know will fit into the Roo family. He is keen to work with all the grades and continue the improvement through all the playing groups.

Welcome to the Club, Shaun!

Good luck to all the teams against Gladstone, and enjoy Ladies Day at Kele Park.

Go the Roos!

Women's coach — Dylan Matheson

Nickname: Fredddddricoooooooo, or Freddy
Favourite AFL team: Collingwood. I suck I know

What do you love about the Roos? We're family. All for one and one for all. The closest people in my life are all from this club.

What's your goal for the next round or two?
Keep playing good footy and maybe snag a few more sausage rolls. 2 from 2 since leaving the backline shiiii baby.

I'm happiest when: Funnily enough playing golf. It's a love-hate type of game.

Name a lady (any age) who inspires you and explain how. I'm not taking the easy way out here but Kay Cass (My Mother) She has raised 3 boys and does so much for us. We aren't the best of children sometimes and I know I've made her cry countless times but she continues to always pushes and inspires me to do better and be better. She is the most important woman in my life.

Describe the Women's team in 10 words or less: I couldn't ask for a better bunch of girls

What would you name your boat if you had one? SALTY DAWG

What's a body part that you wouldn't mind losing? Why? That's very tricky. Maybe my nipples? i have no use for them. I don't know i need everything else and i would mind if it was missing.

What's the most useless talent you have? Burning garlic bread. its such a simple task that you have to be talented enough to stuff it up.

What's the best or worst purchase you've ever made? I guess the worst purchase I've ever made was putting a total of \$60 into a claw machine to win 2 league footballs that were lost within a week. It's tough, I've bought some pretty dumb stuff

Quick hands

Women's — Jordan Stanley

Nickname: Jords

Favourite AFL team: Still up for tender

What do you love about the Roos? The sisterhood

What's your goal for the next round or two? Increase my confidence

I'm happiest when: I'm eating

Name a lady who inspires you:

Brené Brown - watch her Ted Talks

What would you name your boat if you had one?

Knot-a-Chance

What's a body part that you wouldn't mind losing? Why?

I'd prefer to keep whole

What's the most useless talent you have?

I can forget anything

What's the best or worst purchase you've ever made?

Best purchase - my two rescue puppies, Juna and Lilly.

WELCOME TO THE ROOS, SHAUN!

Brothers AFC is pleased to welcome Shaun Baxter to our club as the new Senior (A Grade) coach.

Shaun brings a lot of experience to the club, coming from coaching Beechworth down in Victoria

Rosey will continue an integral role at our club as the club transitions to a new senior coach. Rosey has been an integral part of the club for many years and one of the clubs longest serving senior coaches.

Thank you, Rosey, for putting your time & heart into our club.

Shaun's resume is varied and impressive; here are a few highlights:

- 1995-1997 drafted to Western Bulldogs as a 17-year-old
- 1998 drafted to Geelong FC
- 1999/00— premiership coach Waratah FC NTFL
- 2001— premiership coach East Perth FC WAFL
- 2007—appeared on Channel 7's Gladiators
- 2010 onwards—coached World Champion Motocross competitors
- 2015-2019 worked offshore as an injury management/health & lifestyle coordinator

Make sure you introduce yourself to Shaun today or during the season, and make him feel a part of our wonderful footy family!

BENDY HITS 200 GAMES TODAY

Peter "Bendy" O'Brien's 200-game career milestone coincides with the club's Ladies Day, something he doesn't mind sharing, he says.

Starting with the Roos in 1991 as a junior, Bendy transitioned into Senior footy in 2000, donning guernsey #36 because "I picked it up two games in a row, so decided to keep it". It has been his lucky number ever since!

BENDY'S AWARDS:

- A Grade Best & Fairest
- Reserve Grade Best & Fairest
- Best Backman
- Team of the Decade (2000-2010)
- Player in 2005 and 2010 Grand Final

Canteen coordinator from 2005-2006, Bendy has contributed to the Roos' success both on and off the field.

