Tips from Successful Vendors

Here are some comments from our most successful vendors. We have provided these suggestions to help you attract customers and to help sell your products or services.

- Demonstrations of your product or service will help draw people to your booth.
- Offer low-priced, kid-friendly items as well as more expensive items for the more sophisticated shopper.
- Offer a way to accept credit card payments – shoppers will buy more and consider more expensive items if you do this. Go to www.squareup.com for easy solutions.
- Engage visitors as they go by! Don't just sit behind your booth – come out in front and greet people.
- Offer a raffle at your table and include email and phone as part of the raffle registration.
- Think about the design of your booth before you come. Make it colorful and visually appealing.
- Make sure prices are clearly marked.
- Bring a bag filled with items you might need: pens, markers, paper, scissors, tape, rubber bands, etc.
- Offer business cards, brochures, flyers, or other promotional items.
- Offer bags to customers who make a purchase.
- If you are selling clothing or jewelry, bring a mirror.
- A basket of candy draws in the casual passerby.
- Bring along a friend or family member to help you so you can have a break and visit with other vendors.
- Track your sales as you go so that end-of-day tax accounting is easy.
