Christmas Tour of Homes

December 11 & 12, 2021

The following pictures and captions show some of the people, houses and buildings that took part in CHHCO'S 2021 CHRISTMAS Tour of Homes. Proceeds went to the fund to restore Historic Harriman Hall which is featured at the end of this Newsletter. Thanks to the numerous individuals who had a part in our organization and/or our events this year. We again give special thanks to the following, who worked diligently to prepare material for the tour, and those who opened their homes during this year's tour. The following photos, shared by Sonja Thomas, are in no specific order, and are provided to once again reflect the quality of the homes on tour.

As the weather warmed up, so did the chances for proceeding with the restoration of the old Christian Church - at least when it wasn't raining.

spring rain
storms, and the

Morgan Avenue façade now has a light lavender
siding with dark purple accent trim. It's great
motivation to git-r-done!

By the way, did you see
the Roane County

the workday to capture
the progress and history of this project.

November 2021:

We're getting
close to
turning the
corner,
literally and
figuratively.

Besides the
tower and a
new roof
structure at
the front
doors, we
hope to finish
the final paint
coat on the Morgan Ave facade, addition of
siding at the rear of the structure, and trimming
of the trees around the structure. This is all
scheduled to be completed before the
Christmas Tour of Homes. Keep your eyes on
the progress!
