Membership

By joining the **Shanna D Business Print Club Founding 50**, you are enrolling in a recurring monthly membership designed to provide ongoing printing services, member savings, priority production, and personalized service from ShannaD.com. Membership is **\$59 per month** and automatically renews monthly until canceled under the terms below.

Your Membership Includes

Each paid membership month includes: **\$50 in Shanna D print credit; 10% off eligible purchases paid out-of-pocket after available print credit is applied**; priority production at no additional rush charge; reasonable minor artwork updates to existing artwork; artwork storage for easy reorders; access to member-only specials and promotions; personalized ordering directly through Shanna D; and periodic planning check-ins for events, seasonal needs, promotions, and restocking.

\$50 Monthly Print Credit

After each successful monthly membership payment, \$50 in print credit is added to your account. Credit may be used toward eligible Shanna D products and services, including stickers, labels, buttons, magnets, keepsake books, and other qualifying printed products. **Unused credit rolls over from month to month while the membership remains active.** Credit has no cash value, is non-transferable, cannot be used to pay membership fees, and does not cover shipping unless specifically stated.

10% Member Discount

After available print credit is applied, active members receive **10% off the eligible remaining product or service balance they pay out-of-pocket.** The discount is not applied to the \$50 monthly print credit itself, membership fees, shipping, taxes, or other excluded charges, and may not be combined with another promotion or discount unless Shanna D specifically allows it. Example: if an eligible order is \$100 and you use \$50 in print credit, the remaining eligible \$50 receives the 10% member discount, reducing that portion to \$45 before applicable shipping and tax.

Personalized Ordering

Members order **directly through Shanna D** for personal service rather than using the standard website checkout whenever possible. This allows Shanna D to review the project, confirm available credit, apply member savings, access stored artwork, and help select the right products for the order.

Priority Production

Active members receive priority placement in the normal Shanna D production schedule without paying the standard rush fee. Priority production does not guarantee same-day or next-day completion and remains subject to order size, material availability, existing commitments, shipping delays, and circumstances outside Shanna D's reasonable control. An estimated turnaround will be provided when the order is placed.

Minor Artwork Updates

Active members receive reasonable minor updates to existing artwork at no additional charge, such as simple text changes, basic color changes, resizing, or updating contact information. New logos, complete redesigns, extensive changes, custom illustrations, or entirely new designs are not minor updates and may require an additional design fee. Any additional fee will be disclosed for approval before work begins.

Automatic Monthly Renewal

Your **\$59 membership automatically renews each month** using the payment method on file. By enrolling, you authorize ShannaD.com to charge the recurring membership fee each month until cancellation becomes effective.

Cancellation

You may cancel by contacting Shanna D directly. **Cancellation notice must be received at least 7 calendar days before your next scheduled renewal date** to prevent the next month's charge. A cancellation request received fewer than 7 calendar days before renewal may take effect after the upcoming renewal. No additional membership charges will be made after the effective cancellation date.

Unused Credit After Cancellation

Accumulated print credit remains available for **30 days following the end of your final paid membership period**. Any unused credit remaining after that 30-day period expires and is forfeited. Once the paid membership period ends, purchases no longer receive the 10% member discount, priority production, free minor artwork updates, or other active-member benefits.

Payments Are Non-Refundable

All membership payments are non-refundable. Because monthly print credit and membership benefits become available upon payment, refunds or partial refunds are not issued for membership fees, unused benefits, unused portions of a membership month, or failure to place an order during a particular month. This provision does not limit any rights that cannot legally be waived.

Founding 50 Status

Founding 50 membership is limited to the first 50 accepted members. Founding status remains active while the membership remains continuously active and in good standing. If a member cancels and later rejoins, Founding 50 status, pricing, benefits, and availability are not guaranteed.

Membership Changes

Shanna D may update products, benefits, policies, or membership terms as the program grows. Members will receive advance notice of material changes affecting membership pricing or benefits. Continued membership after the effective date of a properly disclosed change constitutes acceptance of the updated terms, subject to applicable law.

Agreement

By signing below, I acknowledge that I have read and understand this agreement. I understand that this is a **recurring \$59 monthly membership**, that payments are **non-refundable**, and that the membership **automatically renews monthly** until canceled according to the cancellation terms above.
