### Overview

Truth Raider's vision is to provide content driven blockchain event and social media marketing services to emerging companies within the cryptocurrency space. We are here to enhance organic growth, while protecting your blockchain's individual identity.

### Community Network of Networks Approach

We are building a strong network for businesses who share our love for cryptocurrency and blockchain. We are looking for projects that share our vision to grow the industry.

### Why Truthraider?

- Truthraider is a social media specialist that promotes cryptocurrency and blockchain projects. He utilizes Truthraider.com, Twitter, Instagram, and his external networks to promote events and products. He also has a vast network of partners and communities to increase overall impact for your project.
- He was a principle Media Sponsor for the **Malta Blockchain Summit, Istanbul Blockchain Convention, Washington Elite**, and Pittsburgh Blockchain Conferences. **Truthraider is also a Primary Speaker for the Istanbul Blockchain Convention** and a VIP in Malta for a second year. These four
