

SUMMER

2026

JAMES LUKE | FLIPSEAL

FlipSeal is an innovative disposable hygiene mitten designed to protect the user's hand during cleaning and caregiving. After use, it flips inside out into a built-in disposal bag, containing the mess for cleaner and easier disposal. No touch. No smell. No mess.

CHRISTIANA SMITH | ASPIRING BIRTH & POSTPARTUM DOULA

As an aspiring doula and postpartum support provider, I'm passionate about helping families feel cared for, confident, and supported during the transformative postpartum season. My goal is to provide compassionate and nurturing support as new moms adjust, recover, and find their peace in motherhood. I support the whole journey of motherhood.

PEACHESS WILSON | THE SAFE SPACE

The Safe Space Transitional & Support Service is dedicated to empowering youth and young adults through social emotional learning, mentoring, life skills, career readiness, emotional support, and access to essential resources. We help individuals overcome barriers, reduce recidivism, build confidence, make healthier choices, and create pathways toward stability, independence, and long term success. Our mission is simple: provide a safe space, real support, and a stronger path forward.
