## **WBAF – UAMDC AFRICA EXCELLENCE AWARDS 2018 CONCEPT NOTE**

---

UAE-Africa Mentoring Development Consortium (UAMDC), build bridges between the UAE, Africa and the world. UAMDC principal areas of support includes: Dignitary Facilitation: Facilitate high level introductions and meetings support including for Government of nations, industry leaders in agriculture, and Business Incubator/Accelerators Start-Ups Development: Showcase high impact business start-ups collaborative cohort programs. Together with the High Commissioner to Ghana (UK) for World Business Angels Investment Forum (WBAF)- Mrs. Tina Allton we are putting together the first Innovation and pitch startup program of which the Chairman of WBAF will visit Ghana to award top notch CEOs and Government Leaders.

The World Business Angels Investment Forum aims to contribute to that impact by driving

positive changes that will facilitate entrepreneurship. Fostering entrepreneurship whose effects can be felt in both economic and social arenas is a hallmark of the World Business Angels Investment Forum. This maiden edition of event is in collaboration with Ghana Association of Pastoral Care and Counselling to celebrate individuals and organisations that have made a successful and significant contribution to drive investment into the African market, and thus have ensured sustainability in all sectors.
