BACKGROUND: My name is Cohen (Coco) Loewirgkeit, and I am 15 years old. I have been riding motorcycles since I was 4 years old, and I have now raced flat track motorcycles for four years. I do not come from a family of racers, but my family has worked very hard to support me. I ride a 2023 Honda CRF250R and I race my bike in the 250cc Am, Pro Am, and Open Am classes. I ride daily and I train as often as I can with other riders. I started to work on building my strength and cardio this year, as well. I really want to do the best I can and make everyone very proud. I know that I must work hard on and off the track (I have done well at school and have started a job after school too) and that is why I would like to do my part to earn a sponsorship. I know I can be an awesome representative for any sponsor who is willing to support me.

GOALS: I would like to start to ride a 450cc bike this year. It will be challenging, but I know I can use my skills to adapt quickly. I would also like to return to the AMA Nationals in 2025. I went for the first time in 2024, and it was an awesome learning experience. I know if I can return, I will work very hard to qualify and podium in the events I race. I will ride my 450cc and I would like to earn class championships in the 450cc Am, Open Am, and Pro Am classes. I would also like to attend 3-4 races in different States in 2025 (in addition to Amateur Nationals in Illinois).

ACCOMPLISHMENTS:

2024 Lone Star Flattrack Association Summer Series

- 250cc State Champion, Pro Am State Champion, Open Amateur State Champion

2024 Amateur Nationals- 250cc Stock and Modified Classes

2023-2024 National Flat Track Winter Series

- 250cc Regional and State Champion, 450cc Regional and State Champion, Open Amateur Regional and State Champion

2023 Xtream Flattrack Summer Series

- Open Amateur Champion

2022 Xtream Flattrack Summer and Winter Series

- 85cc Champion, 0-249cc Champion, 250cc Champion

2021 Xtream Flattrack Summer and Winter Series

- 85cc Champion, 0-249cc Champion

TRAINING: I have been blessed with the opportunity to ride with and be mentored by Brad Baker and Jacob Lehmann, Brandon Bates, Tarren Santero, Trent Lowe, and Patrick Tharp of Full Tilt Racing. I attended the 2024 Baker/Lehmann Dirt Track Training School and will attend in 2025, as well. We will also have several test and tune weekends throughout the winter, to prepare for the summer series. I will work throughout the year with a personal trainer to help build my cardio and core physical strength.

I am excited to move up to a 450cc bike this year and to hopefully race at some new tracks in Texas, but also throughout other parts of the country. I will look forward to seeing all my friends again this summer! I can't wait to see everyone at the races!
