SUCCESS STORIES

FAMILY REUNION

Through social media, we connected a client with their sibling after more than a year apart. The reunion at our hub was truly touching, as the family member saw how their loved one has found safety and community with us. This meaningful connection reminded everyone at No More Tears of the impact our work has beyond our walls.

MORE SUCCESS STORIES

- One client has entered a quality rehabilitation program and is making excellent progress.
- Another community member has successfully transitioned from shelter living to an excellent transitional housing program where they now have their own space and are developing important life skills.

These successes remind us that with support and compassion, positive change is possible. Thank you to everyone who makes our work possible.

MOTEL HOUSING PROGRAM CONCLUDES

Our temporary motel housing program ended April 30 after sheltering a total of 18 individuals experiencing homelessness. Using four motel rooms, we're pleased that 5 participants [28%] successfully transitioned to permanent housing. Despite some program challenges, this initiative demonstrated the vital importance of housing interventions in our community.

The conclusion of this program highlights the ongoing need for permanent affordable housing solutions. We extend our gratitude to all volunteers, staff, and community partners who made this possible. We remain committed to addressing homelessness and will apply the valuable lessons learned to future initiatives.

.

WE EXTEND OUR SINCERE APPRECIATION TO OUR DONORS, VOLUNTEERS, COMMUNITY ALLIANCES, AND THE BROADER COMMUNITY FOR THEIR UNWAVERING SUPPORT. YOUR GENEROSITY, DEDICATION, AND COLLABORATION ARE THE CORNERSTONES OF OUR SUCCESS.
