Rector's Meditation

There's something really fun about being in the church at night. It feels special. We don't usually come to the church at night, and when we do, we don't usually turn on all the lights. We use just enough for ourselves, whether it's for a meeting in Crosby Hall, a worship service in the Nave, or (for those of us who work at the church) maybe we're burning a bit of the midnight oil. Every now and again I forget something in my office, and all I need to do is turn on enough lights to see my way about. The rest of the church is sleeping. Only this little corner is awake.

But that all changes on Christmas Eve, doesn't it? And it changed the week prior when we worshipped in the Blue Christmas service. And even if you only came at

the 4:00 service, it was dark enough when we left the building so that it seemed like night. On Christmas, it's not just one little part of the church that is lit; *all* of the church is afire with the blaze of Christmas! And it's not just the lights, but the music, the conversation, the presence of one another, and the joy of Christmas seem to fill up the darkness to the breaking point. Even when the lights are down low, and we only have small candles, the light seems so much stronger than the dark.

Christmas marks the darkest night of the year. Yes, the winter solstice was on the 21st, but we Christians mark this darkest of nights on December 25th: Christmas. It's when, we believe, the long night of waiting was over, when God stepped onto the stage of his own making as Jesus Christ and led us wayward, scared, lost, anxious, and sinful humanity to

salvation. We are now in the post-Christmas time: when each day will come with more and more sunlight. The days are lengthening for the northern hemisphere of the planet Earth, and, metaphorically, the days of our hearts are also lengthening in the daylight of Jesus Christ.

We are, however, still in darkness. COVID hasn't gone away. Our culture is still divided, and perhaps more than ever. Some of us are sick, either mentally, physically, emotionally, spiritually, or some mixture of each. The poor are with us, as are the depressed, the lonely, the destitute, and the sick. Christmas has passed, and we still live in the valley of the shadow of death.

The promise of Christ was not that his death and resurrection would end sin and death, but that both sin and death no longer have any *binding* power over us. We are not chained to sin. Death is not the last work. And that is good news for us, but it is certainly good and *much needed* news for a hurting world. And so, I implore you all: as we begin this new year 2022, do not forget Christmas. Do not forget the light of a beautiful church in the darkness of the night. Remember that *you* can be a light in someone else's darkness, and that Christ Church can be a light to those who are lost.

God bless you all, and happy new year!!!

Eucharistic Visitors: Coming to Visit When Needed

Christ Church is fortunate to have two people who are licensed as Eucharistic Visitors. A Eucharistic Visitor is a lay person who brings the consecrated bread and wine from the Holy Eucharist to people who are not able to attend the service on Sunday. Eucharistic Visitors bring communion to people who are in the hospital, rehabilitation centers, assisted living facilities, nursing homes and those who are at home. If you are not able to attend church and would like to request that communion be brought to you, please contact the office and one of our Eucharistic Visitors can arrange to bring it to you.

Due to the possibility of changing guidance about safe ways to regather for worship and fellowship, please watch for email updates and check our website or our Facebook page and group for the latest guidance! Services are currently in person, but we will continue to record the sermons and post them on YouTube.

Vestry Voices:

Biographies of Vestry Candidates

Mollie Mills: Warden

When my husband, The Rev. Fritz Mills, came to Christ Church to serve as the Interim/Supply Priest, I came with him. I stayed because of the many people I found here who were following Christ's teachings in their lives. And, I loved the music!

Since joining this church, I have been a member of the Vestry, the adult choir, the bell choir, and the Personnel Committee. I have also served as a church school teacher and lector.

My professional life has taken a winding path. After graduating from Cornell University, I taught high school science and health and later established an alternative school for troubled youth. For the next several years, I worked nationally in the field of personnel development. When I retired, I started two pottery painting businesses. In recent years, serving as a caregiver for loved ones limited my community involvement. I did serve as President of the Greater Manlius Chamber of Commerce and for the past 10 years, I have worked as a volunteer consultant for Clear Path for Veterans, a non-profit founded by my daughters.

As a life-long (very long) Episcopalian, my faith and my church have been very important to me. I would be honored to serve as a Warden for this wonderful parish and the great people who worship here.

Michael Bull

Michael is a lifelong Episcopalian and has been involved in the church for much of his life. As a teenager, he served as a youth representative on the vestry at All Saints' Church in Littleton, NH. He was an acolyte, crucifer, taught Sunday School, sang in the choir and served as the one of the church's sextons (mostly dusting and vacuuming) for a year. At Christ Church, Michael spends much of his time in the kitchen frying fish, grilling chicken, cooking burgers/hot dogs, etc., for many of the church's culinary adventures. He is Co-Chair of Property and is often seen working on projects around the church and the cemetery grounds. He also served on the Vestry during the 200th anniversary celebration of Christ Church, and the beginnings of the construction of the new church buildings.

