2022 HAUNTINGS OF HARRIMAN IS JUST AROUND THE CORNER!

The weather is turning cooler, which can only mean one thing — It's football Time in Tennessee! Well then, two things — IT'S ALSO HARRIMAN HAUNTING TIME!

Fun aside, people come from all over East Tennessee to hear the stories originating from the History of Harriman. Each year's Hauntings Tour tell different stories that have an element of truth embellished by the storyteller. This year's Hauntings on Friday & Saturday, October 21st & 22nd, is again under the remarkable leadership of "Phantastic" Heidi Barton and "Extraordinary" Beth Johnson, who have also organized the last 2 years of Hauntings tours.

Heidi's Phantastic artistic talent is exhibited by not one, <u>but two</u>, amazing t-shirt designs for this year's tours. Sponsors were given a choice of

go towards the renovation of Harriman Hall (former Christian Church completed in 1891).

While serving with Heidi like a well oiled machine, Extracrdinary Beth follows up on every aspect of the planning to be sure any glitches or surprises are either mitigated before they can happen, or are quickly addressed. Just a few of the moving parts of this smooth-running operation are the arrangement for storytellers, ghosts & goblins, tour guides, ticket-takers, t-shirts, concessions, and fire pits.

If you haven't already volunteered (storytellers are already lined up), please contact Beth, Heidi, or Bruce at (865) 621-1274 or baknob@gmail.com. If not volunteering, come with a group and an enjoy an evening of entertainment in Historic Cornstalk Heights!

SUNDAE CONCERT IN KILLEFFER PARK A SUCCESS

Despite the threat of rain, the Babahatchie Community Band performed

their concert in Killeffer Park at 3:00 pm on Sunday, September 25th. Attendance was high, and all were treated to an Old Fashion Social featuring ice cream sundaes provided by the Cornstalk Heights Historical Community Organization. The music was great, the weather turned out perfect, and there was plenty of ice cream for all! This concert and ice cream social is a tradition started in 2019 that we hope will continue into the future.

Harriman Hall is Looking Better Than Ever!

Pictures can be worth a thousand words, so we're just going to show you the progress instead of describing it. Thanks to all who have contributed to make this happen, from the financial contributions, workday participation, personal time, and fundraising involvement. All of this equates to an impressive transition of the former Christian Church (ca 1891) to the Historic Harriman Hall (ca 2019). While we haven't completed everything intended by this time, we are close! Our plans are to clean out the rooms along Morgan Ave in order to allow Christmas Home Tour guests inside to see what's happening with their donations. Let's keep the momentum going! Our last Volunteer Workday of the year is scheduled for 9-1 Saturday, October 29th.