"I hope the club atmosphere never changes. The Brotherhood and Sisterhood we have on and off the field is what makes the club stand out."

To Bendy, being a part of the Roos is all about:

- Family
- Friends
- Footy

He treasures his Grand Final memories, especially running on- to the field with the other boys. When asked about the best people to play footy with, Bendy admitted there were too many; he has learnt so much from so many Roos players. Bendy hopes that his footy career can stretch a little longer— perhaps long enough to wear fancy dress again on the bus trip home from Gladstone, like he did with Spelly and Snuffa!

For younger Roos, Bendy offers this advice:

“Listen to experienced players—they have been there, done that, and often they've done it the hard way.”

What do you love about the Roos? The culture (everyone has been welcoming since I joined)

What's your goal for the next round or two? To keep my non- injury streak up

I'm happiest when: When I'm with friends and family

Name a lady (any age) who inspires you and explain how. My mum. She taught me I could do anything I want when I put my mind to it

What would you name your boat if you had one?

Ship Happens

What's a body part that you wouldn't mind losing?
Why?

My left arm I guess since it's usually injured anyway haha

What's the most useless talent you have? During the Harry Potter movies I can say the lines word for word fair bit in the movies

What's the best or worst purchase you've ever made? My 3 best purchases would be my house, car and dog (Luca)

Quick hands

Women's — Lorryn Clarke

Nickname: Loz

Favourite AFL team: I grew up watching NRL and I've never actually watched a full game of AFL so I'd have to say the Roos

What do you love about the Roos?

Among many things that I love about the Roos the first thing that comes to mind would have to be how welcoming the club is.

Last year was my first year with the Roos and within a couple of weeks it felt like I had been with the club for ages, because not only just the players but the coaches, parents and other members of the club were so inclusive and welcoming from the get go.

What's your goal for the next round or two? As a team the our main goal for the upcoming rounds is to focus on getting that zone set up to lock the ball in our forward area, as well as implementing more tempo style of play like we've been doing at training. My personal goal is to work on my cheering voice from the sideline after breaking my collarbone in our game last weekend.

I'm happiest when: When I've got a full belly and I'm not tired

Name a lady who inspires you and explain how:

A no brainer for me would be my Mum, her hard work and the sacrifices she (and my dad) have made and continue to make to give both my brother and I the best opportunities possible, along with her positivity through her personal challenges is inspiring to me and something I'll forever be grateful for.

What would you name your boat if you had one? Growing up we had a ski boat named 'The Funderbug' so I'd probably have to name it after that

What's a body part that you wouldn't mind losing? Why?

My spleen....I googled this question and it's the first thing that popped up

What's the most useless talent you have? Not sure that I'd consider it a talent but both of my arms are double jointed and I haven't found a use for that yet

A Word from the Coach: Women

Hello all and welcome back to Kele. A special day to thank, respect and honour the Ladies of the game. Not only the players but also the Mums, Volunteers, Committee members and all other Ladies that help make our football club the greatest club it can be. Without you ladies we all know the club wouldn't be the same so I thank you for everything.

Last week we took on Glenmore girls who once again are the top team to beat this year. A great learning curve for our newer girls and altogether as a team we know what we are up against. We let them get away early in the first quarter and they came out firing kicking 5 goals in the first quarter making it difficult for the Sisters but to their credit, they came out firing in the 2nd quarter winning the quarter quite convincingly bringing the score back to 3 goals but couldn't get to the next step. Loz battled hard, got to the right spots and got plenty of the footy before unfortunately breaking her collarbone in a heavy tackle. We wish you all the best Loz! Eryn Dessent had a great game fighting all day and never giving up.

The week before we put on a great team performance against BITS who are always improving. Chels put on an absolute clinic kicking a bag of 11 and easily getting the BOG votes with a great set of hands and strong leads. Lindsay playing her first game for the Blue and White performed well after coming back from an ACL last year but all round it was a team effort.

