**Giving you the tools to
raise climate change
awareness?**

A hamster is shown from the side, pushing a small metal shopping cart. The cart is filled with various plastic items, including a red cup, a green bottle, and a yellow container. The hamster is looking towards the right. The background is a plain, light-colored surface.

LESSON 5:
The Weekly Shop
Let's get drastic on plastic

Pause

Objectives

Raise plastic awareness

Look for alternatives

Think about how we can make a change

Top tips on reducing plastic usage

Make a planet promise

Which is which?

Connect the picture with the word

Litter

Landfill

Microplastic

Upcycle

Single-use plastic

Dump

UNFUN FACTS T/F

1. A plastic bottle will be around for about 100 years.
2. More than 40 percent of plastic is used just once, then tossed.
3. World plastic production has increased from **2.1 million tonnes** in 1950 to **405 million tonnes** by 2015.
4. More than **6.3 billion tonnes** of plastic waste has been generated. Around **20%** of that was recycled, **5%** was burnt, and **75%** was sent to landfills.

Answers

2. More than 40 percent of plastic is used just once, then tossed.

TRUE: Stop buying single-use plastics!

Be Plastic Clever!

Answers

3. World plastic production has increased from 2.1 million tonnes in 1950 to 405 million by 2015.

TRUE: If we don't buy it, they won't make it!

Answers

4. More than 6.3 billion tonnes of plastic waste has been generated. Around **20%** of that was recycled, **5%** was burnt, and **75%** was sent to landfill.

FALSE: Only 9% was recycled, 12% was burnt and 79% was put in landfill.

What can you remember?

What's the plastic free alternative?

Fruit + Veg

Sweets

Sanitary Products

Shampoo

Bottled Water

Razors

Cleaning Products

RENEWABLE ENGLISH

Interview Time

Vocab Check

Reusable alternative

Cutlery

Inspire

Charity

Let's Check

Charity

Organizations who raise **money** and **awareness** to help a worthy cause.

Cutlery

Knives, forks and spoons

Inspire

Fill (someone) with the urge or ability to do or feel something

Reusable Alternative

Replacing a single-use plastic with something you can use more than once

Questions

- **Make a video:**

Upcycle something old and send us your video.

OR

Go on a **litter pick** with some friends, show us how much you picked up

- Things to consider:
- **Don't forget your gloves.**

A pair of hands is shown holding a small, realistic-looking globe of the Earth. The hands are positioned at the bottom and sides of the globe, with fingers gently cupping it. The globe shows continents and oceans in detail. The background is dark and slightly out of focus, suggesting an indoor setting with some light sources.

MY PLANET PROMISE

I, Harry Waters, promise to stop using single-use plastics and pick up any litter I see on the street.
