

EFFECTIVE BUSINESS WRITING: BACK TO BASICS

The success of any business or organisation is increasingly reliant on the communication skills of its members. Effective business writing is an important component of those skills and one that will contribute to improved workplace efficiency and productivity.

This course is designed to equip participants with the knowledge and skills required to write clear, concise and effective business documents including emails, letters and reports. Participants will gain, through learning and practical exercises, the competence and confidence to develop effective business writing skills.

COURSE AGENDA