Michael and his wife, Debbie, a music teacher at Jamesville-DeWitt Middle School, live in Pompey with their two beagles, and various musical instruments. Deborah is also the organist for Christ Church in Manlius and Michael can often be heard here playing his timpani and other percussion instruments.

Michael is currently Principal Percussion of Symphoria. He is also a member of the Symphoria's popular Percussion Ensemble. Michael performs with several other local and touring groups. He has been on the S.U. faculty since 1977 where he is currently the Head of Percussion and Director of the S.U. Percussion Ensemble and The S.U. Ancient Fife & Drum Corps. Michael is an Artist Representative for SABIAN Cymbals, Mike Balter Mallets

and The Cooperman Fife & Drum Company. When not on stage performing, Michael enjoys bowhunting, fishing, riding his motorcycles and working on the new Bullingham Farm with Debbie.

Carmen Denny

Hi, I'm Carmen Denny, originally from Winston Salem, NC. I have a BA in religion and history from Meredith College in Raleigh, NC. My family and I moved to Manlius in 2005. Chris and I have three children who are grown: Joseph is living in Brunswick, ME and working in Portland. Thomas is living in Nelson and working in and around Syracuse. Our youngest, Amy, is married with 2 children, living in Houston. I'll be delighted to show you pictures!

After Amy graduated from Le Moyne in 2015, I got this crazy idea to reinvent myself and get a master's degree in TESOL (Teaching English to Speakers of Other Languages). So now I'm teaching Adult ESL (English as a second language) to immigrants and refugees on the Syracuse west side. If the job of a Christian is to be utterly transformed from the inside out, I certainly stumbled into the right career!

In the 37 years we've been married, Chris and I have had a variety of church experiences, including the charismatic movement of the 80's, bible studies, retreats, a variety of Presbyterian Churches, the Baptist Church, Wesleyan Church, store front, and nondenominational churches. The Episcopal Church, especially Christ Church, is the most balanced, reasonable expression of Christianity we have found. This is a remarkable community to be a part of. I'm honored to be asked to serve on the vestry of Christ Church.

Jim Tifft

Deb and I have been members of Christ Church for more than forty years and have cherished every moment. The people have been the cornerstone of our experience---welcoming, loving, comforting, protective, and sometimes, appropriately challenging. The church structure is beautiful, historic, welcoming, and speaks for itself. The music, thanks to the Heberts, has been beautiful, inviting, and very professional. Father Tim is most welcome and will enrich our experience.

I am a retired physician with a specialty in gastroenterology and liver disease. I served on numerous medical committees and as medical president of two local hospitals. I was also president of the NY state Society of Internal Medical. I mentored family practice residents for many years.

Deb and I have been residents of Manlius for more than forty years. Molly, our daughter, and her husband, Matt, live in Manlius and have three wonderful children. We are blessed to have them living so close.

I will be honored to serve on the vestry of Christ Church. It is a way to give back some of what Christ Church has given to me.

From the Rector's Desk

It's been about two years since we all began to hear, and react to, the COVID pandemic. Christ Church has remained strong and faithful throughout these two years, both because of our leadership and because of the steady dedication of you all. Thank you all for the prayers and time you have given to keeping our church safe.

In December, as you all know, a member of the parish attended church who unknowingly had contracted COVID. During this time, the vestry was re-examining our regulations to make sure we were up to, and well beyond, par. I am happy to say that, even with a contact, there was no spread of the virus. Even so, the vestry went ahead with further ways to keep worship even safer. Part of these efforts was to reach out to infectious-disease specialists and put before them what we've been doing. These conversations led to a number of changes.

This month, we'll install two new air purification systems in the choir loft. These systems are used in the Syracuse Symphony and are highly recommended. Further, we're looking at ways to keep the air flowing in the nave. Early in the pandemic, we were concerned with moving air around, especially across the choir where people were singing. We've found a much more nuanced answer in opening certain vents and airways to allow new air in and push old air out. We believe both these changes will even further increase the safety of those who join us on Sunday morning for worship.

The vestry continues to reexamine our regulations every few months and, especially, when the scientific community learns more about the virus. We'll keep you all up to date on these changes, and we invite you to chat with any of our leadership if you have a question or concern!

Did you know?

