A pair of hands is shown from the bottom, cupping a small, realistic globe of the Earth. The globe is centered on the Americas, showing North and South America in brown and green, surrounded by blue oceans and white clouds. The background is a dark, almost black space with some faint, wispy light patterns. The hands are skin-toned and appear to be holding the globe gently.

MY PLANET PROMISE

I, Harry Waters, promise let my garden grow
and leave a bowl of water out for the
pollinators.
