

ALL REGISTRATIONS ARE COMPLETED ONLINE

**** PLEASE NOTE****

If at any point during your registration, you are prompted for an ACCESS CODE, you are either:

A) Registering during a current member pre-registration period

B) Attempting to register for an Advanced program. These programs will receive their own individualized access code in an email the week prior to the registration opening. If your child has previous gymnastics/tumbling experience and you believe they may be eligible for an Advanced program, please email reachgymnastics@outlook.com

1) Scroll down to the Registration, Class Schedules and Pricing section of the Reach Gymnastics Home Page and Click the blue “Register” button.

2) Go to the top right corner of this page and Click “Login”. This will direct you to login to your current Amilia* account or create an account if you are new to Reach Gymnastics (note your password and account email as you will need these in the future)

*(Amilia is the registration software that Reach Gymnastics uses to maintain client profiles and process registrations)

3) Once you are logged into your account you will be directed to our ‘store’.

3.1 Choose from the options. Find the **PROGRAM**, and **SEASON** that you are interested in registering for.

3.2 If you know exactly what program you are looking for simply type it into the 'search bar'. Keep in mind this will give you ALL options for this program.

4) When you find the Program with the day and time that you would like Click on "Register for session"

**If you see "Join session waitlist" this means the class is full and you will be added to a waitlist. Waitlisted students cannot be guaranteed a spot. We will not know when/if a spot will open, but someone will call you if/when a spot becomes available.

5) Select Participants to Register or Add another person. Then choose to pay full amount or pick the instalment option. If you have yet to pay your yearly insurance fee you will be prompted to do that next
