

NTPS: PERFORMANCE MANAGEMENT – 1 Day

Managing employees’ work performance is critical to achieving Agency objectives and is a responsibility of all managerial or supervisory jobs in the Northern Territory Public Service. To do this effectively managers need to understand the intent and application of the NTPS Performance Management framework

COURSE AGENDA

- Performance Management
 - An understanding of what performance is (results and behaviour)
 - The scope of activities a leader needs to understand in order to manage performance well
 - ‘Line of sight’: How to ensure that every member of your team understands the connection between their job and what the organisation is trying to achieve
 - An introduction to Aubrey Daniels’ disciplined performance management process
 - The importance of objective, measureable performance standards and how they can be developed
 - How to effectively conduct the performance management process
- The NTPS Performance Management Framework
 - the *Public Sector Employment and Management Act*
 - Employment Instruction Numbers 3 and 4 (Natural Justice and Performance Management)
 - the Capability and Leadership Framework
- Development
 - How to identify and meet the development needs of your team in a meaningful way
- Feedback
 - The role and purpose of feedback including principles, common traps, tips and tricks
 - Practical feedback scenarios are then workshoped in small groups with our facilitator guiding discussions and possible approaches to managing the various scenarios
