my racing experience

Hi everyone! My name is Karley Price, but most people call me Kar. I love racing motorcycles with my dad and sister. I am one of the few girls competing in a male dominated sport, and I'm happy to pave the way for other female riders like me! While racing is the most fun, I also love winning 1st place against the boys. With 3 seasons under my belt, this sport is teaching me grit and mental toughness. Each season comes with new challenges, which always keeps things fun and interesting. I'm racing in the 65cc class on a new bike against some tough competition, but I never back down from a challenge! I can't wait to continue to learn and grow this season!
