Praise for Materials

“Lowman Consulting’s 8th Grade STAAR® Review materials are data-driven, intuitive to use, and most importantly, our 8th Grade Social Studies teachers quickly embraced Alan’s approach and could immediately implement the materials in their classrooms with their current students”.

Matt Redman, Ed.D.

Secondary Social Studies Coordinator
Rockwall ISD

“As a district, we believed that Lowman Consulting’s resources were an invaluable tool in focusing our 8th Grade Social Studies instruction and STAAR® Review. The 8th Grade Social Studies STAAR® Study Sheet and the Clickable STAAR® Question Chart were immediately used by our teachers to pinpoint the highly tested concepts for planning, instruction, and review.”
