BACKGROUND: My name is Cohen (Coco) Loewrigkeit, I am 14 years old, and I am from Brownwood, TX. I have been riding motorcycles since I was 5 years old, and I have now raced flattrack motorcycles for three full years. I do not come from a family of racers, but my family (Mom, Dad, my two older brothers, and some amazing family friends) has worked very hard to support me – we all keep learning each and every race! I ride a 250cc Honda and I race my bike in a few different classes, including 250cc, Open, Pro Am, and 450cc amateur classes. I ride daily and I try to get better and faster each time I ride. I really want to do the best I can and make everyone very proud.

GOALS: I am going to the AMA Nationals in 2024 and I would like to qualify for the ¼ mile, ½ mile, 1 mile, and TT races. I would also like to earn a championship in the 250cc, Open, and Pro Am Amateur classes in the 2024 Summer Series. Finally, I would like to start riding a 450cc bike competitively by the end of the 2024 Summer Series.

ACCOMPLISHMENTS:

2021 Xtream Flattrack Summer and Winter Series

- 85cc National Champion
- 0-249cc National Champion

2022 Xtream Flattrack Summer and Winter Series

- 85cc National Champion
- 0-249cc National Champion
- 250cc National Champion

2023 Xtream Flattrack Summer Series

- Open Amateur National Champion

2023-2024 National Flattrack Winter Series

- 250cc Regional and State Champion
- 450cc Regional and State Champion
- Open Amateur Regional and State Champion

TRAINING: I ride daily, and I am always looking to improve. I have a ¼ mile oval and TT track, and off-road trails. My family is working hard to get me more regular training on the ½ mile track. I have been blessed with the opportunity to train with and be mentored by Jacob Lehmann of Lehmann Racing. I also had the amazing experience of riding and training with Tarren Santero and hopefully I will get more training time with him soon. I am really looking forward to training at the Lehmann and Baker slide school this year.

I am excited that there is another race series in Texas, Lone Star Flattrack Association. It will be great to get more seat time and to get to see all my friends more this summer! See everyone at the races!
