Dear Matthew,

All of us at Loaves & Fishes are very grateful for the donation of the Epson Eco Tank Wideformat ET-16550 printer/scanner and the two HP Office Pro 7740 printers/scanners. They have been put to use at our 1871 High Grove Lane office. We greatly appreciate you directing these items to us. You are making it possible for us to serve those who most need help. Together, we are providing food and resources to more than 8,000 people a week.

Our focus on healthy food and programs to promote self-sufficiency reflects the compassion and generosity of our community. We are so grateful to you for being such an important part of these efforts and join the people we serve in saying thank you.

With gratitude and kindest regards,

Mike Havala
President & CEO
