

International Sawfish Day Celebration Ideas

Host events at your facility or school

Family fun days with information tables and family friendly activities
Member events or lectures at your facility with Sawfish Experts
Sponsor an art contest with local school groups or community centers
Sponsor a beach clean-up to remove marine debris from a local beach where sawfish are found

Set up craft tables for children and adults

Create or download coloring sheets
Face painting
Make funny sawfish hats
Make your own sawfish from recycled materials such as cardboard

Fund Raise for Sawfish Research or Conservation

Auction of artworks
Collection boxes
Bake sales (Sawfish cupcakes/cookies?)
Gala dinner and auction
Sales of t-shirts or swag
Host an afterhours “adult beverage” event – ie Suds for Sawfish, or Sips for Sawfish

Share Information, Memes and Videos on Social media using #IntlSawfishDay

Sawfish Selfies
Share your story
Highlight Sawfish at your facility in social media posts
Share images or videos from your event
Host a Facebook live or other social media event to link with other facilities
Spread the facts about endangered sawfish and their importance in marine ecosystems
Create your own posters, PSAs and other materials
Help educate and inspire others about Sawfish and Sawfish Conservation
Partner with a local dive club, boating or fishing club to educate members about safe sawfish interactions or releases from nets and fishing lines

Contact your local mainstream media to join your event or spread the word

Participate in an interview or host a sawfish expert and invite the press
Host a local media at a press event
