

## Your business phone, in the palm of your hand

Mobile workers now have instant access to their corporate phone extension – anywhere, anytime, and on any device.

### ALL-IN-ONE

Place calls, send chat or texts, share files, and start video conferences—all from your mobile device.

### CONNECTED

Your business phone number & extension extends to your mobile phone, ensuring you never miss an important call

### PRIVATE

When you place a call, the mobile app sends company caller ID info, never your personal cell number

## THE ELEVATE MOBILE APP

This powerful mobile application transforms your phone into an essential collaboration tool, making teamwork on-the-go easier than ever. See who is available, send and receive chats and texts, place calls, view voicemails and more—anytime, anywhere.

## NEVER MISS IMPORTANT CALLS

Extend your business phone number and extension to your mobile phone, so you can place and receive calls on-the-go or even transfer calls from your desktop phone to your mobile device—seamlessly, without interruption.

## EASILY COLLABORATE FROM ANYWHERE

Your full desktop chat and text history is synchronized with your mobile device so you can stay connected and continue conversations no matter where you are.

The Elevate Mobile App is available in both Android and Apple iOS versions.

## ENTERPRISE CALLING FEATURES
