PRESIDENT'S MESSAGE

Hi everyone and welcome to Round 8 v Glenmore Bulls.

This is our third home game in a row at Kele Park and thank you to all our hard-working volunteers. The club exists through the hard work of volunteers, supporters and players.

The club has managed to pick up some additional sponsorship from Mastermind (Mining Services) who will sponsor the Women's team and Take it Easy will provide vouchers. Thank you to our new sponsors. The club is also continuing with the lighting project. Over the coming months, there will be some development occurring, with the installation of a new switchboard and the delivery of the equipment required for the construction of the light poles. The work is expected to commence at the end of September.

A Word from the Coach: Women

I was very impressed with our performance against Panthers last week and even though we didn't trouble the scoreboard we definitely kept up the effort for four quarters. Our tackling was back to our usual high standard and Monique took it to another level with a couple of sensational chase down efforts.

Panthers looked like they might really trouble us early but every time they pushed forward Emily Easey pushed them back, really impressive from someone in their first season. Another first year player, Kristy Jensen, had a massive tagging job on Panthers fastest player and did a fantastic and disciplined job all day. I must applaud Taivia's battle at Fullback, it was worth the price of admission just to watch that contest and Taivia was brilliant.

It was great to have our two young guns back. Lili and Emily have plenty of experience and know how to play, it is a huge boost when they are out there.

Unfortunately, we had a serious injury with Yaani fracturing her collarbone. I am not happy about this as Yaani has been so competitive all year. I hope she recovers quickly.

This week's game is going to be another tough contest but I am looking forward to it. We have shown we can play really competitive football and we get better every week so we just have to keep our momentum going forward. Good luck.

GO SISTERS!!!!

A Word from the Coach: Under 13.5s

So, we threw the magnets around had 8 players unavailable and we uncovered three gems from the under 11.5's. All in all, a solid day out against Panthers.

I big thank you to Hatcher Cook, Toby Waine and Blair Bruigom who all came up to fill in for the day. Hatcher kicked the first goal of the game, Toby played with the enthusiasm he always shows, while Blair is just like his brother and is a goer.

Against Panthers, we gave our backs a go in the forwards alongside our twin towers of Henry Villiers and Archie Clifford and they stole the show. Logan Mann popping up to kick his first goal in competitive football, then he doubled that not long after...hard time trying to get him back to Centre half back. Patrick Joyce worked on 100% efficiency and managed to do his job every time it came his way snagging a goal along the way. Alex McDonald had a role to play and kicked a goal. Dylan Matthews as usual just goes about his work while I thought Arlen Bellew ran great lines. The Engine room in the Bennett boys Oliver and Griffin again worked hard while Rory Bruigom continues to shine. Jess Large and Gabby Edwards simply improve each week and I am keen to see these pair develop their footy in years to come.

The main achievement from the Panthers game is how we still worked on our game method even though players were away from their normal position. Well done team.

Go Lions!

Shimma

A Word from the Coach: Reserves

Welcome all again.

Disappointing result last week, while I'm pleased with the effort, especially from the new lads. We really need to work on our fitness. Not surprisingly, training is a good place to start.

This week should be a good contest, both clubs aren't where they'd like to be, so a win would mean a hell of a lot.

I'm not sure how our numbers will be this week with a lot of guys away working, so those who are playing, let's work hard, be hard at the ball, enjoy the game and hopefully we'll have a win.

One last thing, let's put our hands up and volunteer for a few jobs on game day and not leave it up to the usual few.

Thanks, and Go Roos!

A Word from the Coach: Under 15.5s

Our group will be looking to post our first winning performance together when we take on Glenmore Bulls. The players have been developing their team play and use of the foot-ball each week. This week is the week to put it all together.

Good centre clearances will be key this round. The mids have been building good combinations in recent matches and we should see some strong performances. Up forward, we will need all key forwards to provide strong options as they did on occasion last round against the Panthers. The teams weekly contributors across halfback will be key once again this week. The backline have had strong performers each round and this week will be no different.

The group have been really good in patches of recent, and this round we should see a number of contributors once again but, with more team play and combinations. The highlight for me thus far has been the contribution of all our U13 players each round. These players have not only committed to extra training sessions each week, they have all gone the extra bit through backing up and playing key roles each week. Thank you Ethan, Noah W, Alex, Noah H, Rory, Paddy, Luke, Dylan, Logan M, Henry, Arlen, Leon, Oliver, Griffin and Eden for your dedication to our team. Please keep up the commitment and dedication for not only yourself, but for the future of our club.