We move onto Gladstone today who recorded a loss against the Saints last week and I have no doubt they'll be hungry to rebound well but so are we. With great numbers at training and a big night on the track Tuesday after our loss, we are ready to bounce back and play our brand of footy and hopefully get the win.

What do you love about the Roos?

My favourite thing about the Roos is the club culture and how everyone is so supportive and uplifting.

What's your goal for the next round or two? My goal is kick at least one goal if not more before the end of the season and help the Sisters get into the Grand Final this year.

Name a lady who inspires you and explain how?

Probably my Nana Betty, she inspires me because she still volunteers her time and effort into the sporting community in Rocky. She is also very encouraging towards females playing football in both Rugby League and Aussie Rules.

I'm happiest when: weekends spent playing footy with the girls, celebrating a win and recovery at the beach with mates!

What's a body part that you wouldn't mind losing?

I wouldn't mind losing the tip of my pinky toe, because its probably the least used body part.

What's the most useless talent you have?

The WAP dance, I had to learn it fully as a punishment at my old footy club.

What's the best or worst purchase you've ever made?

The best purchase I ever made was buying an air fryer at home. Absolute game changer!

FUN & FOOTY FOR A FABULOUS CAUSE

Today, we are raising awareness of the wonderful work of the McGrath Foundation. All Youth and Senior teams will wear pink socks on field, with the proceeds going toward breast cancer research and specially trained nurses who care for those diagnosed with breast cancer. The club is looking forward to extending its donation to McGrath Foundation, with nearly \$4000 raised since 2019. Women & A Grade teams will wear the special edition Optus guernseys to acknowledge this sponsor's ongoing contribution to our club in so many ways.

The Women are playing for the second Judy Christian medal, awarded to the player who best shows determination and a fighting spirit. The medal is in memory of Judy, a long-time supporter of the club and Women's footy who passed away in 2020.

Last year's recipient was Women's captain, Leilani Nelson.

Our Ladies Day event will kick off at 2:30pm, under the Cancer Council shade structure, with plenty of fun, friendship and footy on offer.

A Word from the Coach: Under 13.5s

Hello Team Brothers,

We had the envious task of playing my Nemesis Boyne Island in Round 2. On a slippery ground we had a great start with our back line being our rock again with Keely, Ethan, Addison, James and Kristen. In the middle, Tristan, Ryan, Harry and Noah got us going with a 2 goal first quarter against the breeze. Our whole team played well with Brayden all over the ground and Henry being our target forward. We had a 7 point win with Ryan "Skuey" Skuthorp kicking 3 and Henry 1. Well done team.

Glenmore was going to be a tough game; we kept them scoreless which is no easy task. The team really rallied around each other keeping our defensive side strong. Our leading goal kickers were Ryan "Skuey" Skuthorp with 3 and Henry Villiers with 4 keeping up the goal tally. Liliene and Tristan snuck in a goal each. Our new teammates have settled in well and are shaking off the nerves to contribute to a good game. Tristan and Brayden combined numerous times giving us heaps of chances to score. Our third quarter was one of the best quarters I have seen with 5 goals. Our teamwork was second to none with everyone contributing.

We also have new players arriving Olivia and Lachlan; I am looking forward to seeing how they develop. With the amount of players we have on our team, there will be some players missing out each week but I would like them to help me on the ground with pre game warm ups and water carriers. We are all a team. To all the players that filled in for Boyne Island and Glenmore, without you we wouldn't have a game to play—it is much appreciated.

Thank you to Mick Neven and Doug for helping me at training. We have Gladstone this week so I am looking forward to this challenge. See you all on Saturday morning.

Merv and Menche

A Word from the Coach: Reserve Grade

Hello to all in Roo Land,

Well, we finally got a win on the board last week after narrowly losing to BITS the week before.

