ACKNOWLEDGEMENT OF APPLICANT

I understand that I must be the property owner to make application to the Association for an Architectural Approval and that application does not guarantee Approval. Approval must be received, in writing, prior to making the alterations. I understand that Approval is based upon the aesthetics of the proposed change and does not certify the construction worthiness or structural integrity of the proposed change. I understand that I am liable for the repair of any damage to the common area by the vendors or contractors the owner may hire. I further understand that if I am digging that I, or my contractor, must contact the appropriate utilities prior to digging. I understand that I must follow all local building codes and setback requirements when making a change and that building permits may be required. I further understand that I may not deviate from the plans submitted and that any variation will require re-application. I understand that if I am going to break ground, a \$500 refundable security deposit is required with this application. The security deposit check will be deposited by PPPI HOA. If the ARB finds that the deposit is not necessary, a refund will be issued as soon as possible.

The deposit will be returned, (generally within 30 days) after the association irrigation company has inspected the irrigation and the ARB has inspected the site to be free of defects. You must notify Advantage Property Management when the project has been completed. If repairs are necessary due to the owner's construction, the repair fee will be deducted from the deposit. The ARB has 30 days after receipt of plans and specifications to approve an application.

I agree to abide by the Declaration of Covenants and Restrictions for Palm Pointe/Palm Isles HOA.