In the early Church, Christmas wasn't all that important. The early Church was very much focused on Easter, or Pascha. The death, resurrection, and ascension of Jesus Christ was what gave them faith, drew them together, and healed them in a world that, sometimes, was deeply hostile to them. Easter was, and continues to be, thought of as the "eighth day" of Creation, when the world was made new and we were loosed from the power of death. Easter's the thing.

As the Church grew, however, it began to wonder about, and to celebrate, its origins. At first, Jesus' birth was celebrated at the feast of the Epiphany, along with a number of other events in the gospels. Soon, Christmas was separated from this feast so that Jesus' birth could be remembered as a feast in itself, leaving Epiphany to carry the weight of three important events: the visit of the Magi or "Three Kings", Jesus' Baptism in the Jordan River, and Jesus' first miracle: turning water into wine at the wedding in Cana.

You might wonder: what in the world do these three things have to do with each other? Why not pick them all apart and make them their own feast? And hey, maybe we can get a five-day weekend out of it all!

Actually, these three events are tightly related to Jesus' "epiphany", his being-made-know. First, the Magi came from other countries, meaning that the life and work of God in Jesus was not for those of first century Palestine alone. At Jesus' Baptism, God made it known that he, Jesus, was God's beloved Son, and in whom God was well-pleased. Finally, Jesus' ministry as a miracle worker and healer, as well as a pretty awesome preacher, began in Cana at a wedding. In each, Jesus shows that he is more than just "some guy" but is, instead, closely bound to God's life and is even God Incarnate.

And so, on Epiphany, we celebrate that God isn't just some reserved deity watching us from afar behind some clouds. God is with us. God is among us. God was with us in Jesus Christ, and God is with us today, even this very moment. Thanks be to God!

Please remember to turn in your 2022 pledge cards if you have not already done so. This greatly helps the Finance Committee and the Vestry when setting up next year's budget by giving them the income information needed set the budget plan.

Also, please have your final pledge payments for this year at church either via mail or offering plate by Sunday December 26th if you wish this donation to appear in your yearend statement for tax purposes. Any donation received after that date will not appear until the first quarterly statement of 2022.

Thank you

Centering Prayer Group

Wednesdays at 9:00 a.m. in the nave

The Bible tells us: "Be still and know that I am God." Often, we pray using lots of words and gestures, but did you know that praying silently can be some of the most life-giving ways of prayer? If you find yourself moving more often to wordless prayer and quiet, being called to rest in prayer, or you simply want to try a new way to talk to God (without words), then join us on Wednesday mornings at 9:00 in the church nave. Father Tim will lead us in silent prayers and, if there's interest, some community time afterwards. Come once or come every week. Know that you are always welcome.

✂✂✂

Confirmation classes begin February 13th. We'll be meeting after worship in the Community Room. All youth of high school age are welcome, whether you're seeking confirmation or just learning about how God is calling you in your life. Snacks will be provided (if you have a particular favorite snack, let Father Tim know). More information to come!

https://secure.rotundasoftware.com/28/vsp/enrollment/SamaritanCenter?user=SamaritanCenter&use_username=cchurch

As we experienced last summer, all meals are served in takeout containers, however guests are required to wear masks, which are given in a “no touch” manner. Seating is now being provided for those who would prefer to eat inside and leave when they are done with their meal.

The need for hot, nutritious meals has not decreased among the center’s clients and is still appreciated by everyone. This is an opportunity for our parish to be of service to a needy population during the pandemic. If you are interested in participating, please contact Peter Winkler at winklerpb@windstream.net or 315-380-5382. Thank you!!

PACE CNY (Program of All-inclusive Care for the Elderly) is a part of the Loretto Family of Care. PACE CNY, based on a national model known as PACE, provides an alternative to placement in a nursing home. PACE CNY is particularly helpful to families desiring to keep their aging loved ones at home. At two Loretto PACE Centers (one in North Syracuse and one in East Syracuse) and their own place of residence, participants receive the home care, medical, rehabilitative, social, transportation, and support services needed to remain at home. For more information or to make a referral, please call Ginny Turley, Intake Specialist, at (315) 452-5800 and visit our website at www.pacecny.org.

Clear Path for Veterans is seeking puppy raisers and ambassadors for their service dog program. Canine guardians and ambassadors play a critical role in raising, training, and caring for puppies 8 weeks to 18 months of age.

We Rise Above the Streets

We Rise Above the Streets Sandwich Saturdays continue on Saturdays at 404 Oak Street, Syracuse. We continue servicing our homeless friends while following new safety protocol. Masks must be worn, social distancing guidelines followed and hand sanitizer available. Volunteer opportunities will be by appointment only by calling 315-

491-7164.

