

Series 2: Beyond the SDGs

Lesson 7: SDG7

Clean and Affordable Energy

7 Ensure access to affordable, reliable, sustainable and modern energy for all

What are the goals?

Target

7.1

By 2030, ensure universal access to affordable, reliable and modern energy services

Target

7.2

By 2030, increase substantially the share of renewable energy in the global energy mix

Series 2: Beyond the SDGs

Target

7.3

By 2030, double the global rate of improvement in energy efficiency

I'd put my money on the sun and solar energy. What a source of power! I hope we don't have to wait until oil and coal run out before we tackle that
