COOKIE POLICY

Last updated: November 2026

WHAT ARE COOKIES?

i. Cookies are small files placed on your computer or device by our site when you visit certain parts of it and/or when you use certain features of our site. They are created when you open our website.
ii. Our website sends information to the browser you use, which then creates a text file.
iii. These cookies are then stored as small files on your device for various periods of time.
iv. Every time you come back to the website, the browser retrieves and sends cookies to the server, which helps to improve your experience of the website by remembering settings, so you don't have to re-enter them every time you visit.
v. Remembering your answer to our cookie banner, so you are not asked again on every page.
vi. Measuring use of the website so that we can see where we can improve.
vii. You can manage and/or delete these small files from your device. Our website will still work, but you may be asked about cookies again.
viii. To learn more about cookies and how to manage or remove them, please visit aboutcookies.org.

OUR COOKIE POLICY AND USAGE

i. We have carefully chosen these cookies and have taken steps to ensure that your privacy and personal data is protected and always respected.
ii. As with many websites, we use cookies to make using our website as simple and convenient as possible to use.
iii. Please read this cookie policy carefully and ensure that you understand it.
iv. Our website is built and hosted on GoDaddy Website Builder. Most of the cookies listed below are set by GoDaddy, which runs our website for us.
v. When you first visit our site, a banner lets you accept or reject cookies. What each choice does is explained under Consent and Control below.

HOW DOES OUR SITE USE COOKIES?

Strictly Necessary Cookies

A cookie falls into this category if it is essential to the operation of our site, for example delivering our pages to you, remembering your cookie choice and protecting our contact form against spam.

Analytics Cookies

It is important for us to understand how you use our site, for example, how efficiently you can navigate around it, and what features you use. Analytics cookies enable us to gather this information, helping us to improve our site and your experience of it.

Third Party Cookies

Third party cookies are not placed by us; instead, they are placed by third parties that provide services to us and/or to you, such as the map and the spam protection on our Contact page.

Persistent Cookies

Any of the above types of cookie may be a persistent cookie. Persistent cookies are those which remain on your computer or device for a predetermined period and are activated each

time you visit our site.

Session Cookies

Any of the above types of cookie may be a session cookie. Session cookies are temporary and only remain on your computer or device from the point at which you visit our site until you close your browser. Session cookies are deleted when you close your browser.

WHAT COOKIES DOES OUR SITE USE?

The following first party Cookies may be placed on your computer or device:

Name of Cookie	Purpose & Type	Strictly Necessary
dps_site_id	Set by GoDaddy, our website host, so that our pages are delivered to you correctly. Session cookie, deleted when you close your browser.	Yes
cookie_warning_dismissed	Remembers that you have answered our cookie banner, so it is not shown on every page. Persistent, 60 days.	Yes
cookie_terms_accepted	Records that you chose Accept on our cookie banner. Persistent, 60 days.	Yes

The following third-party Cookies may be placed on your computer or device:

Name of Cookie	Purpose & Type	Provider	Strictly Necessary
_GRECAPTCHA	Protects the form on our Contact page against spam and automated abuse. Persistent, up to 6 months.	Google (reCAPTCHA)	Yes
Set by Google	The map on our Contact page is provided by Google Maps. Google may set its own cookies when the map loads; see policies.google.com/technologies/cookies.	Google	No
rmz.* (local storage)	Used by GoDaddy's website messaging tool to remember the state of its chat window. Kept in your browser until you clear it.	Re:amaze (GoDaddy)	Yes

i. Our site uses analytics services provided by GoDaddy as part of our website platform.

ii. Website analytics refers to a set of tools used to collect and analyse anonymous usage information, enabling us to better understand how our website is used. This, in turn, enables us to improve our website and the services offered through it.

iii. GoDaddy sets the _tccl_visitor, _tccl_visit and _scc_session cookies on every visit, including when you choose Reject on our cookie banner. The x-visitor-id cookie is only set if you choose Accept. None of these cookies contain your name or contact details. If you do not want them, you can block or delete cookies for colinsclare.co.uk in your browser, and our website will still work.

iv. The analytics service(s) used by our website use(s) analytics cookies to gather the required information.

The analytics cookies used on our site are:

Name of Cookie	Purpose & Type	Provider	Strictly Necessary

_tccl_visitor	Gives your browser a random ID so that website statistics can tell new visitors from returning ones. Persistent, 1 year.	GoDaddy	No
_tccl_visit	Groups the pages you view into a single visit. Expires after 30 minutes.	GoDaddy	No
_scc_session	Records how many pages you have viewed in your current visit and when you last did something, so the end of a visit can be recognised. Expires after 20 minutes.	GoDaddy	No
x-visitor-id	A random visitor ID for website statistics. Only set if you choose Accept. Persistent, 60 days.	GoDaddy	No
gclid, fbclid (local storage)	Only if you choose Accept and arrive through a Google or Facebook advert link: records which advert brought you to our site. Kept in your browser until you clear it.	GoDaddy	No

CONSENT AND CONTROL

i. When you first visit our site, a banner asks whether you accept cookies. If you choose Accept, the x-visitor-id cookie is added to those described above. If you choose Reject, it is not, but the strictly necessary cookies and GoDaddy's traffic statistics cookies are still used. You can change your choice at any time by deleting the cookies for our site in your browser; the banner will then be shown again.

ii. In addition to the controls that we provide, you can choose to enable or disable cookies in your internet browser.

iii. Most internet browsers also enable you to choose whether you wish to disable all cookies or only third-party cookies. By default, most internet browsers accept cookies, but this can be changed.

iv. For further details, please consult the help menu in your internet browser or the documentation that came with your device.

CHANGES TO THIS COOKIE POLICY

i. We may update this cookie policy from time to time, for example when our website changes. The current version is always available on this page.

ii. In the event of any conflict between the current version of this cookie policy and any previous version(s), the provisions current and in effect shall prevail unless it is expressly stated otherwise.

FURTHER INFORMATION

i. If you would like to know more about how we use cookies, please contact us by email at

info@colinsclare.co.uk or by telephone on 020 8444 3351.

ii. More information about privacy and data protection is in our Privacy Policy, and our terms are on the Terms of Use page of our website.