Now that we are back in-person for church services, we will resume collecting travel size toiletries for We Rise Above the Streets. Please leave your donations in the designated basket. You may also continue to make financial contributions thru PayPal:

Join us on Facebook!

Did you know Christ Church has an active Facebook page, and now a group for parishioners? The page is public, and can be viewed by anyone, even without a Facebook account. (Please note, you will not be able to interact with the page if you don't have an account.) You'll find reminders of parish events, links to the video services, and shared posts from other Episcopal organization (the diocese of CNY, the national Church, etc.)

among other things.

<https://www.facebook.com/Christ-Church-Manlius-127512003958671/>

We also now have a Facebook group, called "**Christ Church Manlius Parishioners.**"

Parishioners with a Facebook account may search for the group and request to join, or if you have a friend already in the group, they can add you. It's a nice way to keep in touch while we can't see each other in person. People who are not in the group can see that the group exists, but not what is posted, or who the members are.

Donate by Credit Card

For members who would prefer to make pledge payments or other donations via credit card, that option is now available. Because of the concerted efforts of our Treasurer, Anne Whyte, anyone choosing this option can access the Hosted Payment Page by going to the church website: www.christchurchmanlius.org and pressing the **Donate** button at the bottom of the page. The payment page will have a dropdown list with 7 options including Pledge 2022. These donations will be credited on your quarterly statements just like donations given by check or cash. The processing fee charged by your credit card will be added to your donation.

Of course, those of you who would like to continue to donate via personal check or through Online Banking using Bill Pay may do so. The Finance Committee hopes that one of these three options will be accessible to everyone, especially during this time of social distancing. Any questions can be addressed to Peter Winkler, Financial Secretary, or Anne Whyte, Treasurer. Thank you!

Announcements and Reminders

The Rector's Discretionary Fund is a special account that is financed by the loose cash offering gathered one Sunday each month and by additional donations from parishioners and others. At Christ Church the **loose plate offering from the first Sunday of each month** is designated for the Rector's Discretionary Fund. Many churches also include a line item in the budget. The purpose of the Rector's Discretionary Fund is described in the Episcopal Church Canons as *"to be applied to such pious and charitable uses as the Rector or Priest-in-Charge shall determine."* Money from this fund is used to assist those in financial need, to support ministry, and to contribute to the work of the wider Church.

Delta Sonic Gift Certificates

We have Delta Sonic gift certificates available for purchase in the church office. The **\$12. car wash certificate** (\$18.35 value) provides a *Super Kiss*

F.I.S.H. (Friends in Service Here) – Reopen and in need of volunteers

For some people transportation is not readily accessible, and the need to get to their medical appointments becomes critical. This is where F.I.S.H. comes in handy. The Fayetteville-Manlius-Minoa chapter of F.I.S.H. has been operating for over 35 years and transports people from the Fayetteville-Manlius school district and from the village of Minoa to and from doctors' appointments. Our clients do need to be ambulatory. F.I.S.H. is made up of all volunteers who give their time to dispatch, drive, or serve on various F.I.S.H. committees. We need scheduled drivers (one day a month) or random drivers (on an as-needed basis). If you prefer not to drive, we are in need of dispatchers, too. Dispatchers take the calls from clients one week a month and try to find drivers to transport them. If you would like to reach out and help members of our community get to their medical appointments, please give F.I.S.H. a call at 637-8158. You will meet wonderful people and at the same time be helping out people in need.

SYRACUSE MEMORY CAFÉ

Pebble Hill Presbyterian Church in DeWitt provides a place for community for individuals with memory changes (Alzheimer's and other forms of dementia) and their care partners in a safe, welcoming, friendly environment.

We invite any interested person(s) to join us on the second Wednesday of each month, year round, from 10:30 – 12:00 noon. Each café provides socialization, entertainment and a light lunch.

The Syracuse Memory Café is a free program, staffed by volunteers, and all are welcome. We simply require that our guests be people experiencing memory changes and that they have a companion or care partner to accompany them. For more information, please visit our website at syracusememorycafe.com or email us at info@syracusememorycafe.com.

Please continue to use caution when parking in the church's side lot! A barrier is in place to protect the new siding. The barrier consists of steel posts with pressure-treated lumber. It is sturdy enough to stop a slow-moving vehicle before it damages the new siding. However, we know the space to back out in the side parking lot is still tight and therefore ***we encourage drivers with larger sized vehicles, SUVs and vans to park***

beyond the building or around the back of Crosby Hall. Please exercise caution when backing up toward the building. We want our siding to stay pretty and your vehicle to remain dent free too. Thank you!
