# PRESIDENT'S MESSAGE

Welcome to Kele Park for Round 8 v Glenmore.

Our teams have been on the road for the past 3 weeks, so it's great to be back at home.

Midway through the season and all teams are improving which is great to see. The introduction of a new senior coach partway through a season has seen improvements across all teams. Shaun brings a lot of experience and depth of footy knowledge to the club.

Kangaroos Brothers AFC

recognises and acknowledges the Darumbal people, the traditional owners and custodians of the ground upon which we play today.

We pay our respects to all elders, past, present and emerging.

4 out of our next 5 games will be played at Kele Park, so it's really important that everyone helps out at our home games. Volunteering is the lifeblood to ensuring the club functions. This year has seen players, parents and supporters volunteer from all teams which has been appreciated; it is important that this continues.

Over the next month, with Optus Family Day (22 June), 4 home games and with our last home game against BITS (17 July) being TC Memorial Day it will be a busy time for us.

Tonight is our annual Beer Pong Tournament, with the winner taking home the *Golden Shoey* award. Speak with Wizz and get your team together. Enjoy the day and night!

## A Word from the Coach: Women

Back again at home and another great test for our girls against the Bulls. Couple weeks of unavailability from half our team was tough but a really good chance to build character and give the newer girls a chance to step up.

A loss to Panthers 2 rounds ago was tough but very beneficial for the girls to know what we need to work on if we want to take it all the way. A win on the road in Boyne last week was great to see with only being able to field the bare minimum of 16. With a lot of our key players unavailable the girls showed great spirit and intensity holding BITS scoreless after a pretty intense start from the Saints. But to our girls credit they dug deep and played a very controlled game of footy and kept the game on our terms for 4 quarters.

Playing the Bulls is always a challenge and the girls are pumped. We've been working hard on game structures and we know what we need to do to shut them down.

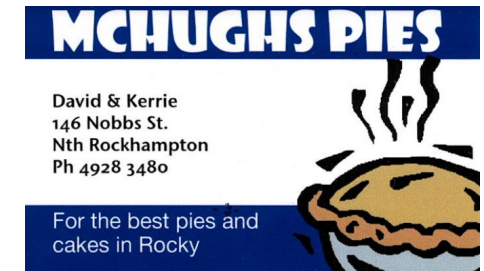

Special mentions to Loz and Liberty for continuing to attend trainings and games even though they have been injured with Loz done for the season with her shoulder and Libs ankle being out of action since early in the year but they continue to follow club values and support the team the best they can. Lil B keeping the girls up and about and positive is really great to see as a coach.

## A Word from the Coach: Reserve Grade

Hello again to everyone in Roo Land,

Well it's been a good couple of weeks for our Ressies as we look to build momentum going into the second half of the season. We were very competitive against Panthers 2 weeks ago just falling short by 2 points in a nail biter. It was a huge improvement from the first time we played them where they beat us comprehensively.

Last week we travelled to Boyne with 18 players and after a really gutsy team effort by the boys we managed to pull off a very rare win down there. The addition of Foo in the middle has been really good for us and how we set up our structures and I've been really impressed with our young under 17's stepping up.

Today we will be up for another big challenge against Glenmore who we only narrowly beat last time. We look forward to the challenge.

Good luck to all grades today and Go Roos!

Cheers,

JD

## A Word from the Coach: Under 13.5s

Hello Team Brothers,

Our U/13's headed to Swan Park, Yeppoon which was going to be a test for our wonderful players. On a clear sunny morning we were valiant in defeat even though the scoreboard was less than flattering. I was impressed with the way we went about our work with our team veteran and captain Ryan "Skuey" Skuthorp, Tristan and James fighting all day. Our backline did very well under the enormous pressure that was placed on them. I am looking forward to the next time we play them.

We then went to Panthers and had a great win. Thankyou to all the players that went across to play for Panthers so that we could have a game. Henry came out firing with a lazy 5 goals whilst our veteran "Skuey" kicked 3 and our quite achiever Alex McDonald kicking 1. It was a great team effort with all players doing well. The centres were all over the ball and the score showed an excellent result 69 - 7.

