Sexual Ethics in Therapy – Straight from the Horse’s Mouth

*Come join us at the farm for a fun and fresh approach to continuing education.
No riding involved. No prior horse knowledge required.*

Workshop Description and Information: During this workshop, participants will explore the sexual ethics involved in providing therapy to adult clients. Through informative Power Point presentations, lively interactive discussions, and equine assisted learning activities, participants will examine the warning signs and patterns leading to sexual boundary violations in therapy. They will discuss the damaging effects on the victims, and grow in their ability to counsel both victims and perpetrators of these violations through recognition of the stages of recovery. They will explore the ethics of reporting disclosed violations. Finally, participants will assess their own vulnerabilities, and thus grow in their ability to set clear boundaries while treating vulnerable clients.

Location of Workshop: 2061 Bethel Road, NE
Conyers, GA 30012
