Greetings from the Virginia Black History Month Association (VaBHMA)! This year's Black History Month Gala was moved to **Sunday, 19 June 2022** which is the annual celebration for the **National Juneteenth Holiday** and also **Father's Day**.

Therefore, the VaBHMA has created several **Father's Day Gala Packages** to provide our guests with the opportunity to honor all fathers attending this year's gala. The packages include tickets to the gala, the option to stay overnight, along with several personalized gifts to treat your husband, father or special person in your life with a meaningful Father's Day gift.

Our organization will have your Father's Day package gifted wrapped and ready at your table when you arrive at the gala. See the list of packages below which are now available for purchase on our Eventbrite website.
