

Exterior Contractor Alliance

Exterior Contractor Alliance is an invitation-only cooperative for high quality, full-service roofing and exterior finish contractors who service the single-family, multi-family, remodel, storm and insurance restoration and commercial market segments.

ECA Members are successful entrepreneurs who believe they can get better, who enjoy the process of continuous improvement and who strive to improve their businesses, and therefore the industry, every single day.

Our desire is to add value to every link of the industry chain and increase efficiencies through scale and cooperation. This group is comprised of business-minded entrepreneurs who run their business above all industry standards.

ECA Membership Requirements

- Five years as an established, local business
- Strong payment and credit history
- Verifiable track record of paying industry suppliers within terms
- Positive, long-term BBB rating
- Compliant with all federal, state and local licensing requirements
- Carry appropriate general liability and workers compensation insurance