The return of Moorey and Conor in the midfield, Luke Davey in the backline and Jacob and Munchy up forward was a huge boost for us. It was a great team effort to get the win we were looking for.

Hopefully today we can build off that momentum and get another win against an unknown Gladstone team who seem to be playing some good footy at the moment.

I hope the women enjoy Ladies' Day and all grades get the win.

Good luck to all grades today and Go Roos !

Cheers,

JD

A Word from the Coach: A Grade

2-1. Not a bad way to start the season. Losing last week by over 100 points but winning the third quarter by a couple of goals doesn't happen very often, but it showed we can play good football against the Bulls. This is what we need going into the next round against them. They are certainly the team to beat this year if we want to make it to the Grand Final.

Today's game against Gladstone should be an interesting one. We are without a few of our best including our dominant ruckman Zach Lynam, but good teams need to be able to play the same football no matter who is on the park. Today will be a good test of that. Gladstone had an upset last week against BITS and it is great to see they are beginning to get some reward for effort.

I would also like to take this opportunity to welcome our new senior coach Shaun Baxter to the club. At the beginning of the year, I decided it would be my last year full time coaching so I could take a bit of a back seat and enjoy more time with Greta and Hugo. Fortunately, the club found Shaun and this was the perfect opportunity for the transition. Jamie Searle had been pegged as my successor and hopefully he will continue his newfound passion for coaching and learn heaps from Shaun.

I look forward to playing more of an on field role for the boys this year, and it all starts today!

Go the Roos!

A Word from the Coach: Under 17.5s

GAME 2 v BITS

As expected, the BITS team was very good and the 55-18 loss was a fair reflection; however, the Roos showed great resilience, and played a ripper final quarter. The boys were absolutely spent, and I was very proud of the courageous and tenacious effort, against a talented team; our grit and determination will carry us forward.

Blake Iles (VC) was brilliant at CHB, his never die attitude is appreciated by his team mates. Ryan Allen was courageous coping 12 stitches in the lip, and hopefully it won't effect any pending modelling career. (Girls dig scars). Mitch O'Regan also tore his a shoulder, a big loss for the team. Cody Brown, new to AFL, has shown great potential. It will be a challenging season for Under 17.5s!

GAME 3 v Glenmore

I had a good feeling about this game, but I could not have been more wrong. I will say from the outset, Glenmore u17 ½ were very very good, and we suffered a huge loss. We fought hard in the 3rd quarter which was pleasing, but honestly the final siren could not have come quicker, as we had 5 off the field injured, 2 off to hospital, 17 on the field exhausted, and a scoreboard that was increasing like our national debt in a pandemic. Hagan, Blake, Patterson, TJ and others tried their hearts out. It did show us in a very tough manner of how much we need to improve if we are going to compete with a number of these sides. We will dust ourselves off, and hopefully numbers at training will be good – that will be the test. Numbers will allow us to improve together. I must say, the attitude of the players at the end was very good, they knew a better side had given us a footy lesson. Cliché after cliché – but today is a new day.

Cheers,

Ian Hutchieson

A Word from the Coach: Under 15.5s

Hi fellow Roos,

After a rough first two games the boys finally showed us what they are capable of and came away with our first victory of the season against Glenmore.

The game was a tough game with the margin between the two teams constantly changing. The team started well and provided countless forward entries which we were unable to capitalise on.

Thankfully, our U13 sharp shooter Ryan Skuthorp came out and kicked three goals straight away. With a few frustrated players it looked as though the boys were starting to focus less on the football. The end of third quarter gave the boys time to settle and reset, thinking more about footy they were able to add a few more goals and kick away to a 6 goal win.

This week we take on the Gladstone Suns, each week is another battle and can't be taken lightly. With a couple players out due to other commitments the rest of the team will have to stand up and work together to stay in the winner's circle.

Being Ladies' Day, the boys will also be wearing the pink socks to support Breast Cancer Awareness.

Cheers

Sam