We then headed for that wonderful 2 hour drive to Boyne Island. This was going to be a test for us with a number of players out. We started off slowly with Skuey being tagged. James and Tristan were dominating in the ruck and with Billy, Aiden, Loughlin and co running all over the ground we kept persisting and peppering the goals. Tristan got a lovely smack in the face which forced him off with the blood rule allowing Boyne to get 2 quick goals to be ahead at the last change. Kicking against the wind I asked the players to lift and really put in for the last 12 minutes. Henry stepped up in the forward line and kicked 2 majors which put our nose in front. It was a real credit to the players for not only putting in hard for the 12 minutes but to not drop their heads when we were behind. All players lifted and did their bit which showed on the scoreboard 29 to 25. Super proud of the effort from the team and especially proud of them for not giving up. Our training has been good and our numbers are high. This week we have a crack at Glenmore at home. With Glenmore being short we will have to supply players to make up a side. Thank you to all our water boys and runners over the past 3 weeks. Certainly makes my life easier.

See you on Saturday.

Merv and Menche

## A Word from the Coach: A Grade

Firstly, I'd like to say a huge thank you to the Club Committee, players and parents for welcoming our family to the club. I've played and been involved with over 14 clubs in Australia and this club thus far ranks up there with a strong player and club culture that many clubs would envy.

From a coach's point of view I am super happy with how the players have adapted to new ideas on how I envisage will be a successful game plan in the future.

I'd like to say a special thank you to Cam and Belzy. You both were our first contact of people we met and love how both of you have welcomed our family to the club.

Lastly a big thank you to Michael Rose for his support and helping the transition of becoming coach at the club with the season already underway.

Cheers,

Shaun

## A Word from the Coach: Under 15.5s

Hi fellow Roos,

After 3 weeks on the road it is good to finally be back on home turf this weekend. The first of the away games saw the boys come away with an impressive win against the Yeppoon Swans helping us secure 3<sup>rd</sup> position for the time being. However that slipped away as we took on the top 2 sides in the weeks following. After a great first quarter against the Panthers the boys let the game slip away and the Panthers took advantage and ran away with it. A rough first quarter against BITS was hard to come back from but the boys stayed determined and managed to keep them under 100 points. We are the only team to do that this year and we have done it in both games, great work boys.

This week we take on the Bulls which are a team that can be underestimated at times. With Capricornian representatives back the boys look to return to the winner's circle. Looking forward to seeing the boys back on Kele park for what will be a great day of footy.

Cheers

Sam

GAME 4 v Gladstone. 69-35 Win - We are on the board with a win ! Thanks for Gladstone who were down on numbers, however played with energy and guts and it was a tough game. The lads really enjoyed pumping out the song at the end of the game & it was brilliant to see the boys get their first win.

GAME 5 v Yeppoon. (Tough 108-9 loss) - A tough day at Yeppoon, with our boys played with energy and spirt, and we finished well with a goal after the siren – to ensure it wasn't a 100 point loss (99 ). Big thanks to the 6 u15.5 players who back up. Our backs were again strong, Tyler / Blake / TJ and gutsy efforts by Ryan / Cody / Paddy / Enrie in the middle. Now that we have finished the first 5 days (round) – clearly the u17.5 competition is very strong in 2021.

GAME 6 v Panthers. (27-75 Loss) - I felt this was our most determined effort for the year. I know that determination alone doesn't win games, but it is pleasing to see lads not give up. We were very low on troops, and the u15 lad playing up, were already gassed from the earlier game. **Cody Brown was outstanding on the half back line!** showing that with continued improvement, he will develop into a very good senior player. I suspect that a game like that will give him great confidence – well done Cody ! Ernie but a fantastic tackle on nearly the biggest player in the field and bought a collective cheer from players and crowd. Shoutout to Caden, Zac and Sam who were away on Rep duties – well done & we missed you

GAME 7 v BITS. (75-27 Loss) – Tough day, against a very strong BITS team. TJ was outstanding, his tackling was brutal – almost taking himself out at time Great game TJ ! Loads of great efforts, and bursts of good play – but down on numbers – but never down on spirit. We will keep our heads up, train hard, and see what next game brings.

Cheers Ian Hutchieson

## Quick hands Seniors — Dylan Bradey

**Nickname:** Pickles

**Favourite AFL team:** The Roos—I don't really follow AFL. Massive Bunnies fan in NRL.

**What do you love about the Roos?** The people. It's a great club to be around.

**What's your goal for the next round or two?** Just to keep improving. Only 2nd year playing, so I'm still learning.

**I'm happiest when:** I'm in bed, with food and watching Netflix with the GF (who is playing next year FYI)

**If you could have an unlimited supply of something, what would it be?** Basketball cards

**You're a new addition to the crayon box. What colour would you be and why?** Blue, because of the club

**If you could choose one song to play every time you walked into a room for the rest of your life, what would it be?**

I honestly couldn't pick one—I changed genres more than I change socks.

**Best/worst Dad joke you've heard:**

The guy who invented the hokey pokey died the other day. It took hours to bury him.
