Using a Little Horse Sense to Keep on the Ethics Trail

*Come join us at the farm for a fun and fresh approach to continuing education.
5 CE Hours for Ethics—just in time for licensure renewal!
No riding involved. No prior horse knowledge required.*

Workshop Description and Information: Participants will explore ethical challenges and dilemmas that arise in various work settings. With the help of our equine friends, strategies for resolving ethical conflicts will be addressed. Equine assisted learning activities will focus on the elements of the counseling relationship, confidentiality, professional responsibility, and relationships with other professionals, by providing tools for resolving ethical issues. Working as a team, participants will explore ethical challenges to bring about resolution. Participants will learn how to assess their own internal conflicts during therapy sessions and how ethically to determine a course of resolution.

(Elements of the ACA Code of Ethics will be introduced and utilized to provide tools for resolving ethical issues.)

Location of Workshop: 2061 Bethel Road, NE
