A Word from the Coach: Women's

Coming off a very tough game against panthers where our girls played exceptionally well for the first half. We stick with panthers with our tackling pressure playing a massive part in that game. Going down to Boyne Island last week a little undermanned was a challenge although BITS having a lot of a low number girls unsure it would be quite the match. Chelsea Carroll was back in the side from injury and stood tall in the forward line kicking 2 goals, as well as Bec Hall kicking a bag. Ainslie was a tackling machine as always, with Leilani and Claire playing a full game each in the midfield. Kate was exceptional down back keeping her player to minimal possessions and Katelyn Lynch playing one of her best games down back also. The girls were quite happy to come away with the win. This week we are very aware of the physically and mentally tough game against the Glenmore girls. The sisters know what needs to be done to compete with Bulls and are ready for the challenge!!

A Word from the Coach: Under 13.5s

What a great effort on Saturday against Boyne Island. Its hard enough to win on a good day but to win on an away game is very special. Super proud of the group for their tenacity and determination.

Our backline is like the rock of Gibraltar with Tommy, James, sisters Addison and Kristen, Harry H and Bradley. Great teamwork from all of them. Tommies brilliant intercepting mark in the backline in the dying last minute and play on was a masterpiece. Calver played his third game for Brothers and in the ruck for most of the match against his old team. What a great effort.

We have 2 new girls playing for a wonderful club. Emily and Keeley. I have no doubt that they will make a mark in the future so keep a look out for them and give them as much encouragement as you can.

We had great run again from Zac, Ryan, Logan and little Harry H. Zac got us off the mark with a brilliant running goal from CHF. Hannah stole the show with a great mark and goal.

Millie was a great contributor at HFF as was all our younger players.

We have a different look forward line with Lili now at FF. She managed to get tackled high and received a free kick. As she walked in to have a shot at goal she was again tackled giving her a 50 metre penalty. This gave us the lead by a mere 4 points. Lili's new name is Lili50.

It was a great team effort by all. We have been training really well so please keep up the effort and you will be rewarded.

A Word from the Coach: Seniors

Last week we travelled to Boyne Island for what could have been an all too familiar outcome. However despite having 11 regulars out, the team that took the field on Saturday showed a lot of grit and smarts as they employed the tactics we had worked on at training. We managed to go goal for goal until half time! It was great to stay in the game for that long. The legs couldn't keep up though and the focus wained and we kicked one goal for their eight in the second half. Sam Guerin kicked two goals in his debut and Zach Lynam proved to be in the midfield mix for the rest of the year.

I have been looking forward to today's game for some time.

Glenmore seem to have improved a lot from last year thanks to the leadership of Tim Higgins. I am keen to see what they are now capable of! My hope today is that we can stick to our processes and put a full four quarter effort into the game! If we do that I have no doubt we can go on to get the win and finish the season off strong!

Thanks,

Michael Rose

A Word from the Coach: Under 17.5s

The last two games have shown just how unfit we are and how much it impacts us on game day. The first five minutes of the game are really good; we are competitive and hard at the ball, but as Panthers and BITS matched us on this, we quickly tire when keeping up with our players.

Last week, however, we had some outstanding efforts from the likes of Max Thornton, Aidan Harrison and Ryan Allen. This week at training we have been focusing on perfecting our tackling techniques and general fitness, and the spirit has been there. The boys still enjoy getting out there and playing the best game on Earth with their mates, which is all a coach can really ask for.

This week against Glenmore will be interesting to watch how much from training the boys will put into action and whether or not they have listened. I'm very excited to see the boys get out there and perform well in front of the home crowd.

Cheers,

Conor Chellingsworth

R. 2 – Brothers v Swans (Kele Park). As expected, Swans did not disappoint with this game, playing with their usual high intensity. We were just leading at half time, but they then gave us a touch up in the 3rd Quarter and we just couldn't drag the score line back. We learnt a lot in this game; effort is not enough, execution and positional play is vital, along with good footy skills. I know the team was disappointed, but I was happy with the desire and effort, and it certainly gives us things to improve on at training. A hard fought loss is a good learning experience.

R. 3 – Panthers v Brothers (Cricket Grounds). We worked on a few specific things at training before this game, and it was pleasing to see that put into effect in this game. It was a cracking game and both teams played in great tough spirit. I was very clear in that I wanted the boys to attack the ball (eyes on the ball) – not the player – and they did this magnificently in the final quarter ! Their 1st, 2nd, 3rd efforts won us that game! Denzyl's running long range goal was a big turning point, and demonstrated his talent! Tom Hutch's turning snap 25m out way lifted us further. Dingers was outstanding in defence, was like a General back there, and classy. Tas, Isaiah, Caden, Tayler, Marko, Blake, Tyler were also outstanding. The whole team played with such great heart – a proud win!

R. 4 – BITS v Brothers (at BITS). The preparation was not the best this week, few away and a few out injured truly tested the depth of the squad. BITS at home with a strong team was certainly going to be a challenge. At half time it was 11-11 and the boys were playing very well and having a massive crack. To be honest, it was just very good play by BITS and experience in that last quarter that got us in the end. Conor Guley was outstanding as were many others especially in that first half. Whilst we were a little disappointed that we didn't get the win, we now know that at our best, we can push anyone in the comp, and need not be scared or intimidated by any team.

Cheers, Ian Hutchieson