Reserve Grade

The slow start to the season needs to get rolling this weekend as the injury depleted Roos take on Glenmore at home today. Due to the deluge that occurred the last time these teams were scheduled to meet it will be the first time that Brothers have had a look at the Bulls in 2022. Coach Michael Moore will be desperate to secure the first win of the season in front of the capacity crowd expected to roll into Kele Park.

Last week against Panthers was yet another challenging encounter for the Kangaroos. The Panthers who traditionally have a strong reserve grade side proved far too dominant for the Roos running away comfortable 74-point winners. In a positive for the home team we managed to hit the scoreboard kicking 5 goals 2 which was an improvement on recent weeks.

Jacob Carroll was the best player for the Roos. He has been a talented player for a long time and racked up plenty of the footy. Aaron Gosper was terrific in defence as usual, and it was great to see Nathan Hlinak booting 3 goals despite the loss. Simon Hope, Luke Johnstone and Daniel Trinca all contributed admirably in the defeat.

Hopefully this week is the week to register the first win of the season.

From Piggy's Pen

A Grade

Torrential rain marred the first titanic clash between Glenmore and Brothers at Stenlake Park earlier in the year. With this being the case Saturday will see the two traditional rivals clash for the first time in 2022. Luckily with the superb draining of Kele Park weather will be no issue as the Roos search for their second win of the year.

Last week against Panthers was a tail of a good positive start and a disappointing finish. Despite leading at half time the Panthers ran over the top of the Kangaroos late in the contest which has prompted a solid week on the track to address the late game fade outs. Panthers went onto win the game by 6 goals.

James Richardson was once again outstanding for the home side. The former junior who spent time in Ballarat has proved himself to be one of the most outstanding players in the competition. His willingness to work back and help in defence has been a highlight all year. Connor West is a star and opposition teams will need to put significant time into him for the rest of the year. He was influential yet again as was Brent Wood, Cody Brown and the rangy defender Jay Humphries. Special mention to the evergreen Scott Smithwick who is an icon of the competition who battled gamely yet again as he's done for the past 63 years.

It will be a tale of ironing out the inconsistencies for Brothers this week. Stringing four quarters together will hopefully allow the seniors to register a second win for the season.

A Word from the Coach: Under 17.5s

Well the Round 7 game was a cracking game, with Kangaroos kicking a late point seconds remaining, for a very hard fought 64-all draw. Panthers came with a very physical game plan, and executed that well, with our boys certainly being out muscled in the first half. Whilst we certainly have things we can improve on (and will be doing that at training), the fact that we could ground out a draw, after being behind all game, showed significant guts and determination. We talk about guts and determination not being enough against the stronger teams, so our training will focus on those things to improve us contesting the ball on the ground mostly. (head over the ball training this week lads). Lucas was once again very strong at the back, as was Jai, TJ, Rhys & Flynn.

Our first gamer, Cooper did great. When Cooper tackled the opposition, it would be like getting hit by fast moving stream train! When Tommy Tull (u15) came on, he ripped in like he always does! Pound for pound, I feel Tommy is probably the most determined player at the club (Mini Woody). Keep up the great play Tommy you are an absolute Champion that gets the most out of himself week in, week out, so impressive!

Tas was his normal Energiser Bunny Best! and when he gets that kick a little straighter (at times), he will be a force not only in u17s, but in senior footy. He like many other players in the squad, have talent oozing out of them. What they do with that talent, well that is up to them, as many a very talented u17 player has come and gone. But if these boys show some dedication to Aussie Rules footy, the future looks very bright for Brothers AFC!

I would like to say a big thankyou and good-bye to my good mate, Geoff Joyce. Joyce is moving his family (Veronica, Patty & Zac) to Brisbane, and I will greatly miss his mentorship & friendship. He is a very thoughtful and passionate coach and has always been there to help me though some tough situations on and off the field. I wish they were not going, but good luck in the new chapter of your lives. I will miss the footy talk (smack talk & strategic) on and away from the club.

Cheers,

Ian Hutchieson
